District Staff Recognized for Years of Service

During their first day of Back-to-School in-service, staff members were recognized for reaching benchmarks in their years of service in education with the district. Pictured above are: [back row] Harley Griesbach (5), Shari Griesbach (5), Bill Greider (25), Dannielle Kern (5), Sue Cismoski (5), Rob Hendrickson (20), Corie Lembke (5), Marcia Spaulding (10), Ben Prodell (10), Colleen Ninneman (5), Amy Guyette (10), Kelly Thiel (5), and Lisa Fletcher (20); [front row] Jeannie Otto (30), Sadie O'Brien (20), Johanna Funk (35), and JoAnn Sutton (5).

The **Annual Meeting** for the School District of Shiocton will take place on **Monday, September 27 beginning at 6:30PM** in the school library.

The purpose of this meeting is to review the financial for the FY 21 and set the budget for the 21-22 school year.

All community members are welcome to attend this meeting.

REMINDER:

School doors open at 7:40AM beginning September 1.

CHIEF CHATTER

And We're Off ...

... to a GREAT start! On Tuesday, August 24, we welcomed over 125 teachers, paraprofessionals, and support staff as we kicked-off the 2021-2022 school year. We celebrated the many staff that are returning and some incredible milestones that reflect dedicated service to the youth of our community. Too, we welcomed several new members to our educational family. As a whole, our district's educational team is strong, committed to educating all of our students with compassion, care, and an expectation that all can achieve.

As part of our return, we talked of our plans to replicate last year: all grades, all day, every day for 179 days of in-person learning. This is the goal that we will consistently work towards, analyzing data both local and that from surrounding districts, as well as at the county and state levels. Our mitigation strategies will reflect the data we are experiencing, as well as that which we must be concerned about. To that end, a few reminders:

- Be prepared for increased mitigation strategies, including changes to our face covering and quarantine practices. While we hope that transmission in our student population will be minimal, we know that there is a chance for a wider transmission to occur as we all return to the classrooms. In such an event, we may find it necessary to implement additional strategies
- Be sure to send a mask with your child in the event that a need arises in the learning environment for its use
- Face coverings must be worn on the bus and other district transportation as per the CDC Order

Our goal is simple: 179 days of school, in-person, for all students and staff – and, just like last year, we will monitor the data and take the steps we need to in order to meet this goal; we'll do our very best to keep you all in the loop.

~Mrs. Schweitzer

NEWS FROM GRADES 7-12 OFFICE

Greetings School District of Shiocton Families and Community Members,

This is the 7th-12th Grade Principal, Mr. Ortlieb. I am very excited to be able to reach out to all of you as we get closer to the start of the 2021-2022 school year. Our team in the Middle School/High School Office has been putting in a lot of hard work to help make the coming school year a success. I am beyond happy that I will be able to work with our students as they re-enter our building in just a few short weeks.

For those who have not had the chance to get to know me, particularly our incoming 7th grade families, I want to tell you a little about myself and the style I use as a building principal. First, I believe that the most vital thing we can do to make our educational system work is to build relationships with our students. I do my best to frequent classrooms and talk directly with students throughout the day. Second, I believe in a fair and consistent approach when working with students on behavioral expectations. In short, I expect that all students treat each other, themselves, and staff members with respect. This means they should conduct themselves as if they are in a professional working environment. This will help our Middle School students prepare for High School, and our High School students prepare for life after school.

I would also like to take the opportunity to inform community members about some upcoming dates for the 2021-2022 school year. Homecoming this year will be held on September 24th. There will be no school for students on October 4th for a Professional Development Day. Our Parent/Teacher Conferences will take place on October 20th and 21st. There will be another no school day in October on the 22nd due to another Professional Development Day for staff. The end of the 1st quarter grading period will be on November 5th.

If you have any questions or need any information on the happenings here in the Middle School/High School Office, please reach out.

