Bleacher Project received Financial Boost

Just before the turn of the new year, the Bleacher Fund, established by the Shiocton Gridiron Club in partnership with the School District of Shiocton, received a healthy financial boost in the amount of \$84,000.

The Shiocton Gridiron Club provided the District with a check for \$34,000.00. This donation was comprised of several outright financial contributions, along with funds raised through their annual

Shiocton Gridiron Club Banquet. Combined with an additional \$50,000 donation by Mr. and Mrs. Jim Vorland at the end of December, the Bleacher Project has enough funds to begin the project, which has an estimated total cost of approximately \$380,000.

How You Can Help

The Shiocton Gridiron Club is seeking to raise enough money to complete the project in time for the

start of the 2025 – 2026 Football season. You can help the Gridiron Club achieve this goal by making a financial contribution of any amount to the Bleacher Project. Donations, with a notation earmarking the funds as “Bleacher Project”, can be submitted to the School District of Shiocton at PO Box 68, Shiocton, WI 54170.

Officer VanBeek begins as PSL

Officer Cole VanBeek, a member of the Outagamie County Sheriff’s Department, has been selected to fill the role of district Police School Liaison Officer (PSL).

A trained Emergency Medical Responder (EMR) and volunteer fire fighter, Officer VanBeek feels his role as a law enforcement official is positively influenced by his emergency public service background. His law enforcement service is predicated upon his core values of professionalism, respect,

integrity, dedication and excellence. His previous experiences filling in for colleagues who are PSL’s in other school districts spurred his interest in the PSL position in Shiocton when Officer Alex Rubsam accepted a promotion within the Department in mid-January.

Officer VanBeek, or “Officer Cole” as he encourages kids to call him, is looking forward to combining his appreciation for education and the law with his passion for connecting with people.

Please give a warm Shiocton welcome to Officer Cole when you see him in the school, on the playground, and at upcoming events.

News from the PK—6 Office

Warm Winter Greetings from the PK-6 Office!

I am writing this in the midst of one of our coldest winter days and am wishing for warmer days ahead for all of us.

Once again, I would like to begin by thanking everyone who was able to contribute to the **Food & Toy Drive** this year. Due to your generosity, we were able to support nearly 30 school families this year. Thank you so much for your kindness and generosity again this year!

Thanks to all of you who were able to attend our **winter concerts** in December. The elementary, middle, and high school students involved in music, band, and choir, did a wonderful job again this year. A special thank you to Mrs. Carlson, Ms. Leahy, and Mr. Yenor for their coordination of these concerts. We look forward to the next performances coming up in February.

Congratulations to all of the students who participated in this year's **School wide Spelling Bee**. We wish all the best to this year's winner, Masyn V, and runner-up, Emersyn S, as they move on to the next round of competition. Best of luck to you at the Regional competition!

Since winter break, many of our PK-6 students have been working on goal setting and have been involved with all different kinds of mid-year testing. The teachers and I are so proud of the work our students have been doing and the perseverance they have been showing!

Enrollment for next year's **Four-Year-Old & Five Year-Old Kindergarten** programs will be held during the week of February 17-21. See more information within this edition of *The Link*.

The next round of **Conferences** is coming up on Tuesday, March 4 from 4:30-7:30 p.m. This is also the evening of the **Science/Health/Fine Arts Fair** which will be held from 4:00-7:00 p.m. We look forward to seeing all of the student art work, science displays and projects, health information, and musical talents!

Wishing you a warm and healthy month of February!

Mrs. Kim Griesbach, PK-6 Principal

In February of this year, an anonymous letter was sent to all Shiocton residents via the United States Postal Service containing a personalized viewpoint of several referendum topics. The author included data that was incomplete and misleading. As the School District of Shiocton continues to explore options to improve the school district programs, instruction, and facilities, it is important to provide our community with accurate information to encourage productive conversations concerning our future.

✖ MYTH The school district "organized their armies" to gain support for the February 2024 referendum.

✓ FACT It is the responsibility and duty of school board members and school district administrators to provide information to the community allowing our citizens to make an informed vote. The school district and employees are not allowed by law to advocate for either a yes vote or a no vote.

✖ MYTH The school district should budget differently to address all maintenance needs.

