## Route to Recovery Dollars: Sharing the Funds

Earlier this year, local municipalities were provided funds to assist in their efforts to support their communities through the pandemic and into an economic recovery. These "Routes to Recovery" grant dollars were provided so that the local municipalities could address some of the needs presented by the pandemic, most of which were unforeseen and therefore could not have been budgeted for. Where there were dollars remaining, the local municipalities were then able to share the funds with other local agencies, including school districts, or let the funds revert back to the State.

The School District of Shiocton wishes to extend our sincere gratitude to the Town of Black Creek, Town of Bovina, Town of

Center, and Town of Deer Creek for sharing their remaining Routes to Recovery grant dollars. Together, these funds totaled just over \$20,000. The money was used to offset the many disinfecting and sanitizing costs the District has incurred due to the pandemic, as well as costs related to face coverings, face shields, plexiglass dividers, and other resources needed to keep staff and students healthy and safe while schooling in-person.

Too, the School District wishes to thank the Village of Shiocton and the other townships who expressed a willingness to share remaining funds had there been any. We are thankful for all of the support.

Together, we will remain healthy and safe while working and learning in-person.

## CHIEF CHATTER

### Tis the Season: Now, Always

"Tis the season ...." is a phrase often heard this time of year. It is used to bring attention to everything from the actual holiday to happenings associated with this time of year.

Tis the season for cold weather and winter gear. Please be sure to send your little ones (and your bigger ones) to school with hats and gloves, a warm coat, and boots. If you are in need of these items, please contact Mrs. Kern (x762). We are blessed with generous community members who have donated many of these items ready for use by kids of all ages.

Tis the season for slippery roads and inclement weather (it will be here soon enough). Please be sure to prepare ahead of time by downloading the District's Parent App, which is available for both Android and iPhone users. Too, be sure to update your Skyward contact information. School-related alerts are sent out by phone, email, and text. Finally, be sure to check the media. Information about delays, cancellations, and closings are pushed out to the various television and radio media outlets, as well as through our District's Facebook page and website.

Tis the season to enjoy the sights and sounds of the holiday. While concerns for the spread of the virus will keep us from gathering in the high school gym for our annual Winter Concert, we will continue to share our holiday spirit, as well as the talents of our musicians and vocalists of all ages, through recorded concerts. Watch for more information, including the link to the recordings in the coming weeks.

Tis the season for cold and flu ... and COVID. Please continue to be diligent in checking your child for symptoms each morning. What looks like the common cold or flu could be symptoms of COVID. We appreciate you keeping your child home and checking with Mrs. Austin, School Nurse (x714) as to your next steps.

Tis the season to count blessing, and our blessings are many despite the presence of COVID. We are blessed to have supportive families and community members who see the value in public education in our own community. We are blessed to have dedicated, caring, and knowledgeable educators and support persons who simply want to be in the classroom, teaching the youth of our community. And we are blessed to be ONE ... One Town. One School. One Community.

*Tis the season ... Happy Holidays!*

*~Mrs. Schweitzer*

## FOOD AND TOY DRIVE STILL NEEDS YOUR HELP

Classes throughout the Shiocton School District are still collecting items for this year's Food and Toy Drive. There is still time to help as the Drive goes through **Friday, December 15**. We would like to thank everyone who contributes to this wonderful event! Each year we're able to accommodate more and more families thanks to this generous community!!!

If your family is experiencing a financial hardship, or if you know of a school family in need, please contact one of the following people so that we can add families to the confidential list and spread some more joy this holiday season.

\*Reminder: Donations will not be accepted on Mondays as part of our COVID-19 precautions.

# NEWS FROM GRADES PK-6 OFFICE

Greetings from the PK-6 Office!

It feels like I just recently wrote my Link article for October and now it is already December! I hope you and your family have been adjusting to the time change and the ups and downs of the weather over the last month. It certainly has been interesting!

Here at school, we are filled with pride at how wonderful the district's virtual Veterans Day program turned out. For me, personally, it was absolutely incredible to watch the program right on my computer and see everything up close in such a new way. We hope all of the veterans who watched felt all of the love and gratitude being sent their way.

The High School Student Council Food and Toy Drive is continuing into December. We are continuing to collect food and toy donations for area families. The week of December 1-4 is designated for personal hygiene products and toys. The week of December 8-11 is designated for any food or toys. The following week is designated for deliveries to the families. Thank you, in advance, for helping to make this season a little brighter for families in our community!

Earlier this year, we received notice that Grade 4 at our school has been selected for the National Assessment of Educational Progress (NAEP) this year. The testing is scheduled to take place between January 25 and March 19. The Federally required NAEP reports national and state-level results which are released as The Nation's Report Card. We will share further information when the dates for the testing are determined.

