"Where Excellence Is Expected"

District Begins Exploration of On-site Child Care Center

At the March 6 Board of Education, Mrs. Schweitzer explained her concern regarding students leaving the district through open enrollment at the 4K level without having been in the school for even one day. Mrs. Schweitzer explained that in-home daycare providers have expressed that they are full and turning families away. She has spoken with parents who confirmed that there is a shortage of child care providers with openings in our district. Because of this, parents take their babies to child care providers in the towns that they work in. In four years, the children develop strong relationships and this leads parents to open enroll their children out to the school that the other kids in the daycare will attend.

Mrs. Schweitzer discussed her visit to the

Cambria-Friesland School District that most recently began an on-site child care program. While there were challenges to getting the center up and running, the 20 students they started with 18 months ago has grown to 80. Mrs. Schweitzer noted that CFSD offers childcare for children 6 weeks to 4K/5K ages and the center is open year round. She also noted that CFSD has seen an increase in the students open enrolling in because teachers living outside of the district will now bring all of the children with them in the morning, even the school age ones.

The Board agreed that the district should explore what the true need is in our community, which will then guide future actions. Mrs. Schweitzer and the Board agreed that the district will also need to connect with the in-home care providers as the process progresses. Look for the survey to be out in the coming weeks.

RFPs for Multipurpose Facility Sought

The Board of Education approved the issuance of a Request For Proposal regarding the construction of a multipurpose facility. This structure would provide a specific space for the wrestling program, as well as an expanded area for weightlifting and fitness equipment.

Currently, the wrestling program is afforded space in the lunchroom at the end of the day each day. There are several challenges this arrangement presents that the multipurpose facility would adequately address. Additionally, the facility would afford a more effective means of instruction and oversight for physical education classes. The gross motor area (gym) is completely removed from the weight room, which has very limited space and cannot always accommodate all of the students comfortably. Having a gross motor area incorporated with the weights and the fitness equipment affords teachers the opportunity to run circuits and provide differentiated instruction while maintaining constant direct supervision. With the increased room, additional fitness center equipment could better meet the needs of our growing number of community members who are seeking a workout facility closer to home.

RFPs are due to District by March 29. A committee will then evaluate the responses and reduce the construction management pool down to a maximum of five. Each will participate in an interview and presentation session before one firm is chosen. Opportunities for input and to explore designs with costs will follow. Look for more information to come in future editions of The Link, as well as on our website.

Chief Chatter

Welcome to Chief Chatter. I hope you will find it both interesting and informative.

Speaking of information, did you know that an estimated 65% of today's schoolchildren will be employed in jobs that have yet to be created ... seriously! It makes sense. How many of your classmates in Kindergarten said, "I want to be a webpage designer" or "I think I'll be a social media manager". Each day, we are preparing students with the literacy and numeracy, critical thinking and communication skills needed to be successful regardless of what career lies on their horizon.

Speaking of success ... 7 of the 13 GBB Sectional Champion players are also members of the band; 2 more are in choir. Of the 12 BBB Regional Champion players, 5 are in band and 2 are in choir. And ... 8 BBB members and 11 GBB members have earned a GPA of 3.2 or better. We can be very proud of our talented student-athletes!

Good coaching doesn't just happen in athletics. Our ELA and math coaches provide instructional support, as well as important resources for our classroom teachers who continue to stretch their instructional abilities. Thank you Natalie, Ashley, Michelle, Laura and all!

Speaking of stretching ... our ECH and 4K teaching teams are working with folks from UWO's Early Learning program to assess their learning environments by way of the ECERS-R. Watch for changes as we stretch our environment (and instruction) to better meet the needs of our youngest learners.

No wonder there is so much #ShioctonPride!

~Mrs. Schweitzer

School Board Election...

Shiocton School Board election will be held on **Tuesday, April 4**. Local polling location hours are from 7:00 A.M. to 8:00 P.M. The present incumbents are as follows:

David Gomm
Mindy Hofacker

School District of Shiocton

School District of Shiocton

PK-6 News

Happy Spring! Thanks to everyone who came out to enjoy the Science, Health & Fine Arts Fair in March. Once again, there was a wonderful turn-out for this event! Also, thanks for your support of the book fair that was held in conjunction with the fair. A special thanks to all of the students who participated through projects, displays, art work, and/or music. G-R-E-A-T job!

