## Playground Ticket Raffle a great success

With the community's help and contribution, over 1,500 tickets were sold. Throughout the month of September and October, community member Shari Allen worked vigorously with Better Life Insurance Company to sponsor a Playground raffle. She was able to gather prize donations from Better Life as well as many area businesses. During the home football and volleyball games this fall, \$5.00 raffle tickets were sold and the drawing was held on October 15, 2024 after the varsity Volleyball game. The raffle drawing brought in a whopping \$7,600 to go towards the Playground Fund.

Shari Allen stated, "I want to give out a BIG thank you to all who helped make this fundraiser possible. Better Life Insurance Company, SPICE, Rachel in the Shiocton School, and many parents and community members who helped sell the tickets. Almost 2,000 tickets!"

A big thank you to the companies that have donated and who are still donating to our overall fundraising goal of \$60,000. After this raffle our Playground Fund total is currently at \$40,879.93! With the community's help we will be able to achieve our goal of creating a great play space that will allow students and community members of all abilities to play and converse. The School District of Shiocton would like to send a special word of thanks to Shari Allen for her leadership and dedicated effort during this fundraiser.

**Raffle winners and additional playground updates can be viewed on our Playground Project webpage:**

## Board of Education Sets Levy

Voucher programs greatly impact mill rate

At their evening meeting on October 21, the School District of Shiocton School Board of Education set the tax levy for the 2024-2025 school year. The tax levy was set at \$4,554,521, with a resulting mill rate of \$8.50, which includes \$0.45 to cover the costs of sending students to private schools.

## Equalized Valuation Growth

Overall, the Equalized Valuation of all property attributable to the district rose 5.3% over last year.

Continued on Page 3

## Annual Veterans Day Breakfast

The Shiocton High School Student Council is pleased to host their annual Veterans Day Breakfast once again this year. All local veterans are invited to enjoy a meal prepared by Student Council members on **Friday, November 11, 2024 at 8:30AM in the school cafeteria.** The Veterans Day program will follow at 9:45AM.

*We hope to see all of our local veterans!*

## **News from the 7 - 12 Grade Office**

This is Nick Ortlieb, the Principal in the 7th-12th grade office. I am happy to be able to inform our community about the great things happening here in the Shiocton MS/HS Office. We have had a great start to the year. Our students have transitioned into the school year very well, and we have settled in nicely to our daily learning routine. We celebrated Homecoming at the beginning of October, which was a highlight on a great start to the school year.

We have a few school goals that we are working on for the 2024-2025 school year. First, we are looking to grow our students' skills in the area of reading comprehension at the high school level. Our students will participate in silent reading each day to start the day and during their ELT/Homeroom periods. We will also be introducing our high school students to interdisciplinary literacy opportunities throughout all of their classes. Please continue encouraging your students to read 30 minutes a day at least 4 times a

week. The more they read, the better. We are also continuing to prepare our students for the Forward test, Pre-ACT and ACT. We showed good growth and achievement at the high school level last year, and we are looking to continue it this year.

We also have several upcoming important dates. The end of the 1st Quarter is coming up on November 6, 2024, which will be an early release day. We will be conducting Senior Interviews and an ACT Practice test on the morning of November 6, 2024 as well. We are also please to once again host our annual Veterans' Day Program in our High School Gym on Monday, November 11, 2024. Breakfast for our Veterans and their family members begins at 8:30AM in the cafeteria followed by the program beginning at 9:45AM

Before you know it, we will be celebrating Thanksgiving and Winter Break. If you have any questions, please reach out to the Middle School/High School Office.

## **Child Development Days**

A free preschool screening opportunity for children ages 3-4 who reside within the School District of Shiocton. The purpose of the developmental screening is to:

- Assess Children's developmental process.
- Provide parents with awareness of child growth and development issues.

#### **Who is Eligible to Participate?**

- Children who are ages 3-4 not enrolled in 4K.
- Children who have not previously participated in Child Development Days.
- Children to reside in the School District of Shiocton.

#### **When is Child Development Days?**

The child development screening days are scheduled on the following dates and times. The screening process is completed within approximately one hour.