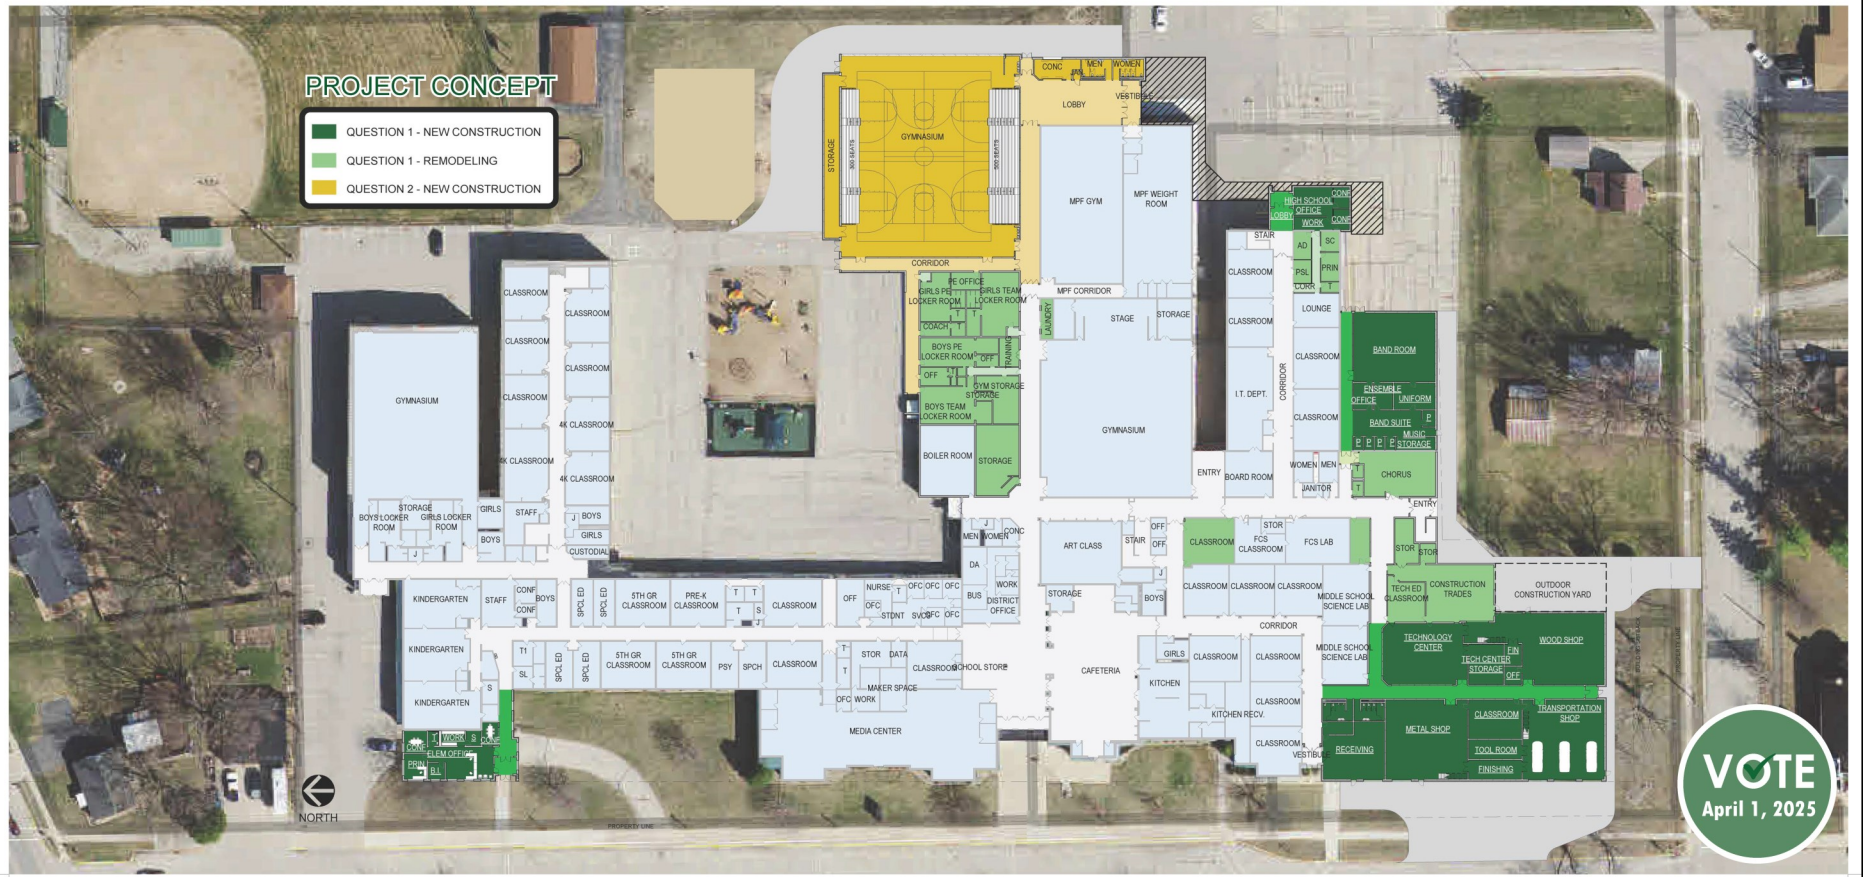

✓ FACT The capital project portion of a school district's annual budget in most Wisconsin school districts is not sufficient to address larger building maintenance projects. It could take a district time beyond the life of the building component - such as a roof - to save enough funds to cover larger project costs. For the past 5 years, Shiocton has dedicated nearly 10% of its annual budget to general or daily maintenance needs, as well as to preventative maintenance measures. Much like our own homes, larger projects like new roofs, replacing plumbing, rewiring the electrical service, etc. - are far too large a financial commitment to be afforded in an annual budget.

SCHOOL DISTRICT OF SHIOCTON

www.shiocton.k12.wi.us

What are the project budgets?

Question 1		\$23,500,000
Maintenance and Infrastructure Repairs		\$5,860,000
Elementary Office Addition		\$1,090,000
New Middle/High School Office		\$1,240,000
Tech Ed		\$10,150,000
New Fine Arts Addition		\$2,700,000
Remodel Locker Rooms		\$2,460,000
Question 2		\$9,100,000
New Gymnasium, Storage, Concessions, and Lobby		\$9,100,000

Academic success starts with breakfast

Heather Knops, Food Service Director

We are committed as ever to the academic success of all of our students.

The School District of Shiocton

needs your

help to make sure all of our students are fully prepared for academic success. We all know that hungry children have a more difficult time doing their best work. That is why we encourage all students to begin the school day with a nutritious breakfast.

The School Breakfast Program is available to all students to purchase every school day from 7:30 a.m. - 7:50 a.m. You do not have to register your child in advance. Your child can eat breakfast at school every day or occasionally. School breakfast makes good sense-it provides ¼ of your child's nutritional needs, meets Dietary Guideline recommendations, and offers children a chance to eat breakfast with their friends.

