At their meeting on October 17, the Board of Education accepted a very generous donation from the Shiocton Sportsman's Club. Mr. Jim Puls (right) presented the check for \$10,000 to Mr. Brad Ritchie, Board President (left). Of the funds donated, \$1,000 was earmarked for the Food and Toy Drive. The remaining funds will be used for upgrades to the playground equipment.

The School District of Shiocton would like to thank the members of the Shiocton Sportsman's Club for their very generous donation, as well as the many community members who attended the event.

On October 29, Ava Lorenz competed in the State Cross Country Championship meet held at Ridges Golf Course in Wisconsin Rapids. Ava was one of 149 runners; she completed the run with a time of 21:33, earning her 67th place. Congratulations to Ava on her incredible accomplishment.

On Thursday, November 17, fans young and old flocked to Camp Randall Stadium to watch **your Shiocton Chiefs** compete in the Division 7 State Football Championship. This was the team's first return to State competition in nine years. The team fought hard through the snow and cold against a strong Eau Claire Regis team to bring home the silver ball.

Congratulations to Coach Pahlow and the entire Shiocton football team on their very successful season!

FACILITY STUDY: Review Results

Hoffman Planning, Design, and Construction completed the facility study and made preliminary presentations to the Board of Education in October. On November 7, Jody Andres of Hoffman made the first of two formal presentations to the Board. The formal presentation included a review of the priority matrix and printed drafts of what the current building and grounds might look like given the incorporation of these priorities. Estimated costs associated with the priorities will also be shared.

COMMUNITY INVITED

The community is invited to gather at the school to review the results of the facility study on **December 14 at 6PM**, or on **December 15 at 7PM**. We look forward to sharing the results with you soon.

COFFEE WITH COMMUNITY

Members of the community are invited to gather for coffee, conversation, and collaboration about our community and school.

NEWS FROM GRADES PK-6 OFFICE

December Greetings from the PK-6 Office!

Thank you so much to all of you who participated in conferences at the PK-6 level. We had a great turn-out, whether in-person, via Zoom, or by phone. Let's continue to maintain home-school communication, all throughout the year, in order to help our students have a positive and successful school year!

I want to note how proud I am of our students who transitioned from fifth to sixth grade and from elementary school to middle school this year. Overall, the sixth grade report cards were absolutely amazing! I have seen so much maturity and leadership thus far this year and encourage the students to continue aiming high and working hard.

For all grades, we are now in the midst of Quarter 2. We have been encouraging our older students to reflect on Quarter 1 and then to set goals for Quarter 2. Now would be a good time to check in on their goals and see how they feel they are doing.

Thank you so much to everyone who packed the high school gym to honor our area veterans during the Veterans Day program. Thanks also to everyone who helped make this year's program so special. We extend our thanks and gratitude to all the veterans within our community and beyond!

The high school Student Council Food and Toy Drive will be finishing up soon. Collections are continuing through December 9 for food and toy donations, personal hygiene products, baby products, paper products, and monetary donations for area families. As we know, this community is absolutely amazing! Thank you, in advance, for helping to make this season a little brighter for families within our community!

Middle school band and choir students, along with Mr. Yenor and Mrs. Leahy, are preparing for their Winter Concert on December 5. The concert will begin at 7:00 p.m. in the High School gym.

Elementary students and Mrs. Carlson are preparing for their upcoming Winter Concert scheduled for Friday, December 16. The concert will be held in the high school gym at the following times:

- Kindergarten-Grade 2 will begin at 12:45 p.m.
- Grade 5 Band will play at 1:45 p.m. during the intermission.
- Grades 3-5 will begin at 2:00 p.m.

During this time of year, may we take time to count our many blessings, appreciate all of the special people in our lives, and help those who are less fortunate. I wish you and your family a safe, healthy, and blessed month of December!

~Mrs. Kim Griesbach, PK-6 Principal

SHIOCTON LIONS CLUB

The Shiocton Lions Club is hosting a Senior Citizens Holiday Luncheon on **Thursday, December 15, 2022 at 6 pm** at the River Rail in Shiocton. After the meal, bingo will be played.

Please RSVP to Chuck Pluger by December 10, 2022 at 920-570-0864.

GRADE 1

Wow! November has come and gone already! We were so busy in first grade that the month flew by. We had many discussions on the meaning of Thanksgiving and what we are thankful for. We also created projects centered around the Thanksgiving theme.

This brings us to December. We have lots of fun and exciting activities planned for this month. One favorite will surely be our gingerbread man unit. We will read several versions of this old tale and compare the stories. No gingerbread unit would be complete without the actual making and baking of gingerbread cookies! Then comes the best part... EATING them! Yum! When we're done, we'll send home our recipe in hopes that you will enjoy baking these "magical" cookies, too, at home. Remember NOT to peek at the cookies when they're baking so none of your gingerbread men run away!

Our first graders are busy in music class preparing for their holiday program with Mrs. Carlson. We hope you will be able to join us on December 16th at 12:45PM in the High School Gym to hear our students present their holiday musical gifts.

