Delivering The Link

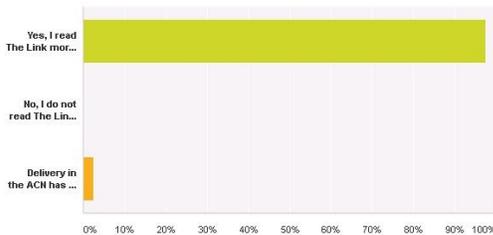

Mrs. Schweitzer

Thank you to those who participated in the survey over the past six-weeks regarding our publishing of The Link in the Advertiser Community News.

An overwhelming majority of respondents indicated that sending the The Link to homes through the ACN has increased their readership of the monthly newsletter. As well, the majority of respondents indicated that we should continue to publish The Link each month for distribution through the ACN.

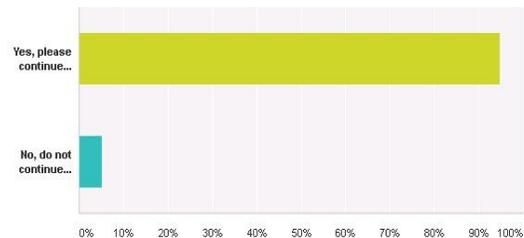

Has The Link being delivered to your home in the ACN increased the likelihood that you will read it?

Answered: 39 Skipped: 1

Should we continue to print The Link in the ACN?

Answered: 39 Skipped: 1

Given this information, we will continue to provide readers the opportunity to learn about Shiocton Schools through The Link as delivered by the ACN. However, you can look forward to a few changes to the format as we seek to maximize coverage while managing costs.

Four and Five-Year-Old Kindergarten Registration

by Kim Griesbach

The Shiocton School District will be holding four and five-year-old kindergarten registration the week of **February 13-17**, between 7:30 a.m. and 3:30 p.m. For four-year-old kindergarten, registration packets will be mailed home during the first week of February to parents/guardians whose children are eligible for the program. For five-year-old kindergarten, registration packets will be given to all students currently enrolled in the four-year-old program. Parents/guardians are asked to contact the elementary office at 986-3351 ext. 721 to request a registration packet if they do not receive one or if their child is not currently enrolled in the four-year-old program.

The forms within the packets are to be filled out and dropped off in the elementary office between the hours of 7:30 a.m. and 3:30 p.m. during the week of registration. Registration will only take a few minutes. Parents are asked to bring their child's birth certificate on that date. It is not necessary for the child to be present.

Four-year-old Kindergarten: The four-year-old program is an optional program. Registration is open to all children in the district who will be four-years-old on or before September 1, 2017. Students in the program meet for two full days each week.

Five-year-old Kindergarten: To be eligible for this program, a child must be five-years-old on or before September 1, 2017. Students in this program meet for five full days each week.

Orientation Session: An orientation session will be offered in May. Watch for details.

Just after the return from holiday break, the upgraded district website was launched. Crisper and brighter, the new format offers readers a few more "quick links" and glimpses into current events right from the front page.

With the upgrade came the opportunity to post commonly used icons in the upper-right-hand corner of the screen. This "navigation bar" affords parents quick access to Food Service (menu+) and Skyward, as well as the three social media sights we utilize most often.

Readers can also select the language to view the narratives in, such as Spanish, from the tool in the upper-right corner of the screen. As part of our efforts "to be read by all viewers", the webpages feature alternative texts that appear when your cursor rolls over a photo. The site also offers readers the opportunity to change text sizes.

We hope that you will find all of the resources you are looking for while also enjoying updated photos and a crisper, brighter new look.

Thank you!

Happy February from the PK-6 Office! I'd like to start off by congratulating all of the students who participated in the Geography Bee and Spelling Bee last month. Way to go!

Geography Bee:

Mrs. Ver Voort noted the following winners:

- Grade 4 - Morgan Oskey
- Grade 5 - Daltyn Enders
- Grade 6 - Jordyn Houterman
- Grade 7 - Matthew Klitzke
- Grade 8 - Logan Heindl

Overall school winner - Matthew Klitzke

Runner-up - Logan Heindl

Congratulations to all participants! Good luck with the next level of competition, Matthew!

Spelling Bee:

Mrs. Pfundtner noted that we have two winners, both in 6th grade. Congratulations to Aleah Zaatrah who was the runner up and **Jordyn Houterman who was the overall school winner.** Congratulations to all of the students who participated in the Spelling Bee. Best of luck to Aleah and Jordyn who will attend the Regional Scripps Spelling Bee at Lawrence University in Appleton on February 14.