School Breakfast is an ideal solution on busy mornings when kids are running late or parents have to be at work early. Oftentimes, kids are not hungry when they first wake up, but are ready to eat when school begins. Whatever the reason, if breakfast at home is not convenient, please have your child take advantage of breakfast here at school. Studies have shown that children who eat a nutritious breakfast have better behavior, better attendance, and improved test scores.

Thank you for helping us to make sure that all of our students start the day alert, well fed and ready to learn.

Child Development Days

A free preschool screening opportunity for children ages 3-4 who reside within the School District of Shiocton. The purpose of the developmental screening is to:

- Assess Children's developmental process.
- Provide parents with awareness of child growth and development issues.

Who is Eligible to Participate?

- Children who are ages 3-4 not enrolled in 4K.
- Children who have not previously participated in Child Development Days.
- Children to reside in the School District of Shiocton.

When is Child Development Days?

Tuesday 2/25/25 3:30 pm to 6:30 pm * RSVP by 2/18/25

Friday 2/28/25 12:00 pm to 3:00 pm * RSVP by 2/21/25

The child development screening days are scheduled on the following dates and times. The screening process is completed within approximately one hour.

Where is Child Development Days?

The Child Development Days screening are held at Shiocton Elementary School located at N5650 Broad Street, Shiocton, WI 54170.

What Happens at Child Development Days?

Your child will be screened in a relaxed and friendly setting in the areas of Communication, Personal-Social, Motor and Academic Readiness. When the screening process is completed, a school professional will share the results with parents and address any concerns. The entire screening process is completed within approximately 1 hour.

How can I register for child Development Days?

Phone reservations for a reserved time slot for your child's screening can be made by contacting Lilly at (920) 986-3351 ext. 764. Parents are required to call for a reserved screening appointment.