As we enter the hustle and bustle of the holiday season, sometimes the routines of homework get set aside. Remember that the more your first grader reads, the better reader he/she will become. Please try to keep your nightly routine of reading and completing math homework intact. Thank you for continuing to be an active participant in your child's education.

GRADE 5

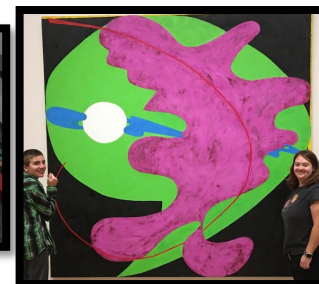

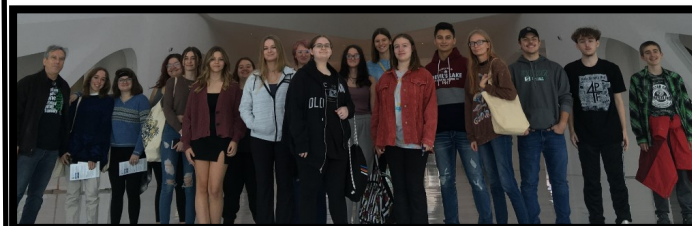

The fifth grade students have had some memorable experiences to start the school year. To go along with our first novel study, Hatchet, they visited the Shiocton Airport to see a plane like the one the main character flew. Students got to climb inside several planes to see how the controls worked. They also learned all about aviation - from the physics of flight to map reading and navigation. They even got to see a plane take off and land. Thank you to the Shiocton Flyer's Club for sponsoring this trip and volunteering their time!

Once again the 5th graders had a wonderful outdoor time at Camp U-Nah-Li-Ya. Students connected with each other and with nature during our three day excursion at camp. The following classes were part of the agenda: initiatives, canoeing, outdoor living skills, orienteering, climbing wall, and predator/prey. A few of the other preferred activities included trying their luck crossing the rope bridge, learning camp songs, playing field hockey and gaga ball, singing around the campfire, and of course, the famous skit night. Extra thanks to our chaperones and the school community for their continued support with the fundraisers that make this memorable experience a reality for all 5th graders!

ART CLUB

The Art Club and Mr. Greider's Advanced Art 3 students went on a field trip to the Milwaukee Art Museum on November 4, 2022. Students got to experience the museum environment featuring the beautiful building, which was designed by world renowned architect, Santiago Calatrava. The Milwaukee Art Museum has a wonderful permanent collection featuring artists such as Pablo Picasso, Andy Warhol, Wisconsin Artist Georgia O'Keeffe, Henri Matisse, as well as works from Early Egyptian, Greek, and Roman cultures. The featured exhibition was art work, mainly paintings and prints, from the Ashcan School also known as "The Eight" from the early 20th Century. The Ashcan School, mainly did works of the gritty streets and environments of New York City at the turn of the Century and featured American Artists: Robert Henri, George Luks, George Bellows, Maurice Prendergast, Everet Shinn, John Sloan, William Glackens, and Arthur B. Davies.

Shiocton High School band students performed for the Coffee with Community attendees in November.

HOLIDAY FOOD AND TOY DRIVE

WE STILL NEED YOUR HELP

Classes throughout the Shiocton School District are still competing to see who can collect the most items for this year's Food and Toy Drive. The winning classes will be rewarded with a special treat provided by Student Council. There is still time to help as the Drive goes through Friday, December 9.

We would like to thank everyone who contributes to this wonderful event! Each year we're able to accommodate more and more families thanks to this generous community!!

If your family is experiencing a financial hardship or if you know of a school family in need, please contact one of the following staff members right away so that we can add your name to the confidential list and spread some joy to your family this holiday season.

DIVERSITY AND INCLUSION

During the staff development day on October 21, the Diversity and Inclusion Committee was proud to again host Rayon Brown, Vice President for Diversity, Equity, & Inclusion and Regional Operations/CDO at Fox Valley Technical College. Rayon led staff in sessions to help create common definitions of diversity, inclusion, and equity. Creating definitions together that all staff can use will create a unified vision and understanding of what these important topics mean in our school.

The Diversity and Inclusion Committee looks forward to continuing these important conversations as we all work toward the common goal of making sure ALL students are learning in an inclusive and equitable environment.

WELLNESS COMMITTEE

Shiocton Wellness Committee is very excited to be promoting health and wellness again this year! Mrs. Ver Voort has resumed her strength training classes for staff on every Monday and Wednesday at 3:45PM and 6:00PM for the community. There will be 8:00AM classes offered on Saturdays for staff and community members as well. The staff can also participate in monthly challenges that encourage movement and healthy lifestyles. Additionally, the Wellness Committee has continued with staff surprises that boost morale across the whole district. Wellness is very excited to continue promoting health and wellness across the school and community for the upcoming year!

S.P.I.C.E.

