

A la Carte Information & Permission

Dear Parents/Guardians of K4 students/6th grade students/New Students:

The cafeteria offers the elementary/middle school students options for breakfast. The students are able to purchase a reimbursable breakfast from side 1 or side 2 at a cost of **\$1.15** If your child/children are eligible for the free/reduced priced meals program they will be able to purchase a breakfast from side 1 or side 2. **Single items are excluded.**

Ala Carte pricing is in the process of changing and will be posted at a later date. Students will not be able to purchase ala cart items without a permission slip signed by the parent. Please sign below and return to the cafeteria. You may limit the amount that can be charged to the account (such as a \$1.00, \$1.50 or \$2.00). Money **must** be in the account to purchase a la carte items! If your child/children receive free/reduced priced meals, single item purchases will be charged separately. Money does need to be in the account prior to charges being made or the students can pay in cash.
