District Survey: Pride, Communication

Last Fall, over one hundred parents provided feedback via survey on the four factors identified as important performance indicators.

In general, respondents reported a positive sense of satisfaction with the School District of Shiocton; we received an average score of 3.96 on a 5-point scale. There was high agreement regarding the cleanliness and maintenance of the schools, the student's access to supplies and equipment necessary for learning, the priority placed on the child's learning, the safety of the learning environment, and expectations of the teachers regarding student performance. In addition, respondents reported pride in the school and a willingness to recommend their child's school. Both of the following questions received ratings over 4.0: "I am proud to say I have children at this school" and "I would recommend this school to other parents". Survey participants also strongly agreed that the teacher's care about their child's success.

One area of need that was articulated through the grade levels was that of communication. Survey participants noted a need for more communication with the schools and district. Too, respondents indicated a need for clear, concise, and timely messaging regarding events and activities. Finally, respondents expressed an appreciation for the feedback from teachers and expressed a desire for continued positive feedback from those who are instructing their children.

While we work to address the communication needs articulated in the survey, please do not hesitate to contact your child's teacher or building administrator regarding school-related questions or needs. Emails are usually effective, but a telephone call is also welcomed. Same, too, for contacting the superintendent regarding district matters. Rarely is our non-communication purposeful. Rather, our daily involvement in your child's education and that of all the others often trumps the letter home. While we work to change this, as well as the other aspects of communi-

Course Showcase Night: Gr 8-11

Ever wondered how courses of the same name when you were in school may have changed? Ever wondered what a particular course taught or why it was even offered? If you have had these or similar questions, then make plans to attend the first annual Course Showcase Night.

The **Course Showcase Night** will be held on **March 5, 2020** and will run from **6:00—7:00PM** during Parent/Teacher Conferences. Parents and students are invited to visit each of the departments to discuss the various courses, required and elective, that the teachers offer. This is a great opportunity to learn more about the course content and its applicability to college, career, and life after high school for both parents and students.

CHIEF CHATTER **Moving Forward**

Soon, it will be time for us to "spring ahead"; that traditional time of year when we lose an hour of sleep to gain an hour of daylight. Years ago, we used to do this by physically moving the hands on the clock forward one hour. Today, there are few of us that even punch the up arrow on our digital clock. With our smartphones and Apple watches, there is little we need to do but watch for the mini computer within to register the new time for us. Oh, how technology can move us forward.

We see the benefits of technology in other aspects of our life, too. From Siri and Alexa to Ring and MyQ, our voices alone can command technology to turn on our lights, deter intruders, close the garage, turn on a faucet, and map a course for our chosen destination. All in the name of progress; all designed to move us forward. We see the same benefit of technology in education.

While Mother Nature has not provided us with the ample opportunities of last winter season, we are, nevertheless, moving forward with our plans to provide instruction via digital learning means. Teachers have participated in DLD learning sessions, planned a DLD lesson, and several have even practiced it with their students. While we look to use the technology for inclement weather days, we know there are many more ways we can tap this technology to move us forward. For example, many of our educators use the DLD format to provide greater instructional framework for days that they are out of their classroom. This alleviates much of the pressure felt by substitute teachers because pre-recorded mini-lessons and explicit instructions from the classroom teacher are readily available to students at their fingertips. This technology can enhance instructional efforts to reach children who may not be able to be in the classroom for a period of time due to illness or other health concerns.

Whether or not Old Man Winter graces us with enough snow to experience our first DLD day this year or not, the teachers are well prepared to use the technology we have to move us forward.

NEWS FROM GRADES PK-6 OFFICE

Winter greetings! It is hard to believe that March is upon us and that we have just passed the mid-quarter point for the third quarter!

In the daily student announcements, we have been asking the students to reflect on the goal(s) they set for this quarter. Since the mid-quarter point just passed us, this would be a good time for you to check in at home as well. We also have been asking students to reflect on our daily expectations:

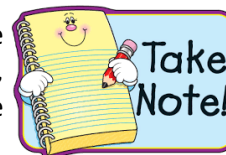

- Be Safe**
- Be Respectful**
- Be Responsible**
- Be the Best That You Can Be**

We ask the students to reflect on how they are doing with these expectations - in class, on the playground, in the hallways, in the cafeteria, on the bus, at home, in the community, etc. We all need reminders and these reminders help us stay on track.

Here are some upcoming events scheduled for the month of March:

Parent-Teacher Conferences: The next round of Parent-Teacher Conferences is coming up on Thursday, March 5, from 4:30-7:30 p.m. If you would like to request a conference, please contact your child's teacher(s) in advance.

Science/Health/Fine Arts Fair: The fair is coming up on Thursday, March 5, from 4:00-7:00 p.m. The

fair is always spectacular thanks to the students sharing their artwork, science projects, and their musical talents at this event. Fourth grade students are also preparing to share their talents at a Talent Show on this evening. Our PTO, S.P.I.C.E, is also sponsoring a book fair during this time. We hope you will join us for a spectacular evening!

