

**SHIOCTON CHILD CARE CENTER
CHILD CARE ASSISTANT PRESCHOOL TEACHER**

The Shiocton Child Care Center (SCCC) is assembling a pool of candidates to fill full-time child-care assistant teacher to serve in our three-year old classroom. Candidates will be working in a center helping young children through their developmental milestones. We are looking for enthusiastic individuals with a passion for working with children.

Qualified individuals will demonstrate an ability to follow directions of the lead teachers and support fun and interactive learning experiences while fostering independence and promoting the growth of the whole child. The individual will also demonstrate the ability to take the initiative to lead children and support age-appropriate educational activities, as well as infusing learning through play and social interactions. Must be caring and compassionate and relate well with children and families.

Health, dental and vision insurance are offered to full time staff. Additional benefits include district-sponsored professional development, holiday, vacation and sick pay, discounted child care rates and complimentary membership to Shiocton Fitness Center. Access to up-to-date technology and instructional resources are also benefits of working within our school-based child care setting. Participation in the TEACH scholarship program, a team atmosphere and friendly co-workers enhance the SCCC.

Candidates must be 18 years of age or older and should have:

- Experience in child care or teaching is preferred but not required.
- Demonstrated caring and compassionate nature with a passion for early childhood education
- Completion of or willingness to complete required education and training to be an assistant such as Fundamentals of Infant & Toddler Care, Introduction to the Childcare Profession (ECI), Skills & Strategies for the Childcare Teacher (ECII), Shaken Baby, and SIDS training.
- Candidates should be part of the Registry, or be willing to join.
- Experience with Wisconsin Model Early Learning Standards, Creative Curriculum, Handwriting Without Tears and other pre-academic instructional programs preferred but not required.

Interested candidates should send or email a cover letter, as well as a resume that includes three references' names and contact numbers to:
