MWA HOMETOWN HERO: AMY AUSTIN, SCHOOL NURSE

Earlier this month, Mrs. Amy Austin, RN/School Nurse, was recognized by the Modern Woodmen of America (MWA) as their 2022 Hometown Hero. This recognition was established to honor someone who makes a positive impact on their community.

“Mrs. Austin was selected for the award because of her efforts in guiding our school through the COVID pandemic,” noted Mr. Michael Bellin, Activities Coordinator for MWA. “Without (her) efforts, (the district) would not have been able to serve our students by having in-person learning while other schools remained closed. In years to come, our students will show benefits from not having to learn remotely.”

Under Mrs. Austin’s leadership, the school district was able to maintain in-person learning for all students in all grades every day of the 2020-2021 school year, and again in 2021-2022 as the Delta and Omicron variants threatened to keep students in a virtual learning environment for a second year.

“Initially, I was shocked and certainly honored. To me, I was just doing the job I was supposed to do,” commented Mrs. Austin. “I was shocked when I

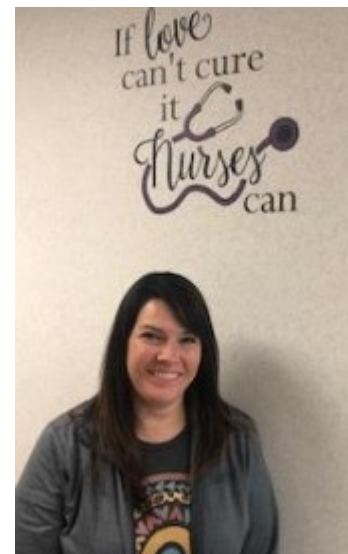

learned of the recognition because you don’t expect to be recognized for just doing the job you were trained to do. I’m also very honored. We have an amazing district and an amazing community. Everyone came together (during the pandemic) and we all did what we needed to keep everyone healthy and safe. To be recognized for my role is truly an honor.”

Mrs. Austin reflects positively on her first year as a school nurse. “Becoming the school nurse during the pandemic required many hours of hard work and prioritizing of tasks. Each day was a balancing act between what we were hearing from officials and what we were seeing in our schools. Lifting and applying restrictions was difficult but necessary to keep everyone safe and healthy but also keep the kids and staff here, happy, and in as “normal” of a day as possible.”

“This (2020-2021) was not an easy school year to be a school nurse, let alone a school nurse for the first time” commented Mrs. Schweitzer, District Administrator.

“However, Mrs. Austin rose to the occasion quickly and effortlessly. She collaborated often at the local, county, and state level to ensure her information was accurate. Mrs. Austin’s recommendations for action were well-thought-out, balancing the many recommendations with the data we were collecting, and further balancing the academic and mental health of students with the health and safety of all staff and students.”

Modern Woodmen, founded in 1883, is a fraternal life insurance company based in Rock Island, Illinois, that focuses on returning profits to its members and the communities that they serve. Modern Woodmen has ties to the Shiocton community and therefore seeks to give back in the way of grants, donations, and recognitions such as the Hometown Hero. MWA will make a \$100 donation to the Shiocton Music Parents group in Mrs. Austin’s name.

COFFEE WITH COMMUNITY

Members of the school and Shiocton communities are invited to gather for coffee, conversation, and collaboration about our community and school.

NEWS FROM GRADES 7-12 OFFICE

Dear Shiocton Community Members,

This is Nick Ortlieb, the 7th-12th grade Principal, and I am excited to fill all of you in on some of the great things that are happening here at Shiocton Middle School and High School. The year has been off to a great start, and we hope to continue it through the 2nd Quarter. We have, thankfully, been able to return to normal school operations and put the pandemic largely behind us. I look forward to the excitement that the rest of the year will bring us.

We have a lot of focus points as we have moved through the year. Firstly, we are continuing to refine our Response to Intervention programs. We have two new staff members who are leading the charge, our Reading Interventionist Ms. Flohr, and our new school psychologist, Mrs. Rice. They, along with the rest of our RTI team, are doing an excellent job finding students who are experiencing struggles and providing extra support. We have also continued our ACT preparation and Xello career planning during homerooms. A new set of curriculum that we are putting in place is See Something, Say Something. This is a safety based curriculum that empowers students to identify and bring unsafe behavior forward to our staff members. We started working with 6th grade through 9th grade in October. We will continue with 10th grade and 11th grade through November and December.