**Tuesday 1/7/25 3:30 pm to 6:30 pm** \* RSVP by 12/20/24  
**Tuesday 2/25/25 3:30 pm to 6:30 pm** \* RSVP by 2/18/25  
**Friday 2/28/25 12:00 pm to 3:00 pm** \* RSVP by 2/21/25

#### **Where is Child Development Days?**

The Child Development Days screening are held at Shiocton Elementary School located at N5650 Broad Street, Shiocton, WI 54170.

#### **What Happens at Child Development Days?**

Your child will be screened in a relaxed and friendly setting in the areas of Communication, Personal-Social, Motor and Academic Readiness. When the screening process is completed, a school professional will share the results with parents and address any concerns. The entire screening process is completed within approximately 1 hour.

#### **How can I register for child Development Days?**

Phone reservations for a reserved time slot for your child's screening can be made by contacting Lilly at (920) 986-3351 ext. 764. Parents are required to call for a reserved screening appointment.

Board Sets Levy (Continued from Page 1)

. “This year’s increase is more in line with the typical annual increase that what we have seen in past years,” commented Mrs. Schweitzer, District Administrator. Due to reassessments, especially those in the Town of Boniva and the Town of Ellington the past two years, the equalized valuation throughout the nine (9) municipalities that comprise the School District of Shiocton rose a staggering 18% in 2022-2023 and an additional 13% in 2023-2024. “While growth in equalized valuation is desired, we are pleased to see the growth return to a more “normal” level than the large percentages of the past two years,” stated Schweitzer.

Taxpayers paying more for Private Schools

The Wisconsin Parental Choice Program (WPCP) affords eligible students in Grades 4K – 12 the ability to attend a private school anywhere in the State of Wisconsin using local taxpayer dollars. The Special Needs Scholarship Program (SNSP) affords eligible children with special needs additional taxpayer dollars to attend a private school anywhere in the State of Wisconsin. Together, the WPCP and SNSP are commonly referred to as the Voucher Program. Together, the programs are costing the taxpayers \$245,680.00.

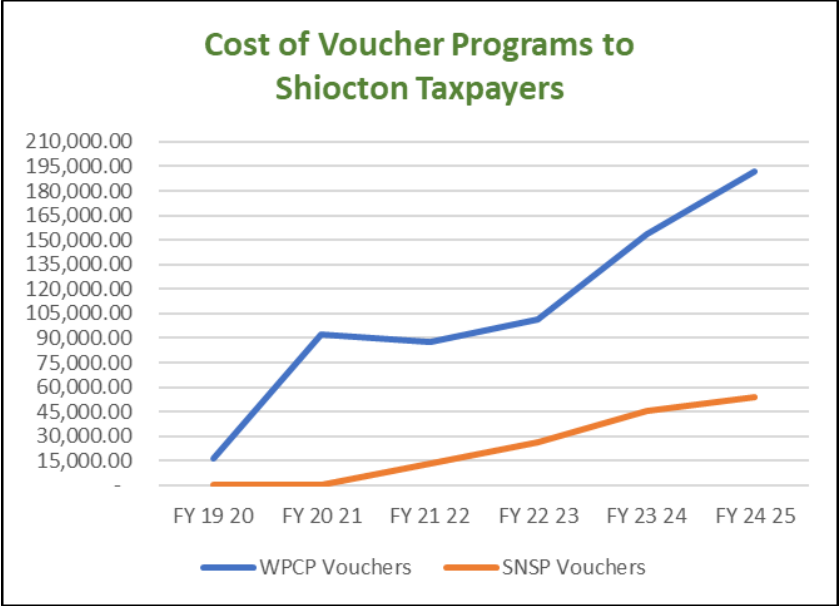

There has been a steep and significant increase in the cost of both programs as illustrated by the graph. Over the past six years, the **WPCP has increased over 1000%**, from \$16,100 (2019) to nearly \$192,000 this year, while the **SNSP has increased over 300%**, from \$13,000 to nearly \$54,000.

