

## Community Sessions Summary

Our goal is to seek consistency in the thoughts shared during the community Sessions. The summary below outlines responses which were shared more than two times during our discussions with the most common responses listed first.

### 1. What is your School District known for today?

1. Small - class size, community school, town, family values
2. Involved/supportive community
3. Quality of staff
4. All students in one building
5. School is the center of the community

### 2. What do you hope your School District will be known for in the future?

1. Best education in the area
2. Excellence in education
3. Offer just as many opportunities despite our small size
4. School attracts families, staff, and students
5. School that has great technology and STEM
6. Students ready for the workforce

### 3. What additional programs or services should be provided for students by your School District?

1. Spanish in early grades to help our kids and community
2. Community engagement in education
3. FFA/natural resources/agriculture
4. Childcare (SCCC) having their own space

### 4. What additional programs or services should be provided for community members by your District?

1. Community service
2. Community volunteer opportunities
3. Bleachers in gymnasium/accessibility

### 5. What are the major obstacles facing your School District?

1. Availability and attracting good staff/people
2. Lack of funds
3. Lack of physical space / Space constraints created by daycare
4. Bleachers in gymnasium/accessibility
5. Ag communities/community attitude/apathy

### 6. If you could do anything you wanted to improve the facilities of your School District, what would you do?

1. Outdoor athletic facility updated
2. Auditorium/music/performing arts
3. Space for trades/technical education improvements
4. Improve childcare (SCCC) conditions – better location and entry and security – fully staffed – retain staffing