Congratulations to all of the students who participated in winter sports, Forensics, music festivals, and other clubs and/or activities. Now that we are moving into spring, track season is just around the corner. If your child is looking for something to do, encourage him/her to go out for track. It's a wonderful way to stay in shape while also having fun with classmates.

Elementary/Middle School Testing Updates:

Wisconsin Forward Exam: Students in Grades 3-8 will be taking the Wisconsin Forward Exam in April/May. This required assessment will be used to gauge how well students in Wisconsin are mastering the State Standards. Students in Grades 3-8 will be tested in English Language Arts and Mathematics. Students in Grades 4 & 8 will be tested in these subjects and also in Science and Social Studies

STAR: Students in K-8 will take their final STAR test of the year in May. The information from this test will give the staff the opportunity to look at whether or not the students obtained the goals that were set at the beginning of the year.

PALS: This is a required Wisconsin test that students in Grades K4-2 take in the fall and again in the spring. Shiocton students within these grade levels will be taking the spring PALS assessment in May.

Other News:

Summer School: Registration will take place from April 3-21. Students will be scheduled into classes on a first-come, first-serve basis. All fees must be paid at the time of registration.

K4/K5 Orientations: Orientations are scheduled for Friday, May 12 or Friday, May 26. If you have not already registered for one of the sessions, please call the PK-6 Office at (920) 986-3351 ext. 721.

Staff Appreciation Week: During the first week of May, we will be celebrating "Staff Appreciation Week" within the Shiocton School District. During this special week, I will be drawing names for various prizes. If you would like to donate items (gift cards, gift certificates, gas cards, baskets of goodies, etc.) to be given away, please send them to the office anytime during the first week of May. Feel free to send treats for the lounge anytime during the week, as well. Have your child bring the treats to the office, and we will get the goodies to the lounge. Also, this would be a great time for you to have your child sit down and write a special note to a few special staff members (teachers, paraprofessionals, kitchen workers, secretaries, custodians, administrators, bus drivers, etc.). Trust me when I say that these notes from the heart are the absolute best gifts that can be given!

Elementary Classroom Assignments for 2017-2018: In May, we typically begin to look at classroom assignments for the upcoming school year. The teachers do a great job of dividing the students up after having worked with the students for the duration of the school year. The teachers take into consideration the child's personality and needs, while also trying to maintain balanced classrooms and separating any students who do not work well together. Because of this, teacher requests are not encouraged unless there is an absolute necessary academic need. These requests should be put in writing (not email due to these ending up in junk mail) and given to the child's current teacher and to the office.

With "spring fever" approaching, please remember to pay special attention to your child's agenda, homework folder, or Skyward grades. This is the time of the year when students often let homework and grades slip unless a parent/guardian is closely monitoring progress. With the fourth quarter quickly approaching, this is the perfect time for middle school parents to remind their children that fourth quarter grades roll over to determine eligibility for sports during the 2017-2018 school year. (This is a great motivator for students who intend to begin or continue with sports in the coming year.)

Here's to a strong finish to the 2016-2017 school year! Have a great April and May!

Mrs. Kim Griesbach
Principal, Grades PK-6

Spring Has Sprung for Grade 2!

By Mrs. Hoppe

Spring has FINALLY made its way here! (We think...) No more snow pants? (We hope...). Now we are ready to move into our final and BEST quarter of the year. Our students have learned so much, and this is when we should really be able to see all of the wonderful progress they have made since September. Encourage your child to continue doing their best, as it definitely gets more challenging to focus as the weather gets warmer.

This month in math, the students will be mainly focusing on 3-digit addition and subtraction. We will be continuing to solve story situations using all of the cool strategies learned so far. But now we will be using them with 3-digit numbers. It's amazing how far these kids have come this year with being able to think through a story situation and use one of several strategies to solve it. Awesome! Thanks parents, for your support with getting math homework completed nightly. That helps so much!

