Program Fees:

- There are no overall program fees for summer school unless your child enrolls in a class that has a fee for supplies and materials. For classes with fees, the fee amount is listed within the class information. Fees must be paid at the time of registration in order for your child to be officially registered into classes.

Individual Student Course Schedules:

- Student schedules will be distributed the week before summer school begins for students currently in grades K4-8; high school students may pick up schedules in the 7-12 Office.

Canceled Classes:

- Courses may have to be canceled due to insufficient numbers or lack of staff. For this reason, we ask that students select their **first** and **second choices** for each hour.