As we enter the third quarter of the 2016-2017 school year, here is some information to share with you for the upcoming month:

Mid-quarter for Quarter 3: The mid-quarter date for the third quarter is coming up on February 20. For students in Grade 6, please remember that parents & students can check the grades online at any time throughout the year. If you are unsure how to do this or need your password to log in, please contact the office at 986-3351 ext. 721.

Parent-Teacher Conferences: Spring conferences are scheduled for Thursday, March 9 from 4:30 to 7:30 p.m.

Science/Health/Fine Arts Fair & Book Fair: The Fair is coming up on Tuesday, March 7. We hope to have great participation from students of all grade levels this year! The fair will be held from 4:00-7:00 p.m. all throughout the district. During the fair, a book fair will also be open to the public in the cafeteria area. Please see Mrs. Murphy or Mrs. Griesbach in the office if you have any questions about this year's fair.

Arrival to School: Please note that school begins at 7:57 a.m. for all students within the Shiocton School District. It is very important that the students arrive on time each day. At school, we work very hard to teach responsibility and to help students develop healthy habits which will help them as they transition into adulthood and the workforce. Bad habits such as tardiness are hard to break; therefore, we are working very hard to help students develop good habits right from the start. One thing we tell students with tardiness issues is to try to get up 5-10 minutes earlier. That extra 5-10 minutes often makes the difference and helps them get off to a positive start to the school day. Thanks so much for your attention to this!

Four-Year-Old & Five-Year-Old Registration: Registration for students who will be entering K4 or K5 during the 2017-2018 school year will be held during the week of February 13-17.

Orientation sessions for students and parents will be held in May. Please contact the school office at 986-3351 ext. 721 if you have any questions. Also, please help spread the word about the registration week if you know anyone with children eligible for either grade. Thank you!

Upcoming Early Releases: There will be a 12:10 p.m. early release on Tuesday, February 14, Thursday, March 9, and Wednesday, March 22.

Have a wonderful month of February!

Sincerely,
Mrs. Griesbach, PK-6 Principal

Kindergarten News

By Mrs. Malesa

Since the summer of 2016, the Kindergarten teachers have the privilege of being instructed by Kathy Schmitt of CESA 6 through a Lead to Read State Grant. We meet twice a month to work on establishing superior planned literacy lessons. We have been focusing on interactive read alouds, shared reading, and have just begun interactive writing. Kathy has a wealth of knowledge and is able to guide us in this process. We have much to learn and are thoroughly enjoying this learning adventure.

From our observations our Kindergarten children are greatly benefitting from this implementation.

Working Hard in Grade 4...

By Mr. Beer

As we pass through the halfway point of our school year, our students are working hard to be the best that they can be each day.

In Math, we have been working on building and understanding equations and word problems. Students are finding out that there is often more than one way to solve a problem using different methods. Our focus will be shifting to measurement in our next unit.

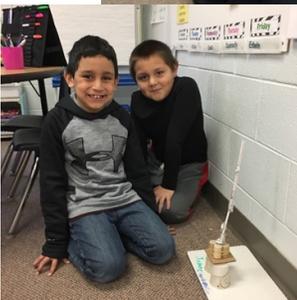

Our writing focus will shift to Informational Writing in the 3rd quarter. We will be learning ways to teach others through our writing. We will be spending time working with groups and researching topics that will have to do with Wisconsin History. On the cold days ahead, you can ask your child to fill you in on the studies they are doing about our great state.

You will be able to expect some information to be coming home soon about our Madison field trip and our annual Grandparent's Day celebration we have planned in the months to come.

Second Grade Engineers in Action...

By Ms. Schmidt

After exploring a variety of materials and their properties, these engineers were asked to construct a tower reaching 45 cm high that could withstand a wind. Perseverance and teamwork were very important parts of this experiment.

Take me out to the ball game! Our Fang's reading Club incentive program is now in full swing! This program is a great way for kids to read some interesting books while working toward a goal and earning a reward! Students will have the opportunity to earn a Timber Rattler ticket along with a hot dog/soda voucher. In order to earn the ticket, each second grader must read 100 minutes each week! Reading is a great activity on these cold and snowy evenings! So...snuggle up with a good book, second graders!!

2017 Geography Bee

By Mrs. Ver Voort

The bitter cold of January brought out the strongest of the geography students to compete in the 33rd annual Geography Bee in Mrs. Ver Voort's classroom. With 30 qualifiers, the top 6 from each grade level (Grades 4-8) competed on January 6 to determine who the school champion would be.