Tax the Taxpayer

In accordance with Wisconsin State Statute 118.60, the Department of Public Instruction shall directly decrease a school district’s state aid payment by the amount calculated for eligible students to attend a private school through the WPCP. This amount shall then be passed along to the taxpayers as part of the resident school district’s annual levy. For the 2024-2025 school year, the combined voucher program total of \$245,680.00 equates to \$0.45 of the \$8.50 mill rate. Without the cost of the taxpayer-funded private school voucher program, the mill rate this school year that supports the public schools operated by the School District of Shiocton would have only been \$8.05.

Learn More

To learn more about school finances, in general, visit the Department of Public Instruction’s website at <https://dpi.wi.gov/sfs/outreach/finance-system>. To learn more about the District’s finances, contact Mr. Mike Sippert, Business Manager, or Mrs. Nichole Schweitzer, District Administrator, at 920-986-3351 x700. To learn more about the voucher program, including the expiration of the current participation limitation, visit <https://dpi.wi.gov/sfs/finances/private-school-vouchers> or <https://dpi.wi.gov/sites/default/files/imce/eis/pdf/vhist.pdf>.

FUND 10 LEVY

The proposed Fund 10 Tax Levy of \$4,238,221 is the maximum levy allowed based upon the revenue cap limitations.

**\$4,238,221/\$535,899,114 = 0.00790862 or \$7.91 per thousand of equalized value**

PFUND 39 LEVY

We will be levying \$241,800 to cover the cost of debt service for the referendum approved debt (\$2,000,000 10-year bond). The Fund 39 Levy is outside the revenue cap calculation.

**\$241,800/\$535,899,114 = 0.00045120 or \$0.45 per thousand of equalized value**

FUND 80 LEVY

We will be levying \$74,500 to cover the assigned costs for flag football, the multi-purpose facility and the child care center. The Fund 80 Levy is outside the revenue cap calculation.

**\$74,500/\$535,899,114 = 0.00013902 or \$0.14 per thousand of equalized value**

Motion approved at School Board meeting October 21, 2024:

**Motion:** To levy upon the taxable property of the School District of Shiocton the sum of \$4,238,221 for defraying the cost of operation and maintenance of the public schools, \$241,800 for referendum approved debt, and \$74,500 for the community service fund for a total levy of \$4,554,521 and a mill rate of \$8.50 per thousand dollar of equalized value.

**BUDGET REVISIONS:** The following are the general fund budget revisions along with the new Fund 10 Revenue and Expenditure totals. This budget amount must be approved at the board meeting. These are the budget amounts that will be submitted to DPI.

FUND 10	REVENUES	EXPENDITURES
Reported at Annual Meeting (9/23/24)	\$12,548,798	\$13,121,235
Change in Property Tax	(131,779)	
Change in Open Enrollment	96,644	(16,638)
Change in Equalized Aid	152,459	
Change in Sparsity Aid	(10,291)	
Change in Per Pupil Aid	(6,536)	
Decrease Private School Voucher Aid Deductions		(32,320)
NEW FUND 10 AMOUNTS (10/21/24)	\$12,649,295	\$13,072,277
Deficit at Annual Meeting, 9/23/24		\$572,437
Deficit after Budget Revisions, 10/21/24		\$422,982

# Working hard and having a blast in Fourth Grade

By: Ms. Schreiter, Ms. Sell, and Mrs. Skaletski

Our classes have been building community through morning meetings. Students have also been challenging themselves with new learning in all subject areas. In math, students have recently learned how to multiply multi-digit numbers. They have written realistic fiction stories using details about setting and characters, along with action, dialogue, thoughts, and feelings. Reading class has been filled with fiction stories and learning about how to determine the theme of a story, summarizing, talking about character traits, and more.

We have also made time for some fun celebrations. Students cheered on our Shiocton Chiefs football team at the homecoming parade, had a “book tasting” to learn about fiction genres, and played a game of “trashketball” to review math skills. We look forward to more fun learning this winter!

# Grade 2 Learning Math and Reading Strategies

Despite the unseasonably warm temperatures, we know that the weather can change frequently. Please make sure that your child has the clothing necessary for enjoying the outdoors, especially as the cooler temps arrive. Let us know if you are in need of any warm weather clothing.

