### A Thank You to the Community

*Thank you!*

On Tuesday, April 6, twenty staff members had received their second dose of the COVID-19 vaccine. The following day, nearly 50% of those persons experienced an immune response that caused them to be ill, including many who were out of the classroom for one or more days.

On Wednesday, April 14, nearly 50 persons from the School District of Shiocton received their second dose of the COVID-19 vaccination. As we reviewed this data, it was apparent that we would not have sufficient staff to substitute for that level of staff absences. As a result, we opted to educate students via digital learning means on that Thursday and Friday. As I watched the absences being recorded in our system, my own included, it became apparent that the decision to educate students via digital means was the correct choice.

We know that “going digital” is not easy for our students nor for our parents. Many students learn more effectively in-person than on-line, and certainly, staying at home interrupts work schedules and routines. Despite this, there was strong support from our community for the digital learning days so as to give our educators the time they needed to work through their immune response. We greatly appreciate your support and wanted to say “**Thank You**” to everyone.

### TERRACYCLE RECYCLING PROGRAM

Our school has participated in the Terracycle Recycling Program for many years and the company has entered our district automatically into a competition to win raised gardens, picnic tables, and benches. The approximate retail value of the prize is \$10,400. Follow the link below and vote! No registration needed (they will need to verify your email address the first time) and you can vote once per day. Type Shiocton in the “You’d like to vote for...” box and wait a bit. It will autofill the school’s name and information.

<https://www.terracycle.com/en-US/contests/britameijer2021>

The link is verified and very easy to do. Voting is open until July so please vote as many days as possible!

### CHIEF CHATTER Springing Forward

March 20, 2021 was the official first day of spring. Despite the dipping temperatures and the return, albeit briefly, of snowflakes on the ground, spring has sprung and we are moving forward.

Forward as in the Forward Exam. Our learners are currently engaged in showing their knowledge and applying their skills as they complete the standardized tests in the various subject matter. Please continue to provide kiddos with a solid breakfast and lunch, as well as a good night’s sleep.

Forward as in spring athletics. Our student-athletes are enjoying a return to the mound, track, and greens after a full year’s absence. Kudos to all of those athletes and coaches who are returning to the dugouts, clubhouses, and starting blocks - we wish them all the very best as they seek to perform their best.

Forward as in special events. Each day we use the information learned and data gathered to guide our actions and offerings amid the continued pandemic. Collectively, we seek to give students a growing piece of “normalcy” while continuing the practices that have kept us healthy and safe for the past eight months. To that end, we look forward to Prom on April 24, as well as Senior Supper, an awards banquet, and Class of 2021 graduation - all in-person. We also look forward to end of year field trips and Camp U-Nah-Li-Ya.

Forward as in thinking ahead. Ahead to summer school, with free meals and robust course offerings. Ahead to summer training for student athletes. Ahead to the start of next school year and continued in-person learning. While none of us have a crystal ball nor an ability to predict the future with 100% accuracy, we can look ahead, think forward, and adjust our plans for future education as continued research, data, and information come our way over the course of the next few months.

Til next fall ... keep up the chatter ... keep up the Chief spirit. ~Mrs. Schweitzer

# NEWS FROM GRADES 7-12 OFFICE

I would like to start off by thanking all of our students, teachers, parents/guardians, and community members for making this year a success. There was a great deal of uncertainty going into this school year, but through a ton of hard work, we have been able to have in-person classes at the Middle School and High School almost every day throughout this year. I know that there have been fewer opportunities for parents/guardians to come into our building, but we have felt your support through our interactions with your children. I look forward to finishing this year strong and starting next year off just as strong!

The 7th-12th grade office has been busy lately as we prepare for the end of the school year. I want to share some important dates with everyone as graduation and our other end-of-year activities approach. For our seniors, we have the Senior Awards Banquet on May 26th. More information on who can/will be attending will be sent out in future communications. The Senior Supper will be held on June 2nd at the River Rail. That date, June 2nd, will also be the last day of classes for our seniors. Graduation practice is the morning of June 4th in the High School Gym. We will have limited number of guests in attendance for Graduation, so please watch for future communication on that as well. We hope for a strong end to the school year and with some fun along the way.

~Nick Ortlieb  
 7-12th Grade Principal

## Senior Events—Mark Your Calendar:

- Wednesday, May 26** Senior Awards Banquet
- Wednesday, June 2** Senior Supper; Last day of classes for Seniors
- Friday, June 4** Graduation Practice
- Sunday, June 6** Graduation

## SHIOCTON FBLA

Shiocton FBLA virtually attended the Wisconsin FBLA State Leadership Conference on Monday, April 12. They listened to three professional speakers talk about what it takes to be a good leader, interacted with a marketing executive from the Kohler Company, and learned about different leadership styles.