Thank you,

Nick Ortlieb
 7th-12th Grade Principal
 School District of Shiocton

EDUCATIONAL NOTICES:

The School District of Shiocton provides you a “one-stop-shop” for all of the required educational notices at:

<https://www.shiocton.k12.wi.us/district/educational-notices.cfm>

School District of Shiocton’s App

Are you looking to stay informed with activities that are happening at the School District of Shiocton? Activities from school sporting events, to organizational reminders, and school cancellations are sent through the School District of Shiocton’s mobile app. If you are looking to stay “in the know”, download the District App.

SHIOCTON ATHLETICS BROADCASTING

Shiocton Athletics will be broadcasting all of their home events on NFHS Network this year. Games can be viewed live and will be archived for people to watch after the game has concluded. The link to our school page can be found here: https://www.nfhsnetwork.com/schools/shiocton-high-school-shiocton-wi?fbclid=IwAR3HORjQ53Te-cdNrql1m9YjWIMAig1UjIOYT7hwX_x4oqW6Ey6LG2uqr9g

NFHS Network requires a subscription to watch their live stream. Once a subscription is purchased, you can view all events from any school using NFHS Network. All of the WIAA State Tournaments are also broadcasted on NFHS Network. Information on the NFHS Network Subscription can be found here: <https://www.nfhsnetwork.com/subscribe/retail?fbclid=IwAR0UwLVgh0PP2cYhS08kUt5inCg2fjmbp12ggH4ez1vmiUDkPaxfwanphKo>

The Shiocton Athletic Department will also be making an effort to live stream our indoor events on the Shiocton School District Facebook page throughout the year.

GO CHIEFS!

LEGAL NOTICE

ANNUAL MEETING

SCHOOL DISTRICT OF SHIOCTON

NOTICE is hereby given to qualified electors of the School District of Shiocton which includes the Village of Shiocton and (in part or all of) the Towns of Black Creek, Bovina, Center, Deer Creek, Ellington, Liberty, Maine, and Maple Creek of the Annual Meeting for said School District shall be held in the library of the school building in Shiocton on **Monday, September 27, 2021, beginning at 6:30PM.**

Copies of the Annual Report will be available at the School District Office. Upon request, copies will be mailed to interested persons.

Dated this 1st day of September 2021:

David Gomm, Clerk
School District of Shiocton

Early Childhood Screening Information

By age 3, most children:

- * are understood by family 75% of the time
- * speak in short sentences
- * answer simple questions
- * understand most things said to him/her
- * enjoy listening to storybooks
- * begin to play with other children
- * enjoy helping adults
- * match primary colors
- * dress self with help
- * walk up and down stairs; one foot per step
- * pedal a tricycle
- * snip with a small scissors
- * draw lines with a crayon

By age 4, most children:

- * speak clearly; are understood most of the time
- * use language to express emotion
- * frequently ask questions and demand a response
- * participate in rhyming games
- * talk about pictures in a book
- * enjoy pretend play with children
- * can point to at least four colors
- * catch a large ball tossed to them
- * know full name, age and gender
- * cut paper with a scissors
- * jump forward or over an object
- * draw a circle
- * rote count to 10 and count 1,2, or 3 objects

Early Childhood Development Days

* Free Developmental Screening for children 3 to 4 years old and not currently attending 4K during the 2021-2022 school year for Shiocton School District Residents.

* Areas assessed include Communication, Personal-Social, Motor, and Academic Readiness.

* Contact Rose Stingle, Special Education Secretary to set-up an appointment:

Notes from the Nurse

Welcome back to school! I missed all the students so much over the summer. We are looking forward to getting back into the swing of things. A few things to know regarding our COVID guidelines for the start of the school year:

- *Please keep your child home if they are displaying symptoms of COVID-19 unless they have tested negative.*

⇒ How do I know if I should keep my child home?