~Here are the results~

Grade level winners:

4th grade- Morgan Oskey

5th grade- Daltyn Enders

6th grade- Jordyn Houterman

7th grade- Matthew Klitzke

8th grade- Logan Heindl

School-wide runner-up:

Logan Heindl

School-wide Champion:

Matthew Klitzke

Logan Heindl (runner-up) shakes the hand of the school champion Matthew Klitzke. Matthew will take a test to qualify for the state competition. State champions then compete at the national level for a \$50,000 scholarship and a family vacation. Good luck Matthew!

SHS SWAT

By Mrs. Hauser

SHS SWAT is conducting its annual fruit sale now through February 13. Fruit delivery is slated for March 1. If you are interested in purchasing fruit, but you have not been approached by a SWAT student, you may contact Kim Hauser at 920-986-3351 ext. 743 or via email: khauser@shiocton.k12.wi.us.

Please consider supporting SWAT, so that the group is able to continue conducting and supporting worthwhile school and community events that provide education and activities surrounding safe, healthy activities. Some of those events include: Dig Pink Breast Cancer Awareness Event, Red Ribbon Week Activities, AODA and Character Presentations for Shiocton's fourth and fifth graders, AODA Assemblies, Stuff the Stocking Sock Drive, SHS SWAT Safe Night Volleyball Tournament, Post Prom, and our Summer Kick-off Noah's Ark Trip for SHS SWAT students. As you can see, SWAT students keep busy throughout the school year making sure that health and safety is on the minds of those here at Shiocton Schools. Thank you for your support!

BOX TOPS CHALLENGE

By Jenni Becher

It's time again for a Box Tops for Education challenge. We are half way to our \$2,500 goal for this school year. This challenge will run from February 1-17. The grade that brings in the most Box Tops will be the winner of the Challenge. The prize of an ice cream party will be delivered to the winning grade in March.

Help your child's grade with this challenge. Clip the Box Tops from participating products and send them to school. Each one is worth .10 cents. Please make sure to check the expiration date. Glue or tape them to the collection sheet that was sent home with your child. If it is easier, they can also be sent loose in a baggie. Make sure that your child's grade and classroom teacher is easy to read.

Contact me at JandJBecher@gmail.com with any questions. Thank you for your support of Shiocton and our kids.

To parents of children aged 2 $\frac{1}{2}$ - 4-years-old...

Child Development Days

The Shiocton School District Early Childhood Screening Team provides developmental screenings to children ages 2 $\frac{1}{2}$ - 4-years-old who reside within the school district boundaries. The days/times of the screenings will be:

Friday, February 24 @ 10:00 a.m.-2:00 p.m.
Tuesday, March 14 @ 3:00-7:00 p.m.

Please call Ashley Schwister, Early Childhood and 4K Teacher, at 986-3351 ext. 717 to set up an appointment or if you have any additional questions.

Below are some things you should look for in your child:

By age 3, most children:

- *are understood by family 75% of the time
- *speak in short sentences
- *answer simple questions
- *understand most things said to him/her
- *enjoy listening to storybooks
- *begin to play with other children
- *enjoy helping adults
- *match primary colors
- *dress self with help
- *walk up and down stairs; one foot per step
- *pedal a tricycle
- *snip with a small scissors
- *draw lines with a crayon

By age 4, most children:

- *speak clearly; are understood most of the time
- *use language to express emotion
- *frequently ask questions and demand a response
- *participate in rhyming games
- *talk about pictures in a book
- *enjoy pretend play with children
- *can point to at least four colors
- *catch a large ball tossed to them
- *know full name, age and gender
- *cut paper with a scissors
- *jump forward or over an object
- *draw a circle
- *rote count to 10 and count 1, 2, or 3 objects

SPICE

Happenings and Events

By Mindy Hofacker

Greetings! We hope this finds you all warm and healthy as we make our way through these cold winter months. SPICE has many things in the works right now and we hope many will take part and help us with our endeavors through any amount of volunteer efforts.

Our second annual Quilt Raffle is currently underway. This raffle includes the beautiful quilt created by Mrs. Beecher's third grade art students and Jeanne Reese. Tickets are for sale in the elementary office or by contacting any SPICE board member. The cost is \$5.00 each or 3 for \$10.00. The tickets will be on sale through the week of the Science/Fine Arts/Health Fair and will be available the evening of the fair and conferences in March with the drawing being held the following week on March 15 @ 6:00 p.m. in the LMC. You do NOT need to be present to win.