There are also some important upcoming dates. The end of Quarter 1 is coming up on November 2, which will be an early release day. We will also have our annual Veterans' Day program in our high school gym on November 11th. Students will have an early release day on November 23rd for the Thanksgiving Holiday. This is a great time for students to reflect on the start of the year and get some much needed rest. If you have any questions about our initiatives or upcoming events, please contact the Middle School/High School Office.
 ~ Nick Ortlieb, MS/HS Principal

GIVING BACK: BIGS HELP THE LITTLES

Learning the classroom routines those first few weeks can be overwhelming for students, especially our youngest learners who may not have been in a classroom before. The same can be said for these learners as they head into the cafeteria for lunch. Cue the Big Kids who've "been there, done that". During those first few weeks of school, when milk cartons and Gogurt tubes pose special challenges to our young learners with little hands, the middle school students are poised to lend a big, helping hand. From demonstration to encouragement, the middle school students can be seen and heard helping the 4K children develop skills that will see them through the next eight months and hundreds of juice containers, milk cartons, string cheese coverings, and yogurt tubes to come. A big **THANK YOU** to our middle school helpers from our littles.

SHIOCTON LIONS CLUB

The Shiocton Lions Club is hosting a Senior Citizens Holiday Luncheon on **Thursday, December 15, 2022 at 6 pm** at the River Rail in Shiocton.

After the meal, bingo will be played.

Please RSVP to Chuck Pluger by December 10, 2022 at 920-570-0864.

GRADE 2

Second grade is filled with budding authors. The students have been busy writing “small moment” stories during Writer’s Workshop each day. They have been working on generating ideas and writing stories with interesting beginnings and strong endings that do not leave their readers hanging. They have been experimenting with bringing their characters to life with action, talk, and details, as well as choosing strong and precise words to help their readers visualize. Our second graders have carried over what they learned in first grade as authors and continue to grow as second grade writers!

In math, we have been learning and practicing strategies to add numbers up to 200. Students are using vocabulary such as ‘quick tens’ and ‘quick hundreds’. We are also exploring the many methods to add two-digit numbers. Our math dry erase boards are getting a lot of use lately making proof drawings to help the students show and explain their thinking to partners.

Your second grader should be well into a nightly routine that involves reading and math homework. Homework is an important way for parents to review what is being taught and practice skills to help their child be successful. In addition to what your child brings home, there are some great resources for fun learning on our school’s website at <https://www.shiocton.k12.wi.us>. Under the heading “Students”, select “Elementary Resources” from the dropdown menu. Enjoy the variety of educational sites and resources.

Thank you to all parents for a great parent/teacher conference. Communication is so important for a child’s success in school. Please feel free to contact your child’s teacher anytime throughout the year when you have questions or concerns.

~Mrs. Otto, Ms. Schmidt, Mrs. Wickesberg

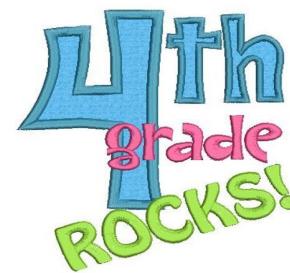

GRADE 4

Fourth graders have been working hard the past few months on many different things. Our classes have been building a community through morning meetings and students have been challenging themselves with new learning in all subject areas. In math, students have learned to add, subtract, round, and compare numbers in the hundred thousands.

During English Language Arts (ELA), students have written small moment stories incorporating details about setting and characters, along with action, dialogue, thoughts, and feelings. Fiction stories and learning about how to determine the theme of a story, summarizing, talking about character traits, and more round out our ELA time.

We have also made time for some fun celebrations as well. Students cheered on our Shiocton Chiefs football team at the homecoming parade, played a game of “trashketball” to review math skills, shared their published writing with classmates at a publishing party, and celebrated the 4th day of 4th grade with lots of fun activities.

~Ms. Schreiter, Ms. Sauer, and Ms. Phillips

CABBAGE BOWL

On Saturday, October 8, the Cabbage Bowl played out on the football field at Hortonville High School between the two rival Shiocton Grade 4/5 flag football teams: the Jaguars and the Chiefs. It was a back-and-forth game, with each team making strides towards the endzone only to be usurped by the other team by a blocked pass or quick tag on the flag. Despite great efforts by both offenses, the defenses held one another to just one score each, ending the Cabbage Bowl in a tie, 6-6.

The Jaguars take on the Chiefs in a Cabbage Bowl rematch for the season championship on Tuesday, October 25. Good luck to both Shiocton flag football teams!