KG-6 Students:

Kindergarten through 5th grade students continue to practice skills that make them respectful learners and friends. This month we are introducing Emotion Management. We will be discussing the different things that happen to our bodies when we encounter various feelings. We will also learn strategies that can help us cope with strong feelings, and calm our bodies down.

In Grade 6, we are discussing bullying. Students will learn how to recognize bullying, respond to bullying, and learn how to be an “upstander” in bullying situations.

7-12 Students:

Seniors:

Many universities have a late fall/early winter application deadline.

FAFSA (Free Application for Federal Student Aid) opened October 1 for families to start the application process for federal college financial assistance.

Local scholarships are open on the district website.

Juniors:

Schedule your Chief Chat now. Chief Chats are conferences with the student, counselor, and parent to discuss academic and career plans. Junior Chief Chats will run in November and December.

All students in Grades 8, 9, 10, and 11 will soon be bringing home course registration materials for the 2023/24 school year. Please review course options with your child, and then sign and return the registration form by the date indicated. Contact Mrs. Cornell with any course-related questions.

GIFTED AND TALENTED

Noetic Math Contest

On November 11, 123 students in Grades 3-6 participated in the 2022 Fall Noetic Math Contest. There are twenty problem solving questions on the test with varying degrees of difficulty. The students had 45 minutes to complete the test. Each question is worth five points. The highest percentage reached by a student in Shiocton Elementary so far has been 90%. We are still striving for 100%. We will share the winning grade level team and individual winners in the January edition of The Link.

Battle of the Books

Elementary, Middle and High School students are vigorously reading 20 books before Christmas Break for the 2022-2023 Battle of the Books competition. This is a statewide competition and each team battles with other teams from their level with various school districts throughout the state. Competition takes place during the final week of February 2023.

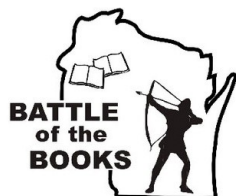

Spelling Bee

Grades 3-8 will soon be involved in the annual Scripps Spelling Bee. Teachers will give their students a copy of their word list in mid-November to take home to study and prepare for their classroom spelling bee. Each teacher will conduct a classroom bee by Friday, December 16. The top two spellers from each classroom will move on to the local Shiocton Schoolwide Spelling Bee to be held in the cafeteria starting at 1:00PM to 3:00PM on Wednesday, January 13, 2023, with an alternate date of January 14, 2023 at the same time and place.

LMC NEWS

Battle of the Books

Battle of the Books is a state-wide reading challenge sponsored by WEMTA (Wisconsin Educational Media & Technology Association) where students are asked to work in a team of 2, 3, or 4 students to read and answer questions about 20 different books. This year, twenty-eight 6th, 7th, and 8th grade students are participating in the Middle Level and five high school students are participating in the Senior Level of Battle of the Books. The Middle Level school competition will take place at the end of January to see which one of the nine teams will represent Shiocton in the state battle at the end of February. A mini-competition will determine which 4 of the High Schoolers will be competing at state and which participant will be the alternate.

Class Requirements

First class is mandatory. If you do not attend the first class, an alternate will take your place in the class. Maximum class size is 12 students for Spring 2023. It is recommended to begin the application and paperwork process at least one month before the first class date to ensure your spot in the class.

Get A Head Start

STEP 1: Pre-Application Form

Complete the [pre-application form](http://www.fvtc.edu/na) at www.fvtc.edu/na. An email will be sent, in 3-5 business days, to the email address you provide in the pre-application form.

- Please use the FVTC student ID, provided in that email, to sign up for Viewpoint Screening (a secure service FVTC uses to store clinical documentation)
- You will receive information on how to purchase the Health Portal & Background Check through Viewpoint Screening for a **non-refundable payment of \$60.**

STEP 2: Complete & Upload Health Information

Once you have registered for Viewpoint Screening and have ordered your background check, you will need to upload required health information into the Health Portal. The Health Portal contains detailed information and forms needed to complete the below requirements:

- Complete TB Testing—Requires 4 Visits
- Annual Influenza Vaccine (Required if class dates are from 11/1 through 3/31. Clinical sites have the right to require annual influenza vaccination past this timeframe.
- COVID-19 Vaccination
- COVID-19 Booster (if eligible)

Note: Some of these tests and immunizations require more than one visit. It may take up to 6 weeks to complete the health work needed to go to clinical, so starting those as soon as possible is recommended. Proof of documentation is required for all health work and can come from: Wisconsin Immunization Registry OR official documentation that includes your demographic information and dates of vaccines from your health care provider. The small card you may have been given does not satisfy the documentation requirement.

- STEP 3: Receive Registration Email & Register for Class** at any FVTC Location or online at www.fvtc.edu/takeaclass

STEP 4: Text Books

NA curriculum manual and NA Student Handbook are located within the course on Blackboard.
Purchase required textbooks at fvtc.ecampus.com

- STEP 5: Clinical Name Badge and Student ID** May be obtained at the Clintonville Regional Center