Congratulations to our two members, Colton and Kylie, who qualified for the FBLA National Leadership Conference! This conference was supposed to be held in Anaheim, CA this summer, but will be held virtually instead.

## SHIOCTON CHILD CARE CENTER

Greetings Members of the Shiocton Community,

With all the April showers, we are excited to see the May flowers bloom. New growth allows us the opportunity to teach young children about the life cycle and how seasons change from spring to summer. It is wonderful to use our environment as a learning tool. At the SCCC, we strive to help children learn actively through the world around them.

The SCCC is hiring a full-time assistant for the classrooms. If you are interested or can refer a person, check out the employment tab on the District website. If you have a passion for children and want to help children learn and grow, you would be an ideal candidate for this position.

As the director of the SCCC, I am excited that we will have the opportunity for additional grants to help us provide safe, healthy, and high-quality child care and fund staff recruitment and retention efforts through the Department of Child and Families. These grants will help us continue to maintain and enhance our quality level and recruit and retain high-quality staff.

I look forward to watching all children continue to learn and grow every day! Together we are one family, one school and one town!

Shellie Kosmerchok  
Director  
Shiocton Child Care Center

## KINDERGARTEN

The students in Mrs. Scott's class have been busy learning partners of 2 to 10 and writing equations and numbers. We have used Math Mountains and Tiny Tumblers, break apart sticks, The Night Sky, and more to help us gain a better understanding of partners. We have also been learning about 3D shapes and had a chance to make them with play dough and toothpicks.

## GRADE 2

April showers bring May flowers! It is hard to believe it is the month of May already! This school year seemed to fly by! Even though the end of the year is fast approaching, we still have a lot of learning to do! Let's finish the year strong!

On May 27, we will be going on a VIRTUAL FIELD TRIP or two! Each 2nd grade class will vote on the adventure(s) that they want to go on during that day. We will eat lunch in our classroom (cold lunches or hot lunches are fine), while we take our learning outside of our school walls. We might be traveling around the world to see animals, coral reefs, or maybe inside of a factory or museum. There are so many places we can go and we don't even need to get on a bus.

May also brings a fun time in 2nd grade where we explore economics in Social Studies. We will be enjoying "Busy Business Day" on Friday, May 28th. It is a wonderful opportunity for students to learn how to be consumers and producers within a business setting. In this unit, second graders will learn the difference between products and services, and participate in an authentic learning experience as producers and consumers. The students will act as consumer by spending the "money" they have earned. They will also act as producers and open a business to earn more money. Before the big day they will need to think of ways to advertise their product/service, decide on a cost of their product/service, and make sure they have all the necessary supplies to run their business. Then each student will get to sell their products/services to their peers on May 28. These businesses will be set up within our classrooms and the shoppers will be their peers. Our little entrepreneurs will get to spread their wings and see what it feels like to run their own business!

~Ms. Schmidt, Ms. Sauer and Mrs. Otto

## GRADE 4

Fourth graders are fantastic at fractions, after studying them for two units! We have learned to add, subtract and multiply them, and compare them in numerous ways. We have also related them to decimals and improved our understanding of decimals. Now we will wrap up our fourth grade math learning with an in depth study of geometry.

During the whole fourth quarter, we have also been studying the authors' writings and learning how to read their stories closely. We have been pushing our thinking to develop new understanding about life lessons. Then we wrote literary reviews or opinion essays on these stories and the lessons learned from them.

Fourth graders have also been studying what it means to be a good steward of the earth. We have been focusing on the 3 R's: reduce, reuse and recycle. On Earth Day we took care of our own little corner of the world and participated in a school grounds clean up.

## PIANO AND GUITAR RECITAL

The Piano and Guitar Recitals for Mrs. Ritchie's students will be held on May 8 at 10:00AM and 1:00PM and also on May 9 at 2:00PM in the cafeteria at school. Mrs. Carlson's guitar students will also be performing.

Due to restrictions from COVID, there will be no refreshments, just wonderful entertainment! We will be recording the performances and sharing them with the families of the students so they can share them with other family members who are unable to attend.

For details about the performers in each recital contact Mrs. Ritchie or watch the school Facebook page.

~Mrs. Ritchie

## LMC NEWS

May is Get Caught Reading Month! Enjoy a book and get caught reading!