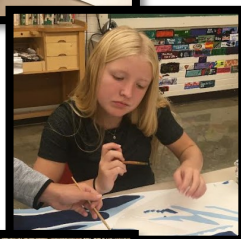

VETERANS DAY BREAKFAST

The Shiocton High School Student Council is pleased to host their annual Veterans Day Breakfast once again this year. All local veterans are invited to enjoy a meal prepared by Student Council members on **November 11 at 8:30AM in the school cafeteria**. The Veterans Day program will follow at 9:45AM

We hope to see all of our local veterans!

Art students working to finish Q1 projects.

MATH MORNING

Thursday, November 10, 2022

Please join us to learn about our Math Expressions curriculum and how to best support your child(ren) with math at home!

PreK- Grade 2 Agenda:
8:15-9:30 Welcome, Overview, Q&A
*Held in the LMC

Grades 3-6 Agenda:
9:45-11:00 Welcome, Overview, Q&A
*Held in the LMC

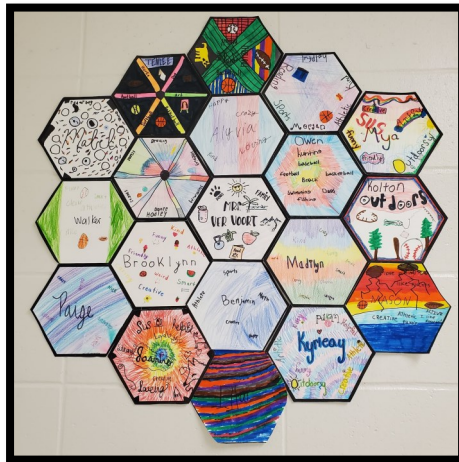

If you plan to attend, please REPLY by November 4, 2022 to aderks@shiocton.k12.wi.us

DECORATING WITH DIVERSITY

If you were in the building during Parent/Teacher Conferences or any other time in October, you may have noticed some beautiful collections of art outside classrooms. The Diversity and Inclusion committee sponsored a school-wide project in which staff and students were invited to decorate a "honeycomb" or hexagon.

The goal of the project is to both celebrate our uniqueness while also building our sense of community. Participants decorated their pieces to represent who they are as individuals, and then the shapes were grouped together to create a collage. All the individual pieces come together to create a special community.

Here are some images of the project from different classrooms!

N.E.W. CONSTRUCTION TRADES CAREER DAY

By Anna Behnke

On October 12, many students from the high school technical education department traveled to the Sunny View Expo Center in Oshkosh for the Construction Trades Career Day. Overall, this trip was a great opportunity for us to see all of the businesses and different trade opportunities available to us.

All of the different businesses showed us a variety of different jobs that are available through the trades. Representatives shared information about job duties, employment, and apprenticeship programs. Additionally, there were many interactive learning activities including jackhammering concrete, brick laying, tile cutting and laying, soldering copper pipe, carpentry, and sheet metal working. The simulators that were provided for us were especially interesting. My favorite were two welding simulators in which we could drive excavators like they were video games while also digging holes. These

activities opened our eyes about what we could potentially do in the future.

After stopping for a quick lunch, we headed to Agristeel. On the tour, we saw the planning side of building things and the effort that is involved before the workers even start pouring concrete. In addition, we were able to view the process of preparing the steel for building. Our guide provided us ample opportunity to ask many questions to better understand the process of preparing steel. Next, we were able to practice welding by doing a quick weld on two pieces of steel, simulating what the welders do all day, which was both informative and fun.

Overall this was a really amazing day. There were many opportunities for us to engage in different activities, even some that we have never done before. I feel this was a great opportunity for us

Construction Trades Expo Hands-on Event

Thursday, December 1

Fox Valley Technical College
1825 N. Bluemound Dr., Appleton

Try it for yourself.
At this hands-on event, you'll discover what it's like to work in a high-demand construction trade career.

- Experience building, pipe trades, electrical and heavy duty equipment hands-on activities
- Talk to local employers about available careers
- Tour classrooms & labs
- Talk with current students & instructors
- Find out about technical diploma, associate degree and apprenticeship options

9 a.m. - 2 p.m.
High School Groups - Entrance 10

Students - contact your high school teacher if you are interested in attending.

High School Teachers - contact your FVTC Admissions Specialist or fill out the form at www.fvtc.edu/TradesExpo if you are interested in bringing a group.

www.fvtc.edu/TradesExpo

ART CLUB

Each year the Art Club creates a painted chair in the design of a famous artist as a fundraiser for the Club. This year's theme for the chair combines elements of artists Jackson Pollock and Piet Mondrian. The Art Club sold tickets for the chair, along with baked good items, during the Parent/Teacher Conferences held in October. Proceeds will be used to fund the Club's scholarship that is awarded to one or more senior students who plan to attend college with an art emphasis.

to learn about the many jobs available in the trades and construction industry. We also learned all about the apprenticeship programs and viewed first hand the many jobs that are available through the trades. I would recommend offering this field trip again in the future so that other students can get ideas and inspiration for their futures in the trades.