In math, second grade students are exploring two-digit addition strategies; there are so many to choose from. We encourage the students to try all of them to see which one or two strategies is the best fit for the way their brain thinks. Use the parent letters that come home with your child to assist you in understanding the current strategy or use the math glossary that was sent home earlier this year. Older siblings can also be a great resource. Please let your child’s teacher know if your child is struggling, and we will support them here. No need for stressful homework sessions.

Counting coins will also be part of this month’s math exploration. Identifying each of the coins and their value are skills we will be working on. We challenge you, while waiting in the car or restaurant, to provide opportunities for them to practice these skills.

Our reading focus for this month is to support the readers in thinking more deeply about the characters in the books that we are reading within class, as well as at home. The characters can respond to things the same way we might or very different from us. Stopping to think deeply provides readers with the opportunity to reflect on the character’s action and why s/he might have taken that action. Students can also internalize the action they might have taken, be that the same or different than the character’s action. We work on thinking beyond the book as well. How can we connect with the characters and to how they feel. We will begin exploring series books as we near the end of November. Getting to know the characters more deeply across different books is a new adventure for many 2nd grade readers.

Continue to encourage your child to read 15-20 minutes nightly whenever possible.

# Student Council Food and Toy Drive Kickoff

November 11 marks the start of the annual Food and Toy Drive at Shiocton Schools. Once again, classes will compete against each other to see who can collect the most items. The winning class at each level—elementary, middle, and high school—will win an ice cream sundae party provided by Student Council.

We will be collecting products like boxed foods, canned foods/condiments, items with a long shelf-life, personal hygiene products, new/gently used toys (please, no stuffed animals), baby products, and paper goods. In order to attempt to collect a variety of items, we have designated a week to focus on certain types of goods; however, any items, including monetary donations, will be accepted and greatly appreciated at any time.

**Nov. 11-15** Canned Food/Condiments

**Nov. 18-22** Boxed Food/Toys

**Nov. 25-29** Personal Hygiene Products/Toys

**Dec. 2-6** Baby Products/Paper Goods (toilet paper, paper towels, napkins

**\*Please submit monetary donations by this time, as we need time to shop for items. Thank you!**

**Dec. 9-13** Any Food or Toys

**Dec. 19** Delivery to Families. Families will be notified of time and date

We would like to thank everyone who contributes to this wonderful event! Each year we’re able to accommodate more and more families thanks to our generous community!

If your family is experiencing a financial hardship or if you know of a school family in need, please contact one of the following people so we can add your name to the confidential list and spread some joy to your family this holiday season.

**Please Call: 986-3351**

Mrs. Griesbach - ext. 747 Mr. Ortlieb - ext. 751

Mrs. Kern - ext. 762 Mrs. Cornell - ext. 711

Ms. Lee - ext. 720 Mrs. Fallona - ext. 787

# Fifth Graders learning to explore

Our new fifth graders are excited to tackle this new year of elementary school. This year is a year of new experiences. Students will be entering the mathematical world of two digit multiplication, division, fractions, and geometry. In Social Studies, our classes will be learning about our country’s westward expansion, as well as general facts about the makeup of the 50 states. Our ELA instruction will focus on

reading and writing with more depth, interest, and intent. Students will write personal stories, memoirs, research essays about westward expansion and persuasive argument essays. In Science, students will hone their observational skills while studying mixtures and solutions, as well as the world around them.

Fifth grade is also about tons of fun. Everyone had a blast at Camp U-Nah-Li-Ya which is our three day overnight learning experience in October. We also traveled to the Shiocton Airport to make a real connection to one of our class novels. A winter visit to a nature center is planned to try our hand at snowshoeing. In the spring, we will visit Bamboo Bend during the sturgeon spawn, and wrap up the year at Fox Valley Tech’s Junior Achievement BizTown for real-world experience working jobs and managing money. **It is going to be a fun and exciting year!**

## Counselor's Corner

**Dannielle Kern**

DKern@shiocton.k12.wi.us

K4--6 School Counselor- ext. 762

**Sandee Cornell**

Scornell@shiocton.k12.wi.us

7-12 School Counselor-ext. 711

Welcome to the Counselor's Corner. We felt that providing a one stop shop for our information would be more useful and convenient to all of our students and their families. Our counseling program offers services of individual counseling, group counseling, or outside referrals. Please feel free to contact us at any time regarding academic, emotional, or social needs of your child.