- If your child has 1 of the following symptoms:
 - Fever greater than 100.0 F
 - New loss of taste or smell
 - Cough—new or uncontrolled
 - Shortness of breath/difficulty breathing
- If your child has 2 or more of the following symptoms:
 - Muscle or body aches
 - Congestion or runny nose
 - Fatigue
 - Sore throat
 - Chills
 - Headache
 - Diarrhea, nausea, vomiting

⇒ If you send your ill child to school with the symptoms above, they will be sent home and a COVID-19 test will be recommended.

- Hand hygiene and respiratory etiquette will be highly encouraged while the students are in school. This includes reminders to cough into elbows and washing/sanitizing hands frequently.
- Rooms will continue to be sanitized frequently, as was done last year as well.
- Face coverings at this time will be optional for all students and families. This will be monitored closely and could change depending upon the spread of COVID-19 that occurs in the school. **Everyone** will need to do their part to keep this possible. Encourage one another to keep our school as healthy as possible. On average, one person with COVID-19 can spread it to 7 other people. This will be close to half of your child's class. Please do your part.

The COVID-19 vaccination is an important component of infection control and mitigation. DHS encourages anyone attending school this year to get vaccinated for COVID-19 if they meet the criteria to do so. Please be in contact with your child's medical provider to discuss what is best for your child and family. If you need any assistance finding a location to get anyone in your family vaccinated, please reach out to myself. I am always happy to help!

As always, know that you can reach out to myself or the offices if you have any questions or concerns. This is a time of many different opinions regarding COVID-19 and we all appreciate your kindness and support as we try to navigate through this situation. We are all in this together!

~Amy Austin, RN BSN

FIELD GOAL CONTESTS COMING TO VARSITY FOOTBALL GAMES!

Attend select varsity football games this fall and you could have a chance to win money for you and our school with the Wolf River Community Bank Field Goal Contest!

To enter, take a complimentary ticket from a Wolf River Community Bank staff member at the game entrance. One randomly selected contestant will kick either a 35-yard field goal with the chance to win \$1,000 (\$500 to the contestant, \$500 to the school district) or an extra point with the chance to win \$100 (\$50 to the contestant, \$50 to the school district).

Field Goal Contests will be held at halftime during the following varsity home games:

August 20th @ 7 PM vs. Bonduel

September 3rd @ 7 PM vs. Amherst

September 17th @ 7 PM vs. Weyauwega-Fremont

Thank you to Wolf River Community Bank for hosting this wonderful opportunity.

COMING TO SHIOCTON VARSITY GAMES:
August 20 @ 7 PM vs. Bonduel
September 3 @ 7 PM vs. Amherst
September 17 @ 7 PM vs. Weyauwega-Fremont
Visit wolfriverbank.com for details.

School Year 2020-2021

Dear Parent or Guardian:

We are committed as ever to the academic success of all of our students. The School District of Shiocton needs your help to make sure all of our students are fully prepared for academic success. We all know that hungry children have a more difficult time doing their best work. That is why we encourage all students to begin the school day with a nutritious breakfast.

The School Breakfast Program is available to all students to purchase every school day from 7:30 a.m. - 7:50 a.m. You do not have to register your child in advance. Your child can eat breakfast at school every day or occasionally. School breakfast makes good sense-it provides ¼ of your child's nutritional needs, meets Dietary Guideline recommendations, and offers children a chance to

eat breakfast with their friends.

School Breakfast is an ideal solution on busy mornings when kids are running late or parents have to be at work early. Oftentimes, kids are not hungry when they first wake up, but are ready to eat when school begins. Whatever the reason, if breakfast at home is not convenient, please have your child take advantage of breakfast here at school. Studies have shown that children who eat a nutritious breakfast have better behavior, better attendance, and improved test scores.

Thank you for helping us to make sure that all of our students start the day alert, well fed and ready to learn.

Sincerely,
Debra Danke
Nutrition Program Director

Follow us 😊

SUMMER PIANO/GUITAR LESSONS

We just finished a successful summer season of lessons. Thanks to all of you who worked hard to keep moving ahead. It was an enjoyable group of students and very relaxing in a calm school environment.