Our second graders are also becoming very thoughtful, talented writers! This year they have learned how to write narrative, opinion, and informational pieces. They are learning to write in ways that draw their readers in: using good organization, a good hook at the beginning, many details, interesting topics with juicy words, and a strong ending. It's been fun to watch them learn and grow as writers, with topics they have chosen and are interested in. Spring is a great time to look back at all that has been accomplished, and also to look ahead to where they are going. Let's finish strong, Second Graders!

***These are pictures taken at our field trip to Green Bay in March where we went to the Weidner Center to see the play, *The Odd Squad*. After the play, we got a chance to discover, learn, and have fun at the Children's Museum. It was a fun day!

Staying Focused in Grade 4

By Mr. Beer

The days are getting longer, the birds are singing louder, and the grass is getting greener. Spring has definitely arrived! With the nicer days outside, we all need to do our best to keep our kids focused and working hard as the school year flows through the last quarter of the year.

The Wisconsin Forward Exam will be in full swing during the month of April. It is very important for the 4th grade students to practice good sleeping and eating habits during this time. A good breakfast is a very important thing on the day of the test. The cafeteria staff at school is always ready with a healthy meal here at school if times are tight in the morning at home. Please be sure to help your child put forth his or her best effort on this test by keeping them well rested and hydrated around the dates for our tests.

During the month of April, our 4th grade students will be spending an afternoon playing bingo with our local senior citizens. This is always a fun day for the youth and our more "seasoned" Shiocton community members. We will also be visiting the Erickson Farm just outside of Bear Creek as we bring our America's Dairyland lessons to a close. Mrs. Erickson has worked with our students for three years now and they always learn valuable information about this Wisconsin industry through her unique presentations. We are also preparing for our Madison field trip on May 1 where we will have our annual visit to the state capitol building and the Vilas Zoo. We all are crossing our fingers

Grade 8 Boys Basketball

The eighth grade boys basketball team took first place in the tournament at Hortonville on Sunday, March 5. Team members are—front row (from left): Trey V.S., Austin W., Hudson S., Jack S., and Tyler P. Back row: Coach Chad Schmidt, Jaden D., Carson S., Shelden A., and Caden S.

After-School Child Care Information Meeting

The Boys and Girls Club of the Fox Valley will host informational meetings regarding an after-school child care program (ASCC). Parents interested in having their child participate in the ASCC program are asked to attend one of the following meetings:

April 12 at 6:30 P.M.

April 20 at 6:30 P.M.

April 25 at 6:30 P.M.

Plan to learn more about programming, hours of operation, contracts, and cost.

Please RSVP for a specific meeting date to: bbloedorn@shiocton.k12.wi.us

Terracycle Update

By Ms. Schmidt

For a quick update on our efforts to save our planet here in Shiocton, we have currently been working with Terracycle for almost two years. During those two years, we have been a part of four different brigades. We were able to save thousands of writing utensils from the landfills, but unfortunately that program is no longer available. On a positive note, we have collected more than 3,500 aluminum juice pouches (like Capri Suns) from entering the waste containers. Isn't that amazing? Besides juice pouches, we have recycled more than 1,000 mini muffins bags (like Little Bites). The squeezable apple sauce tubes have totaled more than 800, as well. What a big impact for such a small items!

The donation bins are located in the cafeteria. Your child(ren) can help each time they have one of these items by placing the **empty packaging** into the collection tub. Please contact Robin Schmidt at rschmidt@shiocton.k12.wi.us with any questions about acceptable items. ***Our students make a difference everyday!***

Acceptable Items:

LMC Website Page

By Mrs. Martin

Check out our newly redesigned LMC Elementary Resource website pages. You can view them under the *Students* menu on our school website. Coming soon -- redesigned LMC Middle and High School Resource webpages.

Recitals

By Mrs. Ritchie

The piano/guitar recitals for Mrs. Ritchie's students will be held in the cafeteria on May 19 & 20. The Friday evening recital will take place at 6:30. On Saturday, the recitals will be at 10:00, 1:00, and 4:00. Each recital will be different. Refreshments will be served and the public is welcome.