The last day for students to check out books will be on Friday, May 21. All school library materials are due back by May 28 and any fines for lost or damaged materials should be taken care of as soon as possible. Students may view their library accounts including what they have checked out and fines they may have incurred by signing in to [Destiny](#), our library catalog. For help using Destiny, please see the link to [Destiny Tutorials](#) on the LMC page of the website by clicking on the book icon or by selecting "Departments and Services" in the menu and then selecting "Library Media Center".

## S.P.I.C.E.

*"Keep your face always toward the sunshine and the shadows will fall behind you" ~ Walt Whitman*

As we near the end of our school year, we look forward to the sunshine and all of the spring and summer activities that await us. Though this year is an unusual one in that we were unable to host many activities, S.P.I.C.E. is proud to say that we were still able to provide assistance to the staff and students in the Shiocton School District.

### S.P.I.C.E. Board Elections to be held at our May meeting:

We have two S.P.I.C.E. Board positions up for election at our May 2021 meeting.

~Secretary Position—This is a 2 year term beginning in June 2021

~Vice Chairperson Position—This is a 2 year term beginning in June 2021

### Available Committee Positions:

We also have committee chair positions available for Book Fair, Cookies with Santa, Movie Nights, and Funset Boulevard Family Night.

### Other Volunteer Positions:

As always, we cannot make our events work without our many parent/family volunteers. We are so thankful for our continuing volunteers and are always welcome to have new faces join us as well.

Remember, the opportunities that we provide to the school community and your children can only happen with your continued support!

Our spring book fair gave us all a taste of what we have been missing this year, the ability to get together. Whether it be to see your family, visit friends, or participate in a school activity, *we've missed you* and can't wait to see your smiling faces!

Please join us for our next **IN-PERSON** meeting at River Rail on Wednesday, May 5, 2021 at 6:00PM.

The second grade enrichment students read the book *My Father's Dragon* by Ruth Stiles Gannett and absolutely loved the story of Elmer rescuing the baby dragon from the jungle animals who were very cruel to the baby dragon. The theme was good overcoming evil in a very clever and engaging way!

## **NATIONAL TAKE A WALK DAY**

Members of the Shiocton staff walked the track on April 7th to celebrate National Take a Walk Day.

**Sat: 7:00-11:00am**

## **Notes from the Nurse**

What a year! Again, thank you all so much for going the extra mile so that the School District of Shiocton could be open ALL YEAR through a pandemic. The staff here at the school could not have done this without the help of all the students and their families. Every time you kept your child home while they were ill, every time you got them tested, and every day that they wore a mask is exactly how the school was able to safely stay open. I can honestly give you all a huge THANK YOU from the teachers and staff from the Shiocton School District for doing what you needed to do to keep everyone here safe and healthy.

### **Vaccination Update:**

Coronavirus vaccines are now available in the state of WI for all individuals aged 16 and older. These vaccines are effective at protecting you and your loved ones from getting sick. Based on the most recent research from the CDC, individuals who have been fully vaccinated can start to do some thing that they had stopped during because of the pandemic. After you've been fully vaccinated against COVID-19, you should keep taking precautions—like wearing a mask, staying 6 feet apart from others, and avoiding crowds and poorly ventilated spaces—in public places until more is known.

**WOOHOOO WE DID IT  
THANK YOU  
EVERYONE!**

Individuals over the age of 16 are considered to be fully vaccinated 2 weeks after the vaccine dose/s has been completed. According to the CDC once you are fully vaccinated and you've been around someone who has COVID-19, you do not need to stay away from others or get tested unless you have symptoms. You should still watch out for symptoms of COVID-19, especially if you've been around someone who has been sick. If you develop symptoms you should get tested and stay home and away from others.

There are many places that are administering vaccinations. I have included this website to assist you in finding a place most convenient for you.

<https://vaccinefinder.org/>

There are many other benefits to receiving the COVID-19 vaccination as well. To review these in real time, visit the following site.

<https://www.cdc.gov/coronavirus/2019-ncov/index.html>

As always, call or email me with any questions or concerns.

~Amy Austin, BSN RN

## **SPRING SPECTATOR GUIDELINES**

As we head into the spring season for high school athletics, we will be having COVID guidelines for all spectators attending Shiocton events. We will not be limiting the amount of spectators at our home events. We highly recommend all spectators to be masked at our events, as well as maintain social distancing of a minimum of 6 feet between non-household spectators. We appreciate your willingness to adhere to these precautions for the safety of our players, coaches and officials.