K4/K5 Registration for 2020-2021: Registration for incoming four- and five-year-old kindergarten students will be held the week of March 16-20, 2020, between the hours of 7:30 a.m. and 3:30 p.m. Registration packets will be mailed home in early March to parents/guardians whose children are eligible for these programs. Please contact the PK-6 Office at 920-986-3351 ext. 721 if you do not receive a packet or if you would like to request one. Two Orientation sessions will be offered (May 22 or May 29) to those who registered.

Wisconsin Forward Exam - Grades 3-6: Depending on the grade level, students will be in the midst of taking the Wisconsin Forward Exam from late March through early May. If your child is in one of these grade levels, watch for specific testing information in the near future.

Have a wonderful month of March filled with as much sunshine as possible!

Sincerely,

Mrs. Kim Griesbach J

Grades PK-6 Principal

Run Club

Attention parents of run club participants make sure that you have returned your permission to participate sheet (BLUE) which came home the last week of February. This will need to be returned completed along with \$3.00 that will be going toward your child's run club shirt as well as snacks that will be provided after numerous practices. Please make sure that your child has a water bottle and tennis shoes with them at each practice that they are attending. Practice dates include: April 7, 9, 14, 16, 21, 23, and 28 as well as May 5, 7, 12, and 14 leading up the optional 5k on Saturday, May 17 @10:30AM in Green Bay.

Please let me know if you have any questions or concerns via email or phone. If your child will be missing practices, please let me know as well if possible. Sorry to anyone who has not previously returned their letter of interest as run club has reached capacity for this year. We have found that this club is very popular with students, thus any and all adults who are willing to walk or run with us are much appreciated.

2020 Census

The 2020 Census counts every person in the 50 states, District of Columbia and the five U.S. territories on April 1. The 2020 Census is mandated by the Constitution and the information will provide critical data for government officials, business owners, lawmakers and many others. Hundreds of billions of dollars in federal funding are allocated annually to hospitals, schools, fire departments, roads and other resources based on census data. Beginning in mid-March, households will receive an invitation to participate in the Census online, by phone or by mail in mid-March. Help shape the future of our schools and community by filling out the 2020 Census. For more information on the 2020 Census, visit <https://2020census.gov/en.html>.

Four- and Five-Year-Old Kindergarten Registration for 2020-2021

The Shiocton School District will be holding four- and five-year-old kindergarten registration

the week of March 16-20, 2020

between the hours of 7:30 a.m. and 3:30 p.m.

For four-year-old kindergarten, registration packets will be mailed home in early March to parents/guardians whose children are eligible for the program. For five-year-old kindergarten, registration packets will be given to all students currently enrolled in the four-year-old program. Parents/guardians are asked to contact the elementary office at 986-3351 ext. 721 to request a registration packet if they do not receive one or if their child is not currently enrolled in the four-year-old program. The forms within the packets are to be filled out and dropped off in the elementary office between the hours of 7:30 a.m. and 3:30 p.m. during the week of registration. Registration will only take a few minutes. Parents are asked to bring their child's birth certificate on that date. It is not necessary for the child to be present.

Four-Year-Old Kindergarten:

The four-year-old program is an optional program. Registration is open to all children in the district who will be four years old on or before September 1, 2020. Students in the program meet for two full days each week.

Five-Year-Old Kindergarten:

To be eligible for this program, a child must be five years old on or before September 1, 2020. Students in this program meet for five full days each week.

Orientation:

An orientation will be offered in the spring. Watch for more details in the near future.

Welcome to the Counselor's Corner. We felt that providing a one stop show for our information would be more useful and convenient to all of our students and their families. Our counseling program offers services of individual counseling, group counseling, or outside referrals. Please feel free to contact us at any time regarding the academic, emotional, or social needs of your child.

7-12 Students

Attention Seniors: Scholarship deadlines are fast approaching. Please check the school website to verify application directions and deadlines.

Attention Juniors: The state required ACT test will be on March 3.

New London High School is hosting a **Post-Secondary Fair** for Juniors on March 11. You will have the opportunity to visit with representatives from colleges, trades, and military.

Applications for the 2020-21 **Youth Apprenticeship Program** will be due by March 6. Applications are available in the Guidance Office.

K-6 Students

Grades K-5 have been discussing strong feelings and what they do to our bodies. We also have started our calm down strategy: Stop, Name Your Feeling, Calm Down. Students have learned many different ways to calm down, including: Belly Breathing, counting, and using positive self-talk.

Grade 6 has also been learning about emotions, strong feelings, and strategies to use when they are needing to calm down.

March's Character Trait:

PATIENCE

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

TIPS:

- Model patience with your children
- Teach coping skills
- Use timers
- Practice activities that require patience

The 2020-2021 Calendar is now available at <https://www.shiocton.k12.wi.us/>. Next year's calendar includes a week for Spring Break.

Adulthood Day

On **Tuesday, March 3 @ 7:57AM - 3:07PM**, all seniors will be participating in "Adulthood Day" at Shiocton High School! This information-packed day will help students prepare for various aspects of adulthood so they can leave Shiocton High School feeling more confident in their ability to succeed as adults. Students will benefit from the following opportunities:

Business Panel - Learn more about employability skills to find success in any career!