I'd like to thank the janitorial staff for working around us. They are so considerate with their cleaning schedule and Bart keeps me informed on any areas that will impact my students whether it is getting in or out or finding restrooms for us to access. We have a wonderful support staff!

I'll be working on the fall schedule as soon as we get back in school for a full week. Best of luck for a wonderful new school year!

~Sally Ritchie

SCHOOL DISTRICT OF SHIOCTON ANNUAL NOTICE OF SPECIAL EDUCATION REFERRAL AND EVALUATION PROCEDURES

Upon request, the School District of Shiocton is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluated all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child's parent that the referral will be made.

Other, including parents, who reasonably believe a child is a child with a disability may also refer a child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting:

Kelly Thiel; Director of Special Education, at (920) 986-3351 ext 773, or by writing at N5650 Broad Street, PO Box 68, Shiocton, WI 54170

2021 Required Notice of Youth Suicide Prevention Resources

More youth suicide prevention resources are available at: <http://dpi.wi.gov/sspw/mental-health/youth-suicide-prevent>

Youth Suicide Prevention Resources Are Available

To get updated information on suicide prevention, intervention, and postvention resources, visit [DPI's website](#). There are downloadable documents on suicide prevention requirements in state law, a fact sheet on youth suicide, and a suicide prevention curriculum. It also includes a variety of resources for gatekeeper training for all staff. Other resources include strategies on suicide interventions, memorial suggestions, and other topics.

Know the Signs

Suicide doesn't usually happen out of the blue—most often, there are warning signs for others to see or hear. Get the **FACTs** and know the signs of suicidal thinking in your students, friends, and family members.

Feelings

- Hopelessness
- Rage, uncontrolled anger, seeking revenge
- Feeling trapped—like there's no way out
- Having no sense of purpose in life

Actions

- Acting reckless or engaging in risky activities
- Withdrawing from friends, family, society, and typical activities
- Increased use of alcohol or drugs
- Giving away prized possessions

Changes

- Decline in quality of schoolwork
- Dramatic mood changes
- Anxiety, agitation, change of eating/sleeping habits

Threats

- Threatening/talking about hurting self

Suicide Prevention: Warning Signs

Suicide Is a Complex Problem

Multiple factors are involved when someone dies by suicide. Oversimplifying the reasons someone takes their own life is not helpful. For instance, saying bullying "caused" someone to end their life is not accurate. Not all bullying victims kill themselves. Research suggests many factors contribute to suicide. These include biological factors, precipitating factors, and triggering events. Examples of biological factors include mental illness or losing a family member to suicide. Precipitating factors include poor grades, attending an unsafe school, victimization, or family rejection. Crisis/triggering events include experiencing a major loss, humiliation, or bullying, and having access to lethal means. Suicide is a complex problem that is often misunderstood when oversimplified.

From: American Association of Suicidology (AAS) webinar January 2011.

Identifying the factors for disproportionate youth suicide risk is vital to prevention.

- Mental health issues: the most common mental illness leading to suicide is depression. It is also the most treatable!
- LGBTQ youth: the 2019 YRBS data showed LGBTQ youth were almost 3.5 times more likely to have thought about suicide, planned how to end their life, or attempted suicide than their non-LGBTQ peers.
- AODA issues: Binge drinking is highly correlated with suicide attempts. Ninety percent of people who died by suicide had some form of mental illness or an alcohol or other drug abuse problem.

Reducing access to lethal means can be very worthwhile. (see www.meansmatter.com)

- Limiting access to the means for suicide provides the most significant reduction in suicide rates. Most often, youth who attempt suicide use a gun or drugs kept in the home.
- Do not allow youth to have unsupervised access to firearms and certain medications. Encouraging safe and secure storage of all lethal means is a critical prevention strategy.