**SHIOCTON  
ATHLETICS**

**GO CHIEFS!**

## **SHIOCTON ATHLETICS WEBPAGE UPDATE**

The continued success of our athletic teams at Shiocton High School is of great importance and a strong source of pride for us. To help spread this pride, we have changed the look of our Athletics Page to help keep our community updated on what is going on with athletics at Shiocton High School. You can find the Athletics Page located under Departments and Services. Every sports page has been updated with the current coaches, a season pre-view/review, and a schedule for the sport on the right hand side of the page. We also have included a resources section on each sports page. This section includes links to rosters, statistics, results, and booster club websites. We hope you enjoy the changes and we look forward to this helping you keep up with your favorite sports teams!

# Counselor's Corner

K-6 School Counselor—ext.

## K-6 Students

For Grades K-4 we are continuing work in Unit 2 of our Second Step program, "Emotion Management". During our classroom lessons, we will be discussing how emotions affect our bodies, ways to calm down, and how to manage our emotions. We will also enter Unit 3 to discuss problem solving skills.

Grade 5 is still working hard in their ACP (Academic Career Plan). They are reflecting on their hobbies, skills, interests, and how those help us determine "good fit" jobs and careers for their future. All 5th graders will participate in a "Chief Chat" this month to discuss expectations and questions regarding 6th grade. Parents/guardians are encouraged to attend these meetings via Zoom or by phone. If you haven't yet, please call Mrs. Kern to schedule your child's Chief Chat.

Grade 6 has started working in "Xello", our schools ACP (Academic Career Plan) program to get students on track for future education (or work) plans here at Shiocton and after graduation.

## 7-12 Grade Students

**Seniors:** Plan to attend the Senior Awards Night at 6:30PM on May 26. Please notify Mrs. Howard if you have a non-local scholarship that you would like announced that evening.

Please notify Mrs. Cornell by June 1 if you would like a college to receive your final transcript.

**Juniors:** Please see Mrs. Cornell if you are interested in scheduling online virtual visits with college campus admission advisors.

**8th Grade:** Parents please schedule your Chief Chats now. Chief Chats will run in May and June.

All 7th and 8th grade students have Academic and Career Plans started in Xello. Students can login to their Xello accounts at home and show parents their career matches and favorite occupations saved into their accounts.

# Title I Corner

Mrs. Jorgensen

**Critical Thinking Skills**

- 1 Observation**  
The ability to notice and predict opportunities, problems and solutions.
- 2 Analysis**  
The gathering, understanding and interpreting of data and other information.
- 3 Inference**  
Drawing conclusions based on relevant data, information and personal knowledge and experience.
- 4 Communication**  
Sharing and receiving information with others verbally, nonverbally and in writing.
- 5 Problem solving**  
The process of gathering, analyzing and communicating information to identify and troubleshoot solutions.

indeed career guide

## May's Character Trait

### ASSERTIVE

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

### TIPS:

- Model Assertiveness
- Respect and praise when children are being assertive
- Teach/use "I messages" (I feel \_\_\_ when \_\_\_, I would like you to \_\_\_)
- Help children decipher between passive, aggressive and assertive responses

## UPCOMING DATES TO REMEMBER

May	Forward Testing for grades 3-8 and 10
May 5	ACT Aspire testing for grades 9 and 10
May 7	NO SCHOOL; Professional Dev Day
May 26	Senior Awards Night 6:30PM
May 20	Wellness Walk (May 25 rain date)
May 31	NO SCHOOL; Memorial Day

**NAMI Fox Valley**  
National Alliance on Mental Illness

be kind.

Are you a parent or caregiver who provides care for youth (ages 22 and younger) who are experiencing mental health symptoms? NAMI Fox Valley has a great opportunity for you to gain information, build skills, and learn about resources to help you in your journey!

Consider joining us for NAMI Basics OnDemandPlus!

As a participant, you will be responsible for watching 6 video class sessions online on your own time over the course of 6 weeks, and joining us for 3 facilitated Zoom discussion groups over that time in which you will be able to make connections with other local parents & caregivers, discuss what you are learning in the class, and learn about local resources and support! The discussion groups will be facilitated by individuals who have their own lived experience -- they know what you're going through because they've been there.