### K-6 Students

Kindergarten through 5th grade students continue to practice skills that make them respectful learners and friends. This month we are continuing to practice how to be assertive, rather than passive or aggressive. Students have become very familiar with what these words mean, and do a great job being assertive in the school setting. Please recognize and praise your child when they are using this skill at home too! Our 4 year old Kindergarteners will also learn about being assertive and using their "Big Kid Voice" to solve problems!

In Grade 6, we will be learning more about the different types of bullying and how to respond or be an upstander.

**Seniors** - Many universities have a late fall/early winter application deadline. Seniors may request their official transcript be sent to colleges by using Parchment on the Shiocton homepage.

FAFSA (Free Application for Federal Student Aid) has a projected opening in December. Families can fill out this free application from home at <https://studentaid.gov/> Assistance is available at Fox Valley Technical College on Thursdays.

### FAFSA Workshop - Appleton

Occurs every Thursday | Appleton Campus  
Tuesday, July 16, 2024 | By: Haase, Elijah D

Appleton FAFSA Workshop:

**Dates:** Every Thursday

**Time:** 9:30 a.m.-6 p.m.

**Location:** Room E112, Finance & Admissions Center, Appleton Main Campus  
Shiocton Local scholarships will open on the Shiocton School District website this month.

**Juniors** -Schedule your Chief Chat now. Chief Chats are conferences with the student, counselor, and parent to discuss academic and career plans. Junior Chief Chats will run in November and December. Contact Mrs. Cornell to schedule your Chief Chat now.

**Congratulations to Brianna Schmidt, the Class of 2025 recipient of the Daughters of the American Revolution (DAR) Good Citizen Award.**

### Did You Know...

The Education for Homeless Children and Youth Act under McKinney-Vento helps ensure homeless students have educational equality and success. The McKinney-Vento Act provides support to homeless students by ensuring they have the school supplies they may need and access to the same education opportunities and experiences as their peers.

Each School District has a "Homeless Liaison". Ms. Lee is our School Social Worker and also serves as our District's Homeless Liaison.

If you or someone you know is in need of support, please reach out to Ms. Maria Lee at:

[mlee@shiocton.k12.wi.us](mailto:mlee@shiocton.k12.wi.us) \* 920-986-3351 X720

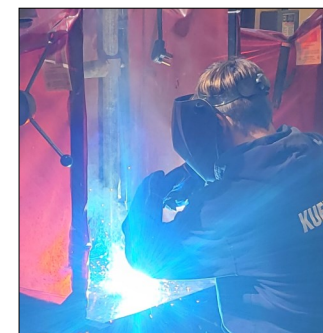

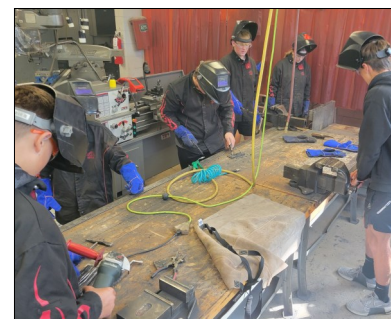

### School staff wearing jeans for a great cause

If you visit Shiocton Schools during November, you may notice many of our staff members wearing jeans. These staff members are participating in a very important fundraiser for Student Council's annual **Food and Toy Drive** to help families in our community. For \$1 per day in November, staff members may wear jeans to school any day of the week, and all of that money helps this great cause. Last year, we collected over \$800 through this fundraiser! Hopefully, this year will be just as successful!

### HS Students learning the art of welding

After completing the required safety training, the Introduction to Welding Class was now ready to go to the learning Lab to start practicing how to arc weld. Most students have never attempted stick welding before and are finding it to be a bit trickier than they first thought. The students are trying hard to learn such a detail-oriented skill that is high demand throughout the trades. They are enjoying learning this trade and able assist each with their welds.

# S.P.I.C.E.

Shiocton Partners in Children's Education

Learn about upcoming events!  
Support our school!  
Get involved!  
Scan me:

We hope everyone is having a great start to the school year. It's hard to believe we are already into the second quarter. Last month, we had our **Book Fair and Spooky Spree fun run**. We really appreciate Chris Marcks organizing these events and all who volunteered to help, we couldn't do it without you!