Our plastic bag recycling challenge continues through April with the winners being announced on Earth Day. There are collection bins near the Elementary entrance and the District entrance as well as near the high school office. If you have a large amount of plastic to submit, please consider simply grabbing the small scale from the elementary office by signing it out with Mrs. Murphy and taking it home to weigh your bags and film. All we need are the totals from you and from there the bags can be brought directly to one of the participating stores: Kohl's, Target, Pick n' Save, or Piggly Wiggly. The more people we have willing to turn in their plastic directly, the more weight we can submit to Trex. What a great way to lessen our waste load in our community.

Our next Box Tops Challenge is also happening this month. It will run from February 1-17 with the prize being awarded to the entire grade this time rather than one classroom. Be on the lookout for those box tops, they add up quickly and mean real cash for our school.

We also have another movie night scheduled for Friday, February 17 @ 7:00 p.m. The movie being shown is *Trolls*. We hope you can make it. These are always so much fun. If you have any questions, concerns, or suggestions, please feel free to contact me at 5hofackers@gmail.com. Thank you for your continued support of SPICE and stay warm out there!

Spelling Bee Congratulations!

I imagine having to spell words like epithets, thaumaturge, and burglarious. These and other challenging words had to be spelled by Shiocton's students (Grades 3-8) who participated in the Scripps National Spelling Bee competition at the local level on Wednesday, January 11.

Our two winners are Jordyn Houterman (Grade 6), who took first place Championship and Aleah Zaatrah (Grade 6), runner-up.

I would also like to congratulate Ava Lorenz (Grade 5) for spelling words correctly through round 7 and Brandon Roloff (Grade 8) who competed in round 9 with Aleah and Jordyn. There was a total of 15 rounds and 34 students participated. Congratulations to all of these students for being the top spellers in their classes and improving their spelling skills!

Congratulations Jordyn and Aleah! We are so proud of you and wish you the best as you continue in the regional competition at Lawrence University in Appleton on Tuesday, February 14!

Engaged Learners: Growing and Stretching to Unlimited Possibilities

The five students selected for the CESA 6 Grant Project are: Matthew Klitzke, Grade 8—Harry Potter project, Kayleigh Pigsley, Grade 5—Reading website to expose classmates to a variety of good books for their reading clubs, Kira Schwaller, Grade 5—Cultural Exploration and Authentic Cuisine website to expose classmates to various cultures and foods, Braden Slaets, Grade 4—will be fundraising to buy needed exercise equipment for the school's weight and exercise room and Logan VanCamp, Grade 4—a World War II video game to challenge his classmates to learn more about the war they study in social studies.

Welcome to the Counselor's Corner. We felt that providing a one-stop show for our information would be more useful and convenient to all of our students and their families. Our counseling program offers services of individual counseling, group counseling, or outside referrals. Please feel free to contact us at any time regarding academic, emotional, or social needs of your child.

Attention Seniors: FAFSA is open. Families may submit their college financial aid applications at this time. Student should have completed college applications. Check with your institutions to find out what they offer for scholarships and when applications are due.

Local scholarships are available on the school website. Click on High School and Counselor Corner.

If any Juniors or Sophomores would like to take college courses for high school credit (Youth Options) in Fall of 2017, the deadline to register is March 1. Stop in Guidance for more information.

My Education My Way will take place in the LMC at 6:00 pm on February 13. This is a unique opportunity for any high school student and parents to learn more about technical college, as well as public and private universities.

A Youth Apprenticeship meeting will be set up soon. This is a state program where students can work in a career area and get paid while earning high school and perhaps college credits. Please stay posted on the date, time, and place.

Eighth grade-Juniors: 2017-18 Course Registration is to be completed by February 3. Please see Mrs. Cornell with your scheduling questions.

K-6 Students

This month 1st, 3rd and 6th grade student will have a guest speaker from the Fox Cities Sexual Assault Crisis Center. This prevention education is aimed to protect our students from sexual assault/abuse. All presentations will be tailored to meet the needs of each age group.

Grade 5 Student Council is working hard to create fun for our Elementary students this month. Stay tuned for more information!

Middle School Student Council News

For the holidays, student council students played Secret Santa to their teachers. Students enjoyed fun trivia questions for prizes and participated in holiday dress-up days, along with reading to our 4K students.

MS Student Council member, Colton Westby, reading to Maverick Griesbach and Reid Ritchie in Mrs. Rome-nesko's classroom.