When youth are facing what they believe is a crisis and exhibit warning signs of suicide, be sure they are not left alone or sent home without supervision.

Important Resources

What can you do if you are concerned about a student?

Teachers and other school staff are well-positioned to observe student behavior and to **ACT** if there is a suspicion that a student may consider self-harm. Suicide is a permanent solution to a temporary problem, but for kids, their problems can seem endless at this stage. If we get them through the crisis, there is a 90 percent chance that they will never attempt suicide. ACT stands for **Acknowledge, Care, and Tell**.

A
C
T

Acknowledge feelings rather than minimizing them. Telling a student to "get over it" or "move on" is not a realistic outcome when dealing with a person with depression.

- "I'm sorry to hear about this. It sounds really hard."

Show Care and Concern for the student by taking the next step.

- "I'm worried about you. I don't want anything bad to happen to you or for you to be hurt."

Tell a member of your crisis team. They know how to work with students who have concerns like these.

- "Let's go talk with someone in the counseling office."

These steps (Acknowledge-Care-Tell) are central components of the "Signs of Suicide" program (SOS), an evidence-based schoolwide intervention program. SOS kits for middle school and high school are available through your local CESA. The law mandates schools to educate students on suicide prevention; see the laws handout on the DPI website for further details on the curriculum.

Common Concerns

What if I make a mistake? Can I be sued?

State law insulates all public and private school district employees and volunteers from civil liability for their acts and omissions when trying to intervene in a student's possible suicide. Lawmakers found it so important that adults take action when a student is suicidal that they protected those adults from any civil liability for their intervention efforts.

Does asking about suicide cause a student to attempt it? No. This issue has been thoroughly studied. By asking a student about suicidal intent, you are offering to help them. Please do your best to reach out to students.

Seeing Urgent Warning Signs? Here's What to Avoid

All children and adolescents can experience moodiness and will take time to ask life's big questions. Since they lack the perspective of time, they can become overwhelmed. The best roles for teachers are to support students, and if you see the suicide warning signs, use ACT. Some of the statements below might make perfect sense for students who aren't suicidal, but when kids are in crisis, these things can make it worse.

Here are some actions and words to avoid when you see the urgent warning signs:

Don't Shame

- "You've got to get over this. It's not a big deal."
- "Why are you so worried? Move on!"
- "You're too sensitive. Grow up!"

Don't Delay

- When you see urgent warning signs, get help right away, don't wait.

Don't Blame

- "If you wanted a better grade, you would have worked harder."
- "You've got no one to blame but yourself."
- "Maybe you should change your attitude if you want friends."

Don't Give Up

- Suicide is NOT a destiny—when people make it through the suicidal crisis, they usually go on to live healthy, productive lives!

Don't Do It Alone

- Consult other pupil services staff or administration to help.

Back-to-School for Teacher, Paras, and Staff

Tuesday, August 24 marked the start of the new school year for teachers, paraprofessionals, and other support staff members.

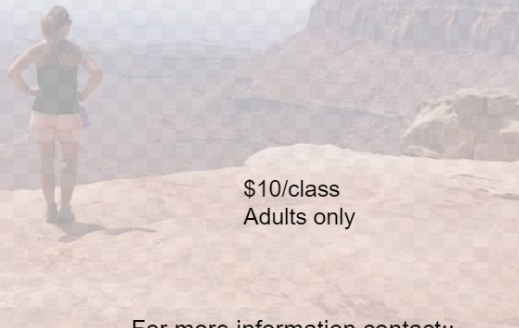

In addition to working in classrooms and meetings, staff members were treated to lunch, including brats and burgers as prepared by resident grill master, Mr. John Doro. The afternoon professional development session was dedicated to the viewing of Paper Tigers, a documentary on the trauma sensitive practices implemented by a school in Washington. Following the viewing, staff members participated in discussion regarding the strategies and techniques implemented and how this new knowledge can be applied to their instruction of students regardless of age.
