## Summer School 2021

### Program Regulations:

- **Registration** – The summer school registration window is **April 21-30**. Fees must be paid at the time of registration in order for students to be officially registered in each class. Students will be scheduled into classes on a first come, first served basis. Please contact the school office at 920-986-3351 ext. 721 if you have any questions or need any assistance with registering for summer school classes.
- **Eligibility** – All students from districts within the Fox Valley Summer School Consortium are eligible to attend classes. The Consortium school districts include Appleton, Brillion, Freedom, Hilbert, Hortonville, Kaukauna, Kimberly, Little Chute, Menasha, Neenah, and Shiocton.
- **Credit Recovery and/or Credit Bearing Summer School Classes in Other Districts:** Any parent wishing to enroll a student for a credit recovery and/or a credit bearing summer school class that is OUTSIDE of their home school district should complete the registration form and turn in to the SCHOOL THEIR STUDENT PRESENTLY ATTENDS.
- **Attendance** - Students are expected to attend summer school on a regular basis. Please contact the PK-6/Summer School Office at 920-986-3351 ext. 721 to report an absence. Absences jeopardize earning credit for high school classes. If attending high school classes in another district, please note the summer school attendance policy for that particular district.
- **Conduct** – Regular school year rules apply during summer school. Remember to \*Be Safe; Be Respectful; Be Responsible . . . Be the Best That You Can Be!\* Students are expected to go home when their classes end. If students attend only one or two classes, they will not be allowed to wait a long time for rides or to hang around in the school due to there being no supervision during this time.

### Program Fees:

- There are no overall program fees for summer school unless your child enrolls in a class that has a fee for supplies and materials. For classes with fees, the fee amount is listed within the class information. Fees must be paid at the time of registration in order for your child to be officially registered into classes.

### Individual Student Course Schedules:

- Student schedules will be distributed the week before summer school begins for students currently in grades K4-8. You may also print out your child's finalized schedule during that first week of June.

### Canceled Classes:

- Courses may have to be canceled due to insufficient numbers or lack of staff. For this reason, we ask that students select their **first** and **second choices** for each hour. By doing so, this will prevent the office staff from having to make individual phone calls home to obtain the information. Thank you, in advance, for your assistance with this! ☺

### Pupil Transportation:

- Student transportation to and from summer school is the parent/legal guardian's responsibility. No transportation is provided by the school district for summer school.

### Grade Level:

- The grade level listed for each class refers to the grade that a student will be entering in the **FALL**.

### Summer School Questions:

- Please feel free to contact the Shiocton PK-6 Office/Summer School Office at 920-986-3351 ext. 721 if you have any questions.

See you in June! ☺
