

## May 14: Fine Arts Wing and Locker Rooms

**1. Thinking about the skills that are in demand, as well as looking to the future. What skills/knowledge should be taught in the new learning areas? What courses?**

Fine Arts Wing	Locker Rooms
Combine class and collaboration (interdisciplinary)	Individual showers
Music Theory, general music, history	Teaching offense defense (whiteboards)
Instrument access	Personal safety and security
Save time to allow teaching	Space to be organized
Choir practice room options	
Supervision	

**2. When envisioning growth for Band and Choir and programming, what priorities do you have for this project?**

Fine Arts Wing	Locker Rooms
Windows	Independent showers
Replace window with door	Equitability
Collaborate	Office space for PE teacher, Coaches, officials
Music Suite to be a shared space for teaching/practicing (Sally new configuration)	Size of Lockers (Team locker larger)
Ceiling heights (sound)	Storage
Acoustical panels	Custodial closet
Sound absorption	Smartboard
Minimizing sound travel	Double access points
Direction of projection to East (for Band) or South	Doors that
Sloping roof – lower on North side, taller on south side	
Sound Equipment storage	

**3. What will students need to be successful in the new learning environment?**

Fine Arts Wing	Locker Rooms
Smartboard	Team vs PE lockers
Recording system per room	Equal
Computer access	Benches, mirrors
Practice room equipped with digital access and devices	Conference room with Tech
Lockers for instruments	Coach office space – collaboration
Acoustical panels	NO pink tile
Risers (portable or stationary)?	

**4. Your Help...**

**a. We are seeking local businesses and community members to collaborate with in order to provide real-world experiences.**

**i. Are you aware of any businesses or community members? Please include contract name and number.**

<b>Fine Arts Wing</b>	<b>Locker Rooms</b>
Annie Priesler	Coaches
Kathy Isbill	Former Athletes
Sally Ritchie	

**b. How should the district be engaging the broader community regarding this project?**