SPICE would like to thank Jessica Patza for facilitating our Pampered Chef party in August to help raise funds for our new playground. With her help and those of you who ordered, we were able to raise \$458.99 towards our playground fund! Thank you!

Shari Allen also put together a raffle, which was on display at Fall Fest in September and at several sporting events leading up to the drawing at the October 15 volleyball game. Tickets sales ended up raising an additional \$7,600 for the playground fund! Amazing! Thank you, Shari, for all of your dedication and hard work! We appreciate the outpouring of support from community members to help fund a new playground for our students.

At our September meeting, we finalized our activity calendar for the school year.

The schedule of events are as follows:

- Middle School Dance on November 8, 2024 at 3:30-5:30PM (Western Themed)
- RaiseRight/SCRIP Orders are due on November 11, 2024
- HERD Game on November 16, 2024
- Cookies with Santa on December 7, 2024
- Quilt/Basket Raffle- Drawing at Science Fair on March 4, 2025
- Celebrate Your Senior Yard Signs from April through May 2025

- Staff Appreciation Week from May 5 through 9 (tentative)
- Funset Boulevard on May 8, 2025
- Book Swap on May 27 through 30 (tentative)

*\*If you are interested in helping with any of these events, please reach out to SPICE to be added to our volunteer list.*

This month, we have several fundraising opportunities taking place. Please watch for fliers coming home to assist you in ordering.

First, the **RaiseRight (SCRIP) gift card** orders are due November 11, 2024 to ensure you receive your gift cards in plenty of time before holiday gift giving.

Our second fundraiser is the **HERD game** on November 16, 2024 where families can purchase tickets to watch the game which also includes:

- High Five Tunnel
- Post-Game Group Photo + Free Throws on-court
- 6 Students selected as Co-Captains of the game

A portion of ticket sales will be donated to our school. We hope to see you there for a night of FUNdraising!

Mark your calendars for **Cookies with Santa** coming up on December 7, 2024. We can't wait to see you there for a morning of fun decorating cookies, making crafts, playing games, and of course visiting with Santa. Get those letters ready!

**Please consider joining us at our next meetings:**

- Wednesday, November 6, 2024 at 6:30PM in the LMC
- Wednesday, December 4th, 2024 at 6:30PM at Wild River Pizza Pub

## 2024 Book Fair and Spooky Spree

### Shiocton PTO Night

Join friends, family, and staff of **Shiocton PTO** for a fun night out with the **Wisconsin Herd**! Shiocton students and families will be invited to participate in exclusive experiences provided by the Herd, and a portion of the ticket sales will be donated back to the PTO!

**EXPERIENCE INCLUDES:**

- 6 students selected as Co-Captains of the game
- High Five Tunnel for all Shiocton kids
- Post-Game Group Photo + Free Throws on-court

**HERD VS GOLD**

## Work has begun on the New Playground

Do you remember where you were in 1996 (almost 30 years ago!) when our last playground was installed? While we are sad to see the playground that has served us so well for so many years be torn down, there is great excitement for what the future holds with the new play structure. On October, 18, our maintenance team began working on the take down of our current structure. During the process of removal, we have seen the cracks, missing bolts, and general wear and tear of the structure. The students are very excited for a new play structure to make great memories with their friends and classmates for the decades to come. The new structure is set to be installed beginning on Friday, October 25, 2024 and will take about a week for that to be completed. **Thank you** to our amazing community that has helped us by donating to the playground fund. We are excited to create a new play space for our students, parents, and community to play on.

## Shiocton Child Care Center

### Pumpkin Fun

Mr. Bob Brownson grew and donated over 40 pumpkins to our Child Care Center. The students had a great time learning how to create jack-o-lanterns and put their fine motor skills to the test. **Thank you, Bob,** for your generous donation!

### Meet Mrs. Peters, SCCC Director

Mrs. Annette Peters joins us as the Shiocton Child Care Center Director on Monday, October 28. Mrs. Peters, a SHS alum, joins us with over 30 years of child care center experience. We are excited for her to join our team and help our center grow.

WECLOME, Mrs. Peters!
