

PROCEDURES FOR SCHOLARSHIPS.

The Guidance Office has compiled this list of scholarships and Financial Aid information. **Read the daily school announcements located on the Guidance Bulletin Board for additional scholarships throughout the year.**

As Scholarships arrive we will have a copy of them in the Guidance Office and on the District website (www.shiocton.k12.wi.us) (enter high school, then counselor corner). When you have found the ones you are interested in (by looking in this scholarship packet) please make a request with Mrs. Boelter on a designated form. A copy of the scholarship will be made available to you when we receive them in our office. The form is located in the front cover of the scholarship binder in the pupil service waiting area.

Currently many scholarships do not have a deadline next to them, which means we have not yet received these scholarships in the mail but have in the past. There will be a constant updated master copy of your packet in pupil services on the counter and the webiste. This is not to be removed from pupil services but is a way for you to see what scholarships have arrived in our office.

There are many scholarships listed in this booklet, if you don't apply you will never know if you may have received one.

Also keep in mind that the listed deadline dates are only approximate and may change from year to year. These dates are very important when applying for a scholarship. Do not wait until the last minute.

Please fill out ALL forms accurately and neatly. If you can't do this now it shows the scholarship committee that you may not be able to do it in college. Appearance means a lot and so does behavior.

Finally turn in the scholarships to the designated areas that the application states and make sure you turn in the Shiocton Scholarships to Mrs. Boelter or me. **IF YOUR SCHOLARSHIP IS NOT IN BY THE DEADLINE DATE I WILL NOT COME LOOKING FOR YOU TO REMIND YOU. THIS IS YOUR ONLY WARNING.**

For those of you taking ACT/SAT's the

Shiocton High School Code is: **502-110**