Chief Spirit Lodge

By Mrs. Suda

The Chief Spirit Lodge has a lot of new apparel in stock, along with new student hours. First, with the apparel, the Chief Spirit Lodge has many new youth shirts, sweatshirts, and sweatpants in all different sizes and colors. We also have new pink pom hats and new dri-fit adult and youth sweatshirts. As requested, we have added ladies dri-fit sports pants.

The Chief Spirit Lodge is **never closed**! Stop in the District Office, and Mrs. Bloedorn will open the Chief Spirit Lodge. For your shopping convenience, the elementary office always has a variety of youth options to purchase. The Lodge also has new student hours. It will be open Tuesday, Thursday, and Friday during ELT (2:30 p.m. to 3:00 p.m.), and Wednesday and Friday during 5th hour (11:30 a.m. to 12:10 p.m.).

We would also like to thank you and the community for their endless support. It has allowed us to provide a **\$1,000 scholarship** for a qualifying senior! You have also helped the Chief Spirit Lodge provide **gas and grocery gift cards** for families in need in the community. Your support is greatly appreciated!

Donkey Basketball is Back!!!

By Ms. Schneider

The Donkey Basketball game will be held April 18 at 6:30 p.m. in the Shiocton High School gym. Come and see students, staff, and community members compete in a basketball game while riding donkeys! Advanced tickets will be sold for \$7.00 in the High School Office, Elementary School Office, and by High School Student Council members throughout the community. Tickets will also be available at the door for \$10.00. This event promises a lot of laughs!!!

WCATY Summer Programs

The Wisconsin Center for Academically Talented Youth (WCATY) offers academic residential summer programs and commuter day camps to challenge and nurture students. WCATY's mission is to foster the growth of Wisconsin's most academically talented students by providing programs that support, motivate, and challenge. The Accelerated Learning Program (ALP) for current 9th-12th grade students, the Summer Transitional Enrichment Program (STEP) for current 7th-8th grade students, the Preparatory Academic Campus Experience (PACE) for current 5th-8th grade students, the Growing Early Minds (GEM) program for 2nd-4th grade students, and the Young Student Summer Program (YSSP) for current 4th-6th grade students offer a wide-range of multidisciplinary courses that push students to explore, belong, and excel. This year's class topics include Critical Reasoning, Engineering Challenges, Acting, Music for Mathemusicians, Explore the Brain, Creative Writing, Game Design, Veterinary Science, and many more! WCATY uses multiple outcome measures, student and faculty evaluations, parent input, and research-based practices to maintain an overriding focus on quality. For more information on each of the programs, application requirements, and course selections, please visit our website at www.wcaty.wisc.edu or email: wcaty@education.wisc.edu.

Gifted and Talented Enrichment Services

By Mrs. Pfundtner

Wow! Our Battle of the Books team comprised of: Kayleigh P. (Grade 5) , Lydia H. and Tyler P. (Grade 4) , Bryn K. (Grade 3) , with one alternate Reghan C. (Grade 4) , maintained our last year's team 300 Club performance. Our score was 315 points with three tie breaker points for an Honorable Mention. The highest score possible was 375 points with twelve tiebreaker points. Four schools received 1st through 3rd place. Two hundred seventeen teams competed. Fifteen teams scored higher than we did including the 1st—3rd team winners. Two hundred and one teams scored below us. We look forward to having another amazing team next year! I am so proud of all the students who participated this year!

Upcoming GT Events:

- 4/6—Spring Noetic Learning Math Contest – (Grades 3-6)
- CAT (Cognitive Abilities Test) Screening for all second grade students – April/May

College Day for Kids ~ UW Stevens Point

College Day for Kids is a program designed for high-ability sixth graders and will be held on Friday, April 7. Amelia S., Jordyn H., Abbie F., Tom P., Davin P., and Colten S. will be attending the University of Wisconsin - Stevens Point campus for enrichment classes taught by university faculty and academic staff. They will enjoy lectures and hands-on activities with exposure to a variety of topics like: Bad Astronomy, Code Making & Breaking, Shakespeare for Modern Times, Digital Storytelling, Games, Movies and More, Amazing Reptiles and Amphibians, Sign Language, Origami, The Leader in Me, Stargazer, Taekwondo, Stopping Lyme Disease, A Quest with a Dragon.....and more.