NATIONAL HONOR SOCIETY

The National Honor Society (NHS) elevates a school's commitment to the values of **scholarship, service, leadership, and character**. These four pillars have been associated with membership in the organization since its inception in 1921, over a century ago. NHS chapters are found in all 50 states, US Territories, Canada, and around the world.

NHS students and their peers volunteer in their communities at the highest rates and make connecting with and serving within the community a priority. The average chapter contributes:

- 1,000 hours of school/community service
- \$26,000 in charitable donations
- 1,000 pounds of food to local, state, and national causes
- 100 pints of blood

Our Shiocton chapter of the National Honor Society recognizes 17 seniors and 14 juniors in its current 2022-2023 membership. These students have not only been incredibly active scholastically, but also in extracurricular activities and employment. Too, many of the members have volunteered their time running the concession stand at sporting events, assisting with the St. Denis Cabbage Chuck, cleaning up the adopted area on Highway 54, and numerous other individual volunteer opportunities. It's amazing the wonderful ways they help others!

The crew did an awesome job collecting trash amid the Highway 54 traffic, which was very respectful when passing by our diligent workers!

Newly elected NHS officers include:

President: Kayleigh Pigsley
Vice-President: Jordyn Houterman
Secretary: Harrison Hofacker
Treasurer: Kendyl Blohowiak
Student Council Representative: Ty Marcks

Thank you for your continued support of the National Honor Society!

2022 ELEMENTARY WINTER CONCERT

Where: Shiocton High School Gym

When: Friday, December 16

Kindergarten-2nd Grade Concert: 12:45PM—1:30PM

3rd-5th Grade Concert: 2:00PM—2:45PM

STUDENT COUNCIL FOOD AND TOY DRIVE KICKOFF

November 7, 2022, marks the start of the annual Food and Toy Drive at Shiocton Schools. Once again, classes will compete against each other to see who can collect the most items. The winning class at each level—elementary, middle, and high school—will win an ice cream sundae party provided by Student Council.

We will be collecting products like boxed foods, canned foods/condiments, items with a long shelf-life, personal hygiene products, new/gently used toys (*please, no stuffed animals*), baby products, and paper goods. So as to ensure a variety of needed items are collected, we will focus on a certain type of good each week. However, any items, including monetary donations, will be accepted at any time. All donations are greatly appreciated.

Nov. 7-11 Canned Food/Condiments

Nov. 14-18 Boxed Food/Toys

Nov. 21-25 Personal Hygiene Products/Toys

Nov. 28-Dec. 2 Baby Products/Paper Goods (toilet paper, paper towels, napkins, etc)

**Please submit monetary donations by December 2 to allow us sufficient time to shop for needed items.*

Dec. 5-9 Any Food or Toys

Dec. 16 Delivery to families (Families will be notified of time and date.)

We would like to thank everyone who contributes to this wonderful event! Each year we're able to accommodate more and more families thanks to our generous community!!!

If your family is experiencing a financial hardship or if you know of a school family in need, please contact one of the following people so we can add your name to the confidential list and spread some joy to your family this holiday season.

Please call: 986-3351

Mrs. Kim Griesbach - ext. 747

Mr. Nick Ortlieb - ext. 751

Mrs. Sandee Cornell - ext. 711

Mrs. Dannielle Kern - ext. 762

Ms. Elizabeth Schneider - ext. 787

Counselor's Corner

Sandee Cornell
scornell@shiocton.k12.wi.us
7-12 School Counselor—ext. 711

Dannielle Kern
dkern@shiocton.k12.wi.us
K-6 School Counselor—ext. 762

KG-6 Students:

Student in kindergarten through fifth grade continue to practice skills that make them respectful learners and friends. This month we are introducing how to be assertive, rather than passive or aggressive. Students have become very familiar with what these words mean and are demonstrating respectfully how to be assertive in the school setting. Please recognize and praise your child when they are using this skill at home too!

In sixth grade, we will be learning more about harassment and the different types of bullying and how to respond or be an upstander.

7-12 Students:

Seniors: Many universities have a late fall/early winter application deadline.

Seniors may request their official transcript be sent to colleges by entering Parchment from our school district homepage.

FAFSA (Free Application for Federal Student Aid) opened October 1 for families to start the application process for federal college financial assistance.

Local scholarships will open on the district website in November. Watch for more information on this date.

