

TRANSPORTATION

It is the policy of the Board of Education to provide transportation for those students, of any age, whose distance from their school makes this service necessary within the limitations established by State law and the regulations of the Department of Public Instruction or other appropriate agency.

School buses and student-transportation vehicles shall be purchased, housed, and maintained by the District or the District shall contract for transportation services in accordance with Policy 8680 for the transportation of resident students between their home areas and the schools of the District to which they are assigned. ~~However, no vehicle with a capacity of more than fifteen (15) shall be purchased or used to transport students for which there is no applicable, passenger protection, Federal motor vehicle safety standards.~~ In accordance with State law, the District shall not transport students by alternative transportation methods of vehicles carrying more than nine (9) passengers and the operator. This prohibition does not apply to school buses operated in compliance with the Wisconsin Department of Transportation's regulations.

All school buses and student-transportation vehicles, whether purchased, leased, or contracted for as provided in Policy 8680 shall comply with specifications defined in State and Federal law. Each operator of a school vehicle used to transport students of the District shall be licensed for the purpose for which the vehicle is being used and shall operate the vehicles in accordance with Federal and State laws.

Transportation for private school students, eligible for transportation under State law, shall be provided on the same basis as for District students.

Transportation of eligible students with exceptional educational needs or attending a technical education program shall be arranged through the use of District-owned vehicles, through cooperation with other districts, through commercial carriers, and/or by other means in the most efficient and economical manner.

Transportation privileges may be revoked if the student's conduct is in violation of the District Administrator's administrative guidelines or the Code of Conduct pertaining to student transportation. Such revocation shall be in accord with statutorily-required procedures.

The Board authorizes the District Administrator to install and operate video cameras on District buses to enhance student safety and well-being. S/He shall establish appropriate administrative guidelines for the proper use of the cameras.

| ~~The District Administrator shall establish administrative guidelines to ensure proper implementation of this policy.~~