FOUR-AND-FIVE YEAR OLD KINDERGARTEN ENROLLMENT FOR THE 2025-2026 SCHOOL YEAR

The Shiocton School District will be holding four and five-year-old kindergarten enrollment the week of **February 17-21**, between 7:30AM and 3:30PM. For four-year-old kindergarten, enrollment packets will be mailed home in mid-February to parents/guardians whose children are eligible for the program. For five-year-old kindergarten, enrollment packets will be given to all students currently enrolled in the four-year-old program. Parents/guardians are asked to contact the elementary office at 986-3351 ext. 721 to request an enrollment packet if they do not receive one or if their child is not currently enrolled in the four-year-old program.

The forms within the packets are to be filled out and dropped off in the elementary office between the hours of 7:30AM and 3:30PM during the enrollment week. The enrollment process will only take a few minutes. Parents are asked to bring their child's birth certificate on that date. It is not necessary for the child to be present. Parents/guardians will finish the remainder of the full registration process online in August with all of the other grade levels.

First graders busy writing non-fiction pieces about animals

First grade has had a great start to 2025! January flew by and here we are in February already! Watch for a fun family

Valentine's project coming home toward the beginning of the month. We will be asking that you help your student create a special Valentine's Day mailbox. Be as creative as you wish. Some ideas might be to make the mailbox out of a shoebox, milk jug, cereal box, or any other container that you have that would be great for holding all the fun Valentine's they will be getting from their friends.

Nonfiction writing is a new style of writing

Four-year-old Kindergarten: The four-year-old program is an optional program; students spend one year in this program before moving on to Kindergarten. Registration is open to all children in the district who will be four years old on or before September 1, 2025. Students in the program meet for four full days (Monday - Thursday) each week.

Five-year-old Kindergarten: To be eligible for this program, a child must be five (5) years old on or before September 1, 2025. Students in this program meet for five full days each week.

Orientation: An orientation will be offered in late spring. Watch for more details in the near future.

that we have begun studying in first grade. The students are off to a great start writing teaching books about an animal of their choice. It's been fun to see just how far they have grown as writers since the beginning of the year.

One final reminder for February is to always check your child's folder that is coming home each night for important information. This month always seems to go so fast. Keep up the good work at home. Together, we make a great team!

Counselor's Corner

Dannielle Kern

dkern@shiocton.k12.wi.us
K-6 Counselor—ext. 762

Sandee Cornell

scornell@shiocton.k12.wi.us
7-12 Counselor—ext. 711

Welcome to the Counselor's Corner. We felt that providing a single location for our information would be more useful and convenient to all of our students and their families. Our counseling program offers services of individual counseling, group counseling, or outside referrals. Please feel free to contact us at any time regarding academic, emotional, or social needs of your child.

Elementary -This month we are continuing Emotion Management. We are discussing strong feelings, how our bodies feel when we have a strong feeling, and what we can do to calm those strong feelings down:

1. Stop
2. Name Your Feeling
3. Calm Down. Students will learn how to practice calming down with belly breathing, self-talk, and counting.

In **Grade 6**, we are also discussing emotions and different strategies we can use at school and home to manage them!

Seniors - Local scholarships are open on the district website.

Juniors: The state required ACT test will take place on March 11, 2025. Watch for more information. Many colleges have changed their requirements for standardized testing admission criteria. Please view the college website or contact your desired college for specific information on the ACT requirement.

Sophomores and Juniors: Applications for the 2025-2026 Youth Apprenticeship Program will be due on March 1, 2025 to Pupil Services.

Sophomores and Juniors: Applications for the Early College Credit Program and Start College Now will be due on March 1, 2025 to Pupil services. Applications can be printed online at <https://dpi.wi.gov/dual-enrollment/start-college-now> or picked up in Pupil Services.

Grade 8 students: Eighth Grade Chief Chats will take place in Spring of 2025. Please watch for more information to come.

MEET Mo and his owner, Mr. Paul!

Mo is a therapy dog that started to visit with students this January. He is happy to assist students that may need to take a moment to decompress with a simple pet or hug.

Shiocton Child Care Center News:

There is so much happening at the **Shiocton Child Care Center**. In our two-year-old classroom, Ms.

Dani has been busy teaching the children their colors. The smiles on their faces and the little squeals when they can name their colors correctly warms our hearts. Watching the

children grow and learn at such a young age will help them be ready for 4 year old kindergarten.