Juniors: Schedule your Chief Chat now. Chief Chats are conferences with the student, counselor, and parent to discuss academic and career plans. Junior Chief Chats will run in November and December. Chief Chats will begin November 1. Contact Mrs. Cornell to schedule your Chief Chat now.

Congratulations to Ashlyn VanCamp, the class of 2023 Daughters of the American Revolution (DAR) Good Citizen Award.

NOVEMBER CALENDAR OF EVENTS

	November 2	Early Release; 12:10PM—End of Q1	
	November 23	Early Release; 12:10PM—Thanksgiving Break	
	November 24	NO SCHOOL—Thanksgiving Break	
	November 25	NO SCHOOL—Thanksgiving Break	
	December 1	Harbor House presentations for grades 1, 3, 6, 8	

S.P.I.C.E.

SAVE THE DATES

Cookies with Santa

Saturday, December 3rd.
Time: 8:30AM-11:00AM (Santa will be arriving at 9:00AM)

Movie Night

Watch for a flyer to come home with your child(ren) regarding the upcoming December Movie Night!

Next S.P.I.C.E. Meeting

Wednesday, November 2 at 6:30PM in the LMC

Also, we would like to extend a big THANK YOU to those who volunteered to help make the Fall Scholastic Book Fair a fantastic event. We appreciate your support to help S.P.I.C.E. traditions such as these continue!

BUS SAFETY

In late September, students who ride the bus to school had the opportunity to practice an emergency evacuation using the exit at the rear of the bus. Older students exited the bus first and then worked together to support students as they lifted the students down from the bus. Students were reminded not to jump out of the bus, as there could be uneven or unsolid ground below, which could cause them injury when landing. Students also practiced moving away from the bus into an area that would be safe from oncoming traffic. The practice was well executed and served as a good reminder as we returned to school this fall.

Notes from the Nurse

Tis the season for runny noses, sore throats and coughs! This note serves as a reminder that per the Wisconsin Department of Public Instruction Medication Policy, all **cough drops** that have substances in them used to treat or prevent health conditions *require the written consent of the child's parent/guardian*.

Cough drops brought to school need to be in the original bag/container and the child's name must be written on it. Since cough drops are considered a form of medication, they must be brought in by the child's parent/guardian. Any cough drops put in a child's backpack without written consent will not be administered to the child.

Why, you may ask? They are just cough drops! Children are taught to share; it is the kind thing to do! But some cough drops contain medication/sugar in them and sharing them might harm other students with certain medical conditions. Also, a small child should be monitored by an adult when using a cough drop, as they can be a choking hazard.

SCHOOL STAFF WEARING JEANS???

If you visit Shiocton Schools during November, you may notice many of our staff members wearing jeans. These staff members are participating in a very important fundraiser for Student Council's annual **Food and Toy Drive** to help families in our community. For \$1 per day in November, staff members may wear jeans to school any day of the week, and all of that money helps this great cause. Last year, we collected over \$800 through this fundraiser! Hopefully, this year will be just as successful!

Child Development Days

What is Child Development Days?

A free preschool screening opportunity for children ages 3 – 4 who reside within the School District of Shiocton. The purpose of the developmental screening is to:

- ❖ Assess children's developmental progress.
- ❖ Provide parents with awareness of child growth and development issues.

Who is Eligible to Participate?

- ❖ Children who are ages 3 – 4 not enrolled in 4K.
- ❖ Children who have not previously participated in Child Development Days.
- ❖ Children who reside in the School District of Shiocton.

When is Child Development Days?

The child development screening days are scheduled on the following dates and times. The screening process is completed within approximately one hour.

October 4, 2022 (3:30pm-6:30pm) *RSVP by 9/27/22

October 7, 2022 (12:00pm-3:00pm) *RSVP by 9/27/22

January 10, 2023 (3:30pm-6:30pm) *RSVP by 1/3/23

February 28, 2023 (3:30pm-6:30pm) *RSVP by 2/21/23

March 3, 2023 (12:00pm-3:00pm) *RSVP by 2/21/23

Where is Child Development Days?

The Child Development Days screenings are held at Shiocton Elementary School located at N5650 Broad Street, Shiocton, WI 54170.

What Happens at Child Development Days?

Your child will be screened in a relaxed and friendly setting in the areas of Communication, Personal-Social, Motor and Academic Readiness. When the screening process is completed, a school professional will share the results with parents and address any concerns. The entire screening process is completed within approximately 1 hour.

How Can I Register for Child Development Days?

Phone reservations for a reserved time slot for your child's screening can be made by contacting Rose at (920) 986-3351 Ext 764. Parents are required to call for a reserved screening appointment.

Hope to see you there!