College Day for Kids ~ Oshkosh

College Day for Kids at UW-Oshkosh will be held on Monday, May 15. All fifth grade academic/art gifted & talented kids will be invited.

Above: Reghan C., Lydia H., Kayleigh P., Bryn K., and Tyler P.

Below—Back Row: Amelia S., Abbie F., Jordyn H., Davin P., Colten S., Eli J., and Megan W.
Front Row: Hannah W., Bryn K., Lucy F., Kayleigh P., Kira S., Lydia H., Reghan C., Tyler P., and Mason D.

Youth in Government Day

By Mr. Taylor

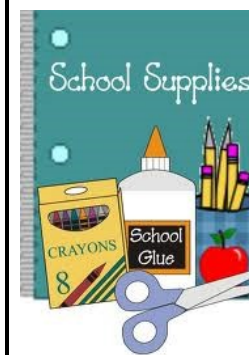

On March 14, seven Shiocton High School students attended the Outagamie County Youth in Government Day held in Appleton. Youth in Government Day is a program designed to provide high school students with firsthand knowledge of how county government plays an important role in their lives and provides an opportunity for students to actively engage in the legislative process. The goal of the program is to develop awareness of how the county functions and to assist students in becoming well informed and active citizens in their communities.

Students began the day listening to different county government officials speak about their specific duties and the role of county government. Students then participated in a mock committee meeting and a mock county board meeting. Shiocton students were assigned a mock resolution about the posting of the Ten Commandments in the county courthouse. The group decided to amend the resolution in committee and then persuaded fellow Outagamie County students to support their resolution during the country board meeting; they were successful and the resolution passed! Students spent the second half of the day eating lunch at the Appleton American Legion Post 38 and listening to guest speaker, Mark Wadium, talk about his job as a lobbyist for Outagamie County at the state level.

School Tool Box Sale

By Tammy Welch

It's time to start thinking about school supplies for this fall. Seems early, I know. SPICE is bringing the School Tool Box sale to Shiocton again this year. This is a great resource for our children. It is also a huge time saver. I order each year and am finished buying school supplies in the time it takes to write a check. Please watch for the order forms that will be coming home soon. The sale will be in May and the supplies will be ready for pick-up at registration in August.

Junior Achievement (JA) will be starting up for our 3rd grade students. Our City, will introduce students to the intersection of financial literacy, while including characteristics of cities and how people and businesses in cities manage their money.

Chief Chats for 5th grade students are starting up. Please contact Mrs. Kern to set up a chief chat with your child today!

7-12 Students

Attention Seniors: Local scholarships are available on the school website. Deadlines are fast approaching; apply now!

Chief Chats for Grade 11 are underway. Please contact Mrs. Cornell to schedule your chief Chat conference.

Middle School Student Council News

On March 1, the Shiocton School District recognized the national Spread the Word to End the Word campaign. This program promotes respect for all individuals. Student participated in a banner signing during lunch.

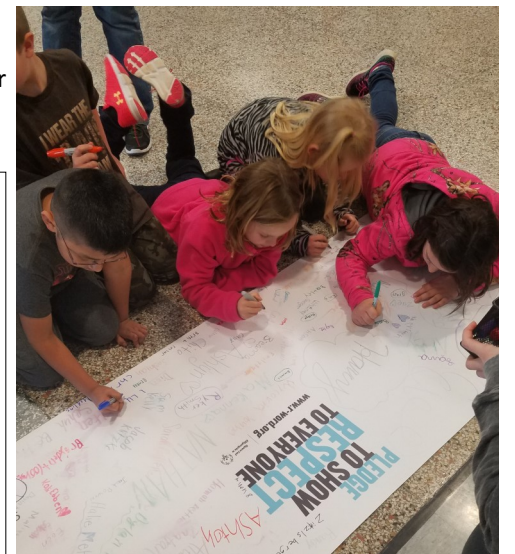

Above: Pictured are Middle School Students wearing their Spread the Word shirts.

MS Student Council Upcoming Events:

April 6: Hat day
April 19: Student Council Meeting
April 20: Sports team apparel day

Right Picture:

Elementary students sign a banner pledging respect.