In case you are looking for a way to be involved in school activities -- even from a distance -- please know that our Parent-Teacher Organization called S.P.I.C.E. (Shiocton Partners in Children's Education) is still meeting on a monthly basis. This year, the meetings are virtual which might be even more convenient for you. Watch for more information about how to join in on the monthly Zoom meetings or feel free to call the PK-6 Office at (920) 986-3351 ext. 721 or ext. 747 for more information. This is such a great way to stay in the loop and assist in the planning of many great activities which directly benefit the school! New members are always welcome to attend. The next meetings are scheduled for Wednesday, December 2 and Wednesday, January 6 at 6:00pm via Zoom. We hope you can join in (even if you just want to listen).

During this upcoming month, may we, once again, take time to count and appreciate our blessings, appreciate all of the special people in our lives, and help those who are less fortunate. I wish you all a safe, healthy and blessed month of December.

~Mrs. Kim Griesbach, PK-6 Principal

## HAPPY HOLIDAYS!

**School offices will be closed over Winter Break, from December 23 until January 2.**

## **FIFTH GRADE TEACHERS HAVE BEEN “GIFTED”**

**T**he fifth grade teachers have been “gifted” with a great group of students this year! Their presence at school each day is a blessing. We want to commend our team for wearing their masks correctly, washing/sanitizing their hands often, watching their distance from each other, and working in small groups for less than 15 minutes. We appreciate the smiles behind the masks, zooming with classmates, cooperating with assigned seating in the lunchroom/classroom, and patience while teachers clean desks. We are so proud of our TEAM of fifth graders!

~Mr. Backman, Mrs. McNichols, and Mrs. VerVoort

## **FIRST GRADERS PREPARE FOR THE GINGERBREAD MAN**

**W**ow! November has come and gone already. We were so busy in first grade that the month flew by. We had many discussions on the meaning of Thanksgiving and what we are thankful for. We also created projects centered around the Thanksgiving theme.

This brings us to December. We have lots of fun and exciting activities planned for this month. One favorite will surely be our gingerbread man unit. We will read several versions of this old tale and compare the stories. However, due to COVID-19 we will not be baking our annual gingerbread cookies this year. Instead, be on the lookout for the recipe being sent home so that you can make your own gingerbread man! Remember to keep a close eye on that oven...and don't peek!

## **MINI VIRTUAL CONCERTS**

**T**he Shiocton Elementary, Middle, and High School have decided to **try** to have “mini virtual concerts” throughout the school year instead of “in person” concerts due to COVID 19 concerns. You will be able to find these concerts on YouTube, Chiefs TV, social media, websites, and/or in your emails. So far the elementary students have performed their veterans day song (found on Mrs. Carlson’s YouTube channel) and the MS/HS has performed two different performances (found on Chiefs TV)! If you ever have any questions or comments, please contact the appropriate music directors:

Speaking of changes, Mrs. Carlson is working with the students to prepare a virtual winter program instead of our in-person concert this year. Watch for more details coming home regarding this program.

As we enter the hustle and bustle of the holiday season, sometimes the routines of homework get set aside. Remember that the more your first grader reads the better reader he/she will become. Please try to keep your nightly routine of reading and completing math homework intact. Thank you for continuing to be an active participant in your child’s education.

~Mrs. Streblow, Mrs. Bellin, Mrs. Behnke

## Notes from the Nurse

Happy December, everyone! I again want to thank our entire community for “stepping it up a notch” to keep our school healthy, safe, and open. It takes extra effort on the behalf of everyone to keep everything going and all of us at the Shiocton School District appreciate all the precautions everyone is taking. Thank you for being kind and understanding with everything going on.

The most important thing that you can do is to keep your child home if they are sick. The presentation of COVID-19 in children has been very similar to that of a “common cold”. If your child has a cough, runny nose, sore throat, headache, or loss of taste or smell they should be staying home. Please reach out to myself, Mrs. Sell, or Mrs. Dembowski if your child is staying home for these reasons. A coronavirus test may be required prior to your child returning to school.

Also, a reminder to get your flu vaccinations as soon as possible. This year is more important than ever to get one as there is very little research done on caring for individuals who may simultaneously get influenza along with COVID-19. Getting a flu vaccination is very easy. Your primary care physician can set you up with one or many local pharmacies that have walk-in vaccinations as well.

If you have any questions or need any information regarding flu vaccinations please call or email me.

### S.P.I.C.E

Looking for that special gift for that special someone this holiday season?

Not sure what to get for them, or what they may need during the pandemic?

S.P.I.C.E has you covered!

S.P.I.C.E. has partnered with ShopwithScrip.com to help with our fundraising efforts. You can purchase gift cards for places that you would normally shop, and S.P.I.C.E. earns a percentage of the gift certificate amount.