Character Education Theme for February

PEACEMAKING

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

TIPS:

- Model positive conflict-resolution,
- Brainstorm with children positive solutions to problems,
- Encourage children to verbalize emotions.

Vision and Hearing Screening Day

By Mrs. Ecker

On Thursday, February 16, students in K4 (T/TH), K5, Grade 1, and Grade 3 will be screened for their vision and hearing. Students in grades 5 and 7 will be screened for their vision.

Our local Lion's Club will also be bringing in a special screening tool that day called the Spot Screener to provide some additional vision testing for students in K4, K5 and Grade 1. Students in K4 (M/W) will have their vision and hearing screening on another day.

If you have a child that you feel may have a vision or hearing deficit and they are not in these grades, please contact the health office at 920-986-3351 ext. 714. We can perform a vision and hearing test on them.

Seniors are Successful in Reality Check

By Ms. Schneider

For the eleventh year, Shiocton seniors were again faced with the challenges of *Reality Check*, a financial literacy program designed to show students the realities of working in the real world of personal finances.

More than 35 business people from Shiocton and the surrounding area volunteered their expertise to make the event happen. On Wednesday, January 11, the seniors obtained mock checking accounts with the help of First National Bank. They came to school in their Sunday best to participate in an interview conducted by area business professionals in their career field of choice.

On Friday, January 13, Reality Check began. Seniors received their monthly income for their career choice and paid taxes. By creating stations, manned by community business people and volunteers, the seniors discovered how far their monthly paycheck would go. They purchased health insurance, autos, mortgages, food, daycare, even personal items, and pets. Most were shocked at the price of daycare and health insurance. Many were frustrated when unforeseen expenses happened—just like in real life. Several had to make difficult financial decisions. Some applied for part-time employment. They definitely received a dose of reality.

The Shiocton seniors and their teacher, Elizabeth Schneider, would like to thank all of the volunteers for donating their time and talents. Congratulations to the seniors on successfully completing their interviews and this simulation.

Spring Book Fair

by Steve Parker

Be on the lookout for Camp Read a Lot!! The Spring Book Fair with a Camping theme is set for the very beginning of March. The book fair, which will be located in the school cafeteria, will run from **March 1-10**. The fair will be open during school lunch hours. In addition, we will be open during Parent Teacher Conferences and the Science/Fine Arts fair from 4 to 7:30. Make a point of coming to take a look at the great art exhibits, marvel at the science fair, then come shop at the book fair!!!!

Prior to the fair's opening, a Scholastic flyer highlighting books from the fair will be sent home. Take a look at that flyer with your child and make note of any titles they are interested in. The flyer will tell you where on the shelves specific books can be found. Of course, the fair will have many more books than can be listed on the flyer. You'll just have to come to the school and see what we have available!

Remember - proceeds from SPICE book fairs go towards supporting the education of all the students in the district. Everything from video cameras, library books, and gym equipment has been purchased with book fair revenue. Supporting the book fair supports the school district while also showing your children that reading is important. That's a win-win in anybody's book.

Any questions about the book fair can be directed to Steve Parker at 920-257-7822.

THE OFFICIAL NEWSLETTER FOR SHIOCTON MUSIC

HOME STRETCH TO PERFORMANCE FESTIVALS

February ends up being a busy time for band/choir students as they prepare solos and/or ensembles to perform at festivals. The **Middle School Festival** is **Monday, February 6** from **3:30-6:30 p.m.** right here at school. Individual times have been given out to students. We are in need of six to seven parent volunteers to be room monitors for the festival. If you are interested, please contact Mrs. Anderson or Mr. Yenor. The High School Band will perform at the **Fox Valley Young Artist Festival** on **Saturday, February 11** at **Lawrence University**. And high school choir students will perform at the **High School Solo/Ensemble Festival** at **Menominee Indian High School** on **Saturday, February 18**. These events are our best opportunity for musical growth and achievement in the year. We really encourage our students to make the most of it.

LAST PAYMENT OF NIAGARA FALLS/LAKE ERIE TRIP DUE

The final payment of **\$100** is due **Tuesday, March 7** for high school band/choir students traveling with us to Niagara Falls. Please plan ahead and make your payment on time in a sealed envelope with your name on.

CONGRATULATIONS HONORS BAND/CHOIR STUDENTS

We had several students represent Shiocton at the 2017 Conference All-Star Honors Band/Choir. Thirteen high school musicians joined close to 200 others from schools across the Central Wisconsin Conference to form an honors band and choir. Both groups prepared challenging music all day and performed an afternoon concert together.