April Character Trait

PERSEVERENCE

- Use language to make the connection between hard work and success.
 - Set goals with your children.
- Read books that feature characters notable for their perseverance.

Upcoming Events

April 1- May 5: Forward Exam Window
April 5: 8th Grade Career Fair at Clintonville
April 13, 14, and 17: No School
April 22: Prom
April 24-May 26: ACT Aspire Window for Grades 9 & 10
May 8-9: AP Exams
May 17: Senior Awards Night
May 24: Senior Supper

SPICE

By Mindy Hofacker

S.P.I.C.E. has been busy as we head into warmer and longer days. Our Spring Book Fair was a huge success. Thank you again to everyone who volunteered to help! Thank you to all who supported the fair by purchasing books and other items and to those that sent in donations to help us purchase books for classrooms.

Our Quilt and Basket Raffle was recently held. The winner of the beautiful Water Lilies quilt was Jen Brendan. Again, we want to thank Lisa Beecher and Jeanne Reese for their time and talent in creating this beautiful work of art. Huge thanks also goes out to all those that donated items to our raffle to create fun themed baskets for additional prizes for the drawing.

And lastly, a big thanks to all who purchased raffle tickets.

Our Trex Plastic Bag Challenge will wrap up on April 15. The winners will be announced on Earth Day, April 22. We have collected quite a bit so far!

Two SPICE Board positions are up for reelection this year. We will be holding an election for our Vice Chair position and our Secretary at our May 3 meeting at 6:00 p.m. at the River Rail. If anyone is interested in running for either position, please email at spice@shiocton.k12.wi.us.

Our next meeting will be on April 5 at 6:00 p.m. in the LMC. Thank you for your continued support of SPICE!

Family Night at Funset Boulevard

S.P.I.C.E. is sponsoring the annual Family Fun Night at Funset Boulevard. This year's date will be held on **May 4 from 4:00 p.m. to 10:00 p.m.** Wristbands are sold at a discounted price of \$4.00 through our group. Families who have purchased wristbands will be eligible to receive \$5.00 off a regular priced large pizza along with 20 game tokens. Adult supervision will be required for all children. The wristbands will include unlimited access to bumper cars, carousel, train, kids play area, and laser tag. Watch for more information to be sent home with your youngest or only child soon!

THE OFFICIAL NEWSLETTER FOR SHIOCTON MUSIC

CALLING ALL NIAGARA FALLS TRIP-GOERS AND PARENTS

We will hold a very important meeting to discuss all rules, regulations, and guidelines for the Lake Erie trip on **Wednesday, April 5** at **6:00 p.m.** in the **Band Room**. It's essential that all trip participants and their parents attend. It's a huge endeavor to bring over 100 students and chaperones out of state. Understanding our trip guidelines and expectations helps to ensure a safe and fun trip for all. Please mark your calendars and attend. See you then!

KIDS EXCITED FOR BADGER BAND TRIP

The band kids (Grades 6-8) will travel to the Kohl Center on **Friday, April 21** to see the Badger Band, one of the finest university bands in concert! Students leave right after lunch and will return late night/early morning.

ATTENTION ALL 4TH GRADE PARENTS...

The *GRAND BAND RECRUIT* is here! Throughout the month of April, we'll demonstrate and test out all the instruments in band. The 4th grade classes will even visit some of the band classes to hear the full band play. Then on **Tuesday, April 25** we'll have a **Parent Meeting** for all parents and students interested in joining band. The meeting will take place in the **Band Room** at **6:00 p.m.** We'll talk about instrument rentals and what it takes to be in 5th grade band. We look forward to seeing you there!

CONGRATULATIONS CHOIR MEMBERS

Congratulations to members of the HS Choir for their performances at the Solo/Ensemble Festival at Menominee Indian High School in February. Special compliments to Jeanie Beer for moving on to State Festival this year! She will represent Shiocton at UW-Oshkosh on **April 29**.

BAND/CHOIR HEAD TO NIAGARA FALLS!!!!

The High School Band & Choir is excited to head to Niagara Falls **May 3-7**. Students will perform at Cedar Point Amusement Park, tour the Rock and Roll Hall of Fame, explore one of our nation's natural beauties, and so much more.