Register for the program by April 22 to receive information on how to view the six videos, and then participate in the discussion at the following meetings via Zoom:

- Thursday, April 29, 2021, from 7-8 PM (videos 1 & 2 will be discussed)
- Thursday, May 13, 2021, from 7-8 PM (videos 3 & 4 will be discussed)
- Thursday, May 27, 2021, from 7-8 PM (videos 5 & 6 will be discussed)

The class and groups will cover the following topics, among others:

- Managing crises, solving problems and communicating effectively
- How to take care of yourself and handle stress
- Developing the confidence and stamina to support your child with compassion
- Advocating for your child's rights at school and in health care settings
- Learning about current treatments, including evidence-based therapies, medications and side effects
- Gaining an overview of the public mental health care, school and juvenile justice systems and supporting resources to help you navigate these systems
- Understanding the challenges and impact of mental health conditions on your entire family

Want to join us or have any further questions? Please contact NAMI Fox Valley's Family Program Coordinator Vivian Flanagan at [vivian@namifoxvalley.org](mailto:vivian@namifoxvalley.org) or (920) 740-3499.

## GIFTED AND TALENTED ENRICHMENT SERVICES

~Wendy Pfundtner (Grades K-6) 920-986-3351 ext. 727 or [wpfundtner@shiocton.k12.wi.us](mailto:wpfundtner@shiocton.k12.wi.us)

### Scripps Spelling Bee Regional Awards

In the Regional Scripps Spelling Bee, Morgan Oskey (8<sup>th</sup> grade) placed 8<sup>th</sup>, receiving a medal and Lana Arneson (6<sup>th</sup> grade) placed 13<sup>th</sup> receiving a ribbon. Both young ladies rose to the challenge of not only spelling words correctly, but knowing their various definitions. Again, congratulations Morgan and Lana!

Lana Arneson with Regional ribbon and certificate.

Morgan Oskey with Regional medal and certificate.

### Current GT Events:

- Spring Noetic Learning Math Contest – (Grades 3-6) began on April 8<sup>th</sup> and the window will close on April 22<sup>nd</sup>. The results will be shared in next month's Link.
- CogAT (Cognitive Abilities Test) Screening for all second grade students starts on Monday, April 19<sup>th</sup>-21<sup>st</sup>. The students scoring in the top 10% will continue testing further at a later date. The CogAT test is one of the pieces used for Enrichment identification in various subject areas.

### Battle of the Books

Our BOB team's final battle score was 285 with 12 out of 15 tie breaker points. This year's team has been included in the 200 Club. I am proud of all the students who participated this year! I believe the contest is important, but the most important part of BOB is that students are introduced to quality literature, read a variety of genres, enjoy the books they've read, have opportunities broaden their vocabulary, discuss each of the book's plots, characters and themes. The students grow in their knowledge by asking higher level questions, making connections and working together as a team. As with all books, some resonate with the reader more than others.

Last and this year's BOB team and participants celebrated together on Friday, March 26, 2021 with a pizza party, beverages and ice cream while watching the Disney version of The One and Only Ivan.

BOB participants 2021 with ribbons and certificates: Left to Right: Addy Zschaechner (6<sup>th</sup>), Emily Becher (6<sup>th</sup>), Devin Biese (5<sup>th</sup>), Colt Baker(5<sup>th</sup>), Vinny Higgins(5<sup>th</sup>), Bailey Riehl, (5<sup>th</sup>),Eden Marcks (6<sup>th</sup>) (Not pictured Ryan Meek (5<sup>th</sup>))

BOB team 2021 with pins, ribbons and certificates: Left to Right: Brynn Johnson(4<sup>th</sup>), Charlotte Leeman(4<sup>th</sup>); Lincoln Volkman(4<sup>th</sup>), Mariah Dawes(4<sup>th</sup>) and Lola Nelson (5<sup>th</sup>)

### College Day for Kids ~ UW Stevens Point

Sixth and Seventh grade students (who missed out last Spring when we were quarantined) will be participating in a virtual UWSP College Days for Kids, Friday, April 16<sup>th</sup>. The following students signed up to participate:

**7<sup>th</sup> Grade: Hannah Widmann and Kailee Suprise**

**6<sup>th</sup> Grade: Lana Arneson, Shawn Bergman, Ruby Foesch, Callista Freeman, Ella Griesbach, Kenadie Lerch and Kennedy Samz**

## SUMMER SCHOOL: FREE MEALS, LIBRARY PROGRAM

Thank you to everyone who participated in the survey earlier in April regarding interest in free meals before and after summer school, as well as the Shiocton Public Library's summer reading program. We received strong feedback that there is an interest in both the free meals and in the reading program, especially if it is held on school grounds.

### Next Steps

Once summer school registration closes and students are assigned to classes, another survey will be sent out for parents to confirm their child(ren)'s participation in one or both of the free meals. At the same time, we will provide more information regarding the summer reading program offered by the public library, and information on how to sign-up.

Thank you again to all who participated in the survey. Your feedback will guide our efforts this June.
