January 5th, 2023

To the Shiocton Board of Education,

The grading scale committee would like to offer the recommendation listed below for a grading scale change in the School District of Shiocton. This recommendation is a result of discussion among the committee members, staff feedback, parent feedback, and student feedback. The feedback from each of these stakeholders was analyzed, and a recommendation was made based on the idea of creating a high level of equity for our students.

The committee recommends that we change our current grading scale to the scale listed below. This change will address the current GPA equity issue for our students when compared to other area districts.

95-100 = A		93-100 = A
93-94 = A-		90-92 = A-
91-92 = B+		87-89 = B+
88-90 = B		83-86 = B
86-87 = B-		80-82 = B-
83-85 = C+	Changed To	77-79 = C+
81-82 = C		73-76 = C
78-80 = C-		70-72 = C-
75-77 = D+		67-69 = D+
73-74 = D		63-66 = D
70-72 = D-		60-62 = D-
0-69 = F		0-59 = F

The committee recommends that this change take place at the start of the 2023-2024 school year to ensure that the new grading scale has been adequately planned out and communicated to stakeholders. The committee also recommends that this change be in effect for all 7th-12th grade students in the School District of Shiocton.

On behalf of the grading scale committee,

Nicholas M. Ortlieb
7th-12th Grade Principal

"Where Excellence is Expected"