Gym Games - Engage in physical activity and socialize with friends!

Break-Out Session - Sessions include Surviving on Campus, Identity Theft Protection, Insurance, Retirement Savings, Budgeting, Employment Paperwork, Adulthood 101 A (household skills), and Adulthood 101 B (basic car maintenance)

Lunch - HOMEMADE LUNCH is provided for FREE! Students will also learn about mealtime etiquette.

Stress Management - Learn techniques to manage stress in adulthood!

Self-Defense - Officer Gramajo will instruct students on basic self-defense techniques!

All seniors should plan to be on campus from 7:57AM-3:07PM on Tuesday, March 3, to benefit fully from participation in this event! We're looking forward to sharing this opportunity with our students!

Piano Recitals

Attention Mrs. Ritchie's students! The recitals will be held on Saturday, May 9, in the cafeteria. Please put that on your calendars so you do not schedule something else for that day. If you have to request morning, afternoon, or evening, please contact Mrs. Ritchie ASAP!

It's a Jungle Out There with S.P.I.C.E.

Please Join S.P.I.C.E. for the fun and exciting activities happening in March. Below are just a few of our upcoming events:

- *It's a Jungle Out There* Spring Book Fair - February 28 - March 6
- Quilt & Basket Raffle - The annual Quilt & Basket Raffle will be held on March 11. S.P.I.C.E. will be raffling off a hand-made quilt with squares painted by this year's third grade students.
- Seniors: we award two scholarships, forms are due March 18
- Join us for Free Family Movie double feature to see *The Good Dinosaur* and *Honey I Shrunk the Kids* on March 21

We couldn't do all of this without our volunteers. Please reach out to a S.P.I.C.E. Board Member or email spice@shiocton.k12.wi.us to find out how you can help.

Our next meeting will be on:

- March 11, 2020
- 6:00PM in the LMC.

Can't wait to see you there!!

Family Movie Night

S.P.I.C.E. would like to announce the upcoming movies for Saturday, March 11 @ 10:00AM & 1:00PM in the school cafeteria.

We have a double feature planned along with lunch being served in between. Please feel free to stay for both movies. We will be showing the Disney Pixar movie *The Good Dinosaur* in the morning, followed by lunch. Then, *Honey I Shrunk the Kids* in the afternoon. Concessions will be available. Please feel free to bring in anything to make your family comfortable. Be respectful to your fellow movie watchers and stay in the cafeteria while the movie is playing. Remember to keep quiet in the hallways, when using the restrooms. The S.P.I.C.E. committee hopes you can join in watching these two great movies.

What time is it in Grade 2?

That is a question being asked by many of our second graders lately. The students are busy learning about telling time on an analog and a digital clock, as well as distinguishing between AM and PM. This month they will also be busy describing, organizing and representing data in graphs.

In Writing workshop, our second graders have been learning more about how to write about their opinions. They can cover their opinions on what they think is the best animal, book, restaurant, or video game. They are also learning how writing their opinions well might be able to change things if they give good reasons. For example, their opinion might be that they should be able to have a later bedtime, or be able to chew gum in school. Learning to write their arguments logically is a great skill they can use as they get older.

Take me out to the ball game! Our Fang Reading Incentive Program is in its last inning and will end on March 9th. This program is always a great way for kids to read some interesting books while working toward a goal and earning fun rewards! The students who earn all four baseballs over 8 weeks will be receiving a Timber Rattler game ticket along with a hot dog/soda voucher. Each second grader has been striving to read 100 minutes each week! Reading is a great activity on these cold and snowy evenings! So...snuggle up with a good book, second graders!

~Mrs. Hoppe, Ms. Schmidt, and Mrs. Otto

Healthy Kids! Vicki Fors, RN

Keeping hands clean is one of the most important steps we can take to avoid getting sick and spreading germs to others. It is best to wash your hands with soap and clean running water for 20 seconds. However, if soap and clean water are not available, use an alcohol-based product to clean your hands. Alcohol-based hand rubs significantly reduce the number of germs on skin and are fast acting.

Remember: If soap and water are not available, use alcohol-based gel to clean hands.

When using an alcohol-based hand sanitizer:

- Apply product to the palm of one hand
- Rub hands together
- Rub the product over all surfaces of hands and fingers until hands are dry.

When washing hands with soap and water:

- Wet your hands with clean running water and apply soap. Use warm water if it is available.
- Rub hands together to make a lather and scrub all surfaces
- Continue rubbing hands for 20 seconds. Need a timer? Imagine singing "Happy Birthday" twice to a friend!
- Rinse hands well under running water
- Dry your hands using a paper towel or air dryer. If possible, use your paper towel to turn off the faucet

When should you wash your hands?

- Before preparing or eating food
- After going to the bathroom
- After changing diapers or cleaning up a child who has gone to the bathroom
- Before and after tending to someone who is sick
- After blowing your nose, coughing, or sneezing
- After handling an animal or animal waste
- After handling garbage
- Before and after treating a cut or wound
