

Dear Parents/Guardians of 2017-18 Shiocton High School Students,

The School District of Shiocton's foodservice department offers high school students breakfast1 and breakfast2, lunch1 and lunch2. The Students are able to purchase the reimbursable lunch or lunch1 at a cost of **\$2.75**. The reimbursable breakfast1 or breakfast2 are at a cost of **\$1.15** and have a variety of items to choose from. If your student(s) are eligible for free/reduced price meals, they are eligible to purchase reimbursable meals from the breakfast1 or breakfast2, lunch1 or lunch2. **Single a la carte items are excluded. A la carte pricing is in the process of changing and will be posted at a later date.** Students will not be able to purchase ala cart items without a permission slip signed by the parent. Please sign below and return to Deb Danke Nutrition Program Director. You may limit the amount that can be charged to the account (such as a \$1.00, \$1.50 or \$2.00). If receiving free or reduced priced meals money **must** be in the account to purchase A la carte items or pay with cash.

PLEASE FILL OUT ONLY ONE LINE.

_____ has my permission to charge A la Carte items to
(Childs Name) the account with no limit.

_____ can charge A la Carte with a limit of \$_____
(Childs Name) per day

_____ can **NOT** charge A la Carte items to the account
(Child Name)

■■■■ Note: Money must be in the account to purchase meals or a la carte items or pay in cash. The students will be reminded if they purchase items over the limit for a limited time, however it is their responsibility to know their limits. Please discuss this with them. Once the students touch the food they must pay for the food items. If the family account falls below \$-20.00, your student(s) will not be able to purchase any food items on to the family account. Please discuss this with your student(s). Please sign below after reading the entire page.