Reading to children and having books available is an important part of our days. You can see the love of reading happening at such a young age.

What can be better to do on these cold days when we can not go outside to play in the snow? Bring the snow inside! Even the jungle animals enjoyed walking in the snow. And the best part, no mittens required.

Our preschool children have been busy learning the letters of the alphabet and learning how to write the letters. Soon they will be writing their names and all kinds of words.

With the enrollment freeze lifted we are busy filling up the classrooms. If you would like a tour of the center, please reach out to Annette Peters, SCCC Director at 920-986-3351 ex. 790 or email Mrs. Peters at sdccdirector@shiocton.k12.wi.us

Warm winter greeting's! It was great to see so many of you at our *Wild Robot* Movie Night in January; nearly 80 people were in attendance!

This month, we are kicking off our **Quilt and Basket Raffle** on February 3, 2025. Tickets can be purchased in the District Office for \$5/each or 3/\$12. The drawing will be held at the end of the Science Fair on March 4, 2025 at 7:15pm.

To heat things up this spring, we have a Penny War coming up March 17-28 in which all grades can compete against each other to raise the most money for playground recess equipment. More details will be coming out soon. Start saving those pennies!

Speaking of competition, the current leader for box tops earnings is the second graders. Great Job! Do you buy items that have the box tops labels on them? Did

you know you could help our school earn money by simply scanning your receipt in the **Box Tops for Education** App? Simply sign up and scan your qualifying receipts for Shiocton Elementary. We appreciate your efforts to help our school!

Our upcoming meeting is Wednesday, February 5, 2025 at 6:30pm in the LMC. We hope to see you there!

Seniors are Successful in Reality Check

Shiocton seniors were recently faced with the challenges of Reality Check, a financial literacy simulation designed to allow students to explore the realities of personal finances in the real world.

More than 20 volunteers from Shiocton and the surrounding area shared their expertise to make the event happen. In November, the seniors participated in mock interviews with professionals in their chosen career field.

Students created application materials and honed their interviewing skills prior to this event, applied those skills masterfully, and some students even walked away with job offers.

Reality Check was held on Friday, January 10, 2025. Seniors received a monthly income based on their chosen career and a life status that included a child. At stations

operated by community volunteers, the seniors discovered how far their monthly paycheck would go. They paid for health insurance, vehicles, mortgages, food, daycare, even personal items and pets. Most were surprised at the price of daycare and health insurance and some were frustrated when unforeseen expenses happened—just like in real life. Several had to make difficult financial decisions and sometimes had to seek part-time employment. They definitely received a dose of reality but had a little fun in the process.

The Shiocton seniors and their teacher, Mrs. Fallona, would like to thank all of the volunteers for donating their time and talents. Congratulations to the seniors on successfully completing their interviews and this simulation!

High School Wrestling adds to 100 Win Club

With the High School wrestling season underway, the team has been having great success. **Three teammates** have joined the 100 win club, with Senior Blake C. taking a step further and winning 150 matches. Congratulations to Blake, Mason and Izaiah on their 100 wins so far this season! Check out the event calendar for upcoming wrestling meets.

Shiocton’s National Honor Society Invitations, Accepting Applications

After first semester grades have been posted, the Shiocton National Honor Society (NHS) advisor checks grades and character to identify students who have met the NHS membership requirements. Students who maintain a 3.5 cumulative GPA and follow school policies are invited to become NHS members. The only other requirement of NHS members is that they are required to perform 5 hours of community service each semester. Invitation letters are sent to eligible students before February 1, 2025, and interested students need to complete an application by March 1, 2025. Student applications are then

submitted to the faculty council and students must receive a majority vote to be accepted. Students and parents are notified via mail of their acceptance, and accepted members are expected to attend the Spring induction ceremony.

Our Shiocton chapter of the National Honor Society recognizes 11 Seniors and 10 Juniors in its current 2024-2025 membership. Our NHS members performed over 660 hours of community service last school year! If your son or daughter qualifies for National Honor Society membership, please encourage them to fill out an application!

START
YOUR
FUTURE

WITH YOUTH APPRENTICESHIP!

Youth Apprenticeship is a one or two-year program for students combining instruction (both high school and college) and paid on-the-job training. Students gain a set of skills and abilities by learning in the classroom and work settings.

If you plan to apply for YA, you **MUST** attend one of the YA Parent/Student Informational Meetings or organize an alternative.