### It's as easy as 1, 2, 3!

1. Create a ShopwithScrip username and password at [www.shopwithscrip.com](http://www.shopwithscrip.com) and link it to S.P.I.C.E. using Enrollment Code 2E7ABC8F681L7 .
2. Shop and pay for your gift cards online.
3. Receive your gift cards via email (e-gift cards) or have them sent directly to your house!

Shop the Scrip Holiday Catalog at <https://www.shopwithscrip.com/giftguide>.

Get your shopping done, and help S.P.I.C.E. support your student's school!

Contact us at [spice@shiocton.k12.wi.us](mailto:spice@shiocton.k12.wi.us) with any questions.

Please join us for our next meeting on Wednesday, December 2nd, 2020 at 6:00pm via ZOOM.

~Melissa Dawes, S.P.I.C.E Chairperson

### Inclement Weather: School Closing/Delay Announcements

It's that time of year again when we look to the thermometers and skies for possible falling flakes as the temperatures dip. Make sure that you are prepared to receive notices of school delays, closings, and cancellations:

1. **Watch the news and check their delays/closing/cancellation listings online:**

- WLUK (Fox 11)
- WFRV (Channel 5)
- WBAY (Action 2 News)
- NBC (Channel 26)
- WSAU(99.9FM)

2. **Update your Skyward information to include:**

- Primary phone number (home or cell) for automated call notifications
- Cell phone number for text messages
- Email address for mailed notification

3. **Download the Shiocton School District App (for Android and Apple)**

School delays will typically be for a two-hour time period and will also cause a cancellation of the morning Early Childhood program. Should school be canceled for the day or early in the afternoon, all extra-curricular events and practices will also be canceled. Announcements will be posted to television and radio stations, including their online listings, as early as possible.

All parents and staff members will be contacted via the **Skylert messaging system**. If you have had any changes in your phone number or e-mail address, please update this information by calling your school office at (920) 986-3351. Doing so will ensure that you receive these important email, phone calls, and text messages.

## TITLE IX (SEXUAL HARASSMENT CHANGES)

The School District of Shiocton is reaching out to inform our stakeholders about changes that were made to federal Title IX guidelines as it pertains to our policies and procedures related to sexual harassment. Please read through the following updates, particularly the changes that were made to the personnel involved in Title IX reporting.

### ***Title IX Nondiscrimination Policy Statement:***

As mandated by the current provisions of Title IX of the Education Amendments of 1972 and under the regulations set forth in Chapter 106 of Title 34 of the Code of Federal Regulations ("the federal Title IX regulations"), the District does not unlawfully discriminate on the basis of sex in any education program or activity that the District operates. Title IX's requirement not to discriminate in any educational program or activity extends to cover, but is not limited to, District students, certain admissions processes, and District employment. Inquiries regarding how Title IX and the federal Title IX regulations apply to the District may be referred to a District Title IX Coordinator (as designated below), to the Assistant Secretary for Civil Rights at the U.S. Department of Education, or to both.

The District's commitment to nondiscrimination under Title IX and under other state and federal laws is further defined in the following policies of the School Board: Policy 0145-Sexual and Other Forms of Harassment; Policy 1662-Employee Anti-Harassment; Policy 2266-Nondiscrimination on the Basis of Sex in Education Programs or Activities; Policy 3210-Staff Ethics; and Policy 5517-Student Anti-Harassment, as published on our District's website.

Our Title IX Coordinators are listed below:

#### **Nicholas Ortlieb**

Middle School/High School Principal  
N5650 Broad St. PO Box 68  
Shiocton, WI 54170  
(920) 986-3351 ext 751

Shiocton, WI 54170  
(920) 986-3351 ext 747  
kgriesbach@shiocton.k12.wi.us

Administrators have received the necessary training required to implement the many significant provisions of the new federal requirements. Staff have also been trained on the new federal guidelines, including reporting requirements. Rest assured that we take all formal complaints of sexual harassment very seriously. If you have any questions, please feel free to reach out to one of our Title IX coordinators.

## **PROM and POST PROM**

It's going to be different. We've heard that a lot this year. Prom for the class of 2021 is no exception. The typical prom with girls in big puffy dresses and boys looking sharp in their tuxedos couldn't happen.

The senior class would like to set aside some time to commemorate the big moments that would have happened at Prom this past spring. We will take some time to announce the court and crown the King and Queen. We will then follow that with the favorite part of post prom, the giving away of the prizes. Class of 2021 parents raised money with 50/50 raffles and solicitations for donations and that money is being used to make sure each student in attendance gets some item from post prom. This is planned to take place the half day before winter break on December 23, 2020.

~Mrs. Gomm

**AWESOME ARTWORK**

**FAMILY AND CONSUMER SCIENCE**

As excited as we all were to be back in school holding classes in person, Mrs. Gomm is twice as excited to have the opportunity to be not only face to face with students but also hands on! We are taking additional precautions to be safe but we are getting hands on in Food and Nutrition and Teen Living.

**Attention Grades 8- 11:** Attention Grades 8- 11: Course registration for 2020-2021 will be taking place in January. Students will be bringing home their course registration forms to be signed by parent. Please take time to view the Course Description Guide and graduation requirements. If you have any scheduling questions, contact the school counselor Mrs. Cornell at (920)986- 3351 ext. 711 or email scornell@shiocton.k12.wi.us.

**Attention Juniors:** Schedule your Chief Chat now. Chief Chats are conferences with the student, counselor, and parent (by phone or virtually) to discuss academic and career plans. Junior Chief Chats will run through December.

**Attention Seniors:** FAFSA is open. Families may submit their college financial aid applications at this time. Students, complete your college applications as soon as possible. Plan a virtual college visit. See Mrs. Cornell if you need help.

## K-6 Students

Wow, I cannot believe December is here... Time is flying in the counseling department!

I am working with each classroom every other week, delivering lessons to enhance academic, career and social/emotional growth in students. I am so impressed with the respect, excitement, and all of the students eagerness to learn.

Our focus the past few weeks in Grades K-5 has been on being respectful learners, kindness and empathy, and how to be assertive.

6th Grade has been discussing empathy, bullying, how to be upstanders and emotions.

## DECEMBER CHARACTER TRAIT: KINDNESS

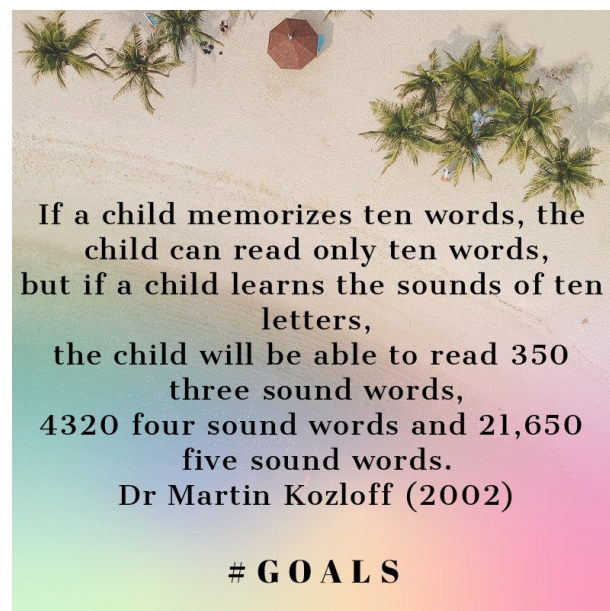

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

### TIPS:

- Donate to the food/toy drive
- Create a kindness project for your family to participate in
- Teach your child empathy
- Volunteer together
- Do a random act of kindness together

## WRESTLING UPDATE

As we quickly approach the Shiocton winter sports season, community members will soon notice some changes within our wrestling program. The Shiocton Middle School Wrestling team will be allowing 5th grade athletes to participate in their practices and competitions. The Shiocton School District is excited about the fun experiences and opportunities this will provide for our 5th grade wrestlers.

Building on this great news, earlier this year the WIAA announced it will be hosting the first ever Wisconsin High School Girls State Wrestling Championships in 2022. The Shiocton Wrestling Program is encouraging females of all ages to join the wrestling program and we look forward to the opportunity of expanding our girls wrestling program. We have already seen an increase in the participation of female wrestlers over the past few months and we are excited for what they will accomplish in the future.

Shiocton High School Wrestling season begins on November 23, 2020 and the Shiocton Middle School Wrestling season begins on January 5, 2021. If you have any questions, please contact me.

## SCCC NEWS

The Shiocton Child Care Center would like to welcome a new face to the District. Please give a warm Shiocton welcome to Saida Van Oss as she joins our team!

In the SCCC we continue to focus on pre-academics in our classrooms, utilizing the Wisconsin Model Early Learning Standards to guide our curriculum and lesson plans. A new SMART board will be installed in the preschool classroom thanks to the COVID supplemental funding through the Department of Family and Children to improve child care programs. This will give the staff the ability to enhance learning in another format. It is exciting to be given funds that help us improve our great program. The staff is also researching a new curriculum and an assessment tool for the center.

The school age children have been creating artwork using the medium of acrylic paints during early release days. The children are mixing colors, learning a variety of techniques, and having fun while creating! We look forward to creating other activities that enhance their time in the school age classroom.

As you prepare for the Christmas season, we would like to thank you for your continued support of this wonderful program that strives to be part of a school district that's motto is "One Town. One School. One Family."

~Mrs. Kosmerchock, SCCC Director
