"Where Excellence Is Expected"

SCCC Now Taking Applications

The Shiocton Child Care Center (SCCC) is now accepting applications for children as young as ages 6 weeks into the full day care. Additionally, SCCC will operate a before- and after-school program for the siblings of those children enrolled in the full day child care. The application, for both the full day child care and the before/after school care, can be accessed from the SCCC website. Visit <http://www.shiocton.k12.wi.us/>, scroll to the NEWS section at the bottom of the page, and click on the "READ MORE" option.

Since the application period opened on April 16, much interest has been shown. Too, many questions have been asked that have assisted the SCCC team in their planning. Watch for an FAQ document to be released on the SCCC website early next month. This document will help address some of those frequently asked questions. Additional questions can be sent to Mrs. Schweitzer or Mrs. Guyette.

SCCC will open it's doors on August 20, 2018. An Open House is being planned for early August. Watch future editions of The Link for more information.

Making up Lost Instruction Hours

The snow may be melting and the temperatures warming, but the wrath of Mother Nature this winter will be felt throughout the remainder of the school year as we adjust the calendar to make up for lost instructional hours.

With the many earlier releases and late starts we had this winter, coupled with the full days off on February 20 and April 16, we will need to make up the equivalent of one and one-half days of school. Therefore, we will adjust the school calendar as follows:

- **Friday, May 11** - will be a **full day** of school for all students
- **Friday, June 1** - will be a **full day** of school for all students; Grade 8 Celebration will take place at 2:00 p.m. and the semester exam schedule will be adjusted (watch for more information in the coming weeks).

Any questions, please contact Mrs. Schweitzer, Mrs. Griesbach, or Mrs. Zeinert.

CHIEF CHATTER:

The Merriam-Webster Dictionary defines *patience* as "the capacity, habit, or fact of being patient". It further defines *patient* as "bearing pains or trials calmly or without complaint". Given the spring we have had, *patience* is a noun worth revisiting.

For our **spring sports athletes**, patience may be waning. From the cooler temperatures to the latest snowfall of 29 inches, no doubt our athletes' patience has been tested. When the field dries and the sun shines, please join me in supporting our golfers, softball and baseball players, as well as our track and field competitors.

For our parents who have been waiting - patiently - for the **Summer School Registration** to begin THANK YOU Your continued "bearing pains without complaint" is greatly appreciated as we update and tweak the on-line registration program being piloted for this year's registration.

To our **seniors** who have exercised their patience throughout their final year and do so still, as they await their final moments on Graduation Day. We will miss your leadership. Your camp chairs in the hall. The tie-blankets wrapped around bodies with only heads and Crocs visible. We will miss YOU, as each and every one of you have left your own mark upon Shiocton High School.

So, too, will the **staff** exercise our own degree of patience as we await word of your continued success in the work force, military, or post-secondary education institutions. (And be sure to stop by to visit!)

The age-old cliché has never rung more true than this spring: *Patience is a Virtue.*
~ Mrs. Schweitzer

NEWS FROM GRADES 7-12 OFFICE

As we approach the end of the school year, the days seem to be flying by. The weather is finely cooperating and the sun is shining. Both students and teachers are excited about the snow being gone.

I wanted to take a minute and recognize the two people advancing in state competition in the area of forensics: Tabitha Morris, Selina Enders, Mckayla Denis, Megan Pigsley, and Mikayla Henry. The winners shared their stories with the board at the April 23 board meeting. Good luck!

Chief Chats/Academic Career Planning (ACP) meetings have been taking place since February. A Chief Chat is

a student-driven, adult-supported process in which students create and cultivate their own unique and information-based visions for post-secondary success, obtained through self-exploration, career exploration, and the development of career management and planning skills. If you are an **incoming freshman** or **junior**, please call the Guidance Office to schedule an appointment with Mrs. Cornell. Her number is (920) 986-3351 ext. 711.

Graduation is quickly approaching and seniors have already started a daily countdown. The last full week of school for the seniors will be the week of May 21. They will take their finals on Tuesday and Wednesday

(May 22 and 23). Senior Supper will be that Wednesday night at the Riverview Banquet Hall. On Friday, May 25, they will rehearse for the graduation ceremony and walk through the school one last time as a class before Sunday. Graduation will take place on Sunday, May 27 at 1:00 p.m. in the high school gym.

The rest of the high school will take their finals on May 31 (hours 1-4) and June 1 (hours 5-8). If you have any questions concerning the finals schedule, please contact the high school office.

Eighth grade Celebration will take place on June 1 at 10:00 a.m. in the cafeteria. Friends and family are welcome to come to the celebration. If you plan on taking your child home after the celebration, you will need to sign them out in the office.

As always, if you have any questions or concerns, please feel free to call me at (920) 986-3351 ext. 751.

I will be out of the office from April 26-May 9. Please contact Mrs. Schweitzer with any concerns that you have.

The Last Month of Being a First Grader

By: Mrs. Streblow

As we are starting to near the end of the year, our first graders are really starting to soar with the idea of practically being second graders! During this last full month of school, the students will be working hard to master our last group of standards for first grade. Continue stressing consistent nightly practice with your student so that they finish the year with strong skills.

On Tuesday, May 15, we will be taking our final field trip of the year to The Building for Kids—Children’s Museum and then to the Barlow Planetarium to watch our solar system come to life. Thanks in advance for all the parents that took time out and helped to make this trip

possible! In addition to all that learning, we will also become gardeners and plant marigolds! When these plants come home, please find a nice sunny spot for them to continue growing and being cared for over the summer.

With the weather warming up, Mr. Zdanovec will be having some occasional gym classes outside. Please be aware of what days your child has gym and dress them in appropriate shoes so that they are able to participate. No sandals please.

During the last month of school please remember to be consistent with homework and checking your student’s folder. Encourage them to stay focused and do their best. Let’s finish the year strong first graders!

May Character Trait:

Honesty

How to teach Honesty:

1. Reward the Truth
2. Model Honesty
3. Truth or Consequences - make sure appropriate discipline is carried out and followed through!
4. Correct their mistakes
5. Don't ask questions when you already know the answer - this may tempt children to lie. Simply state the obvious, and have them complete their responsibility

Gifted and Talented Enrichment Services

College Day for Kids ~ UW Stevens Point

College Day for Kids is a program designed for high-ability sixth grade students and was held on Friday, April 13. Participants visited the University of Wisconsin - Stevens Point campus for enrichment classes taught by university faculty and academic staff. The students enjoyed lectures and hands-on activities.

The goals of the program were:

- To introduce sixth grade students to a university setting and encourage them to set appropriate educational goals.
- To provide higher level enrichment through exposure to a variety of topics.
- To promote healthy, effective development through interactions with higher ability peers from other schools.

After taking the class Paris-allons-y, Brooklyn Raeck mentioned she wants to go to Paris and learn how to speak French.

All six students said they enjoyed their classes and the variety of choices at lunch time!

Spring Noetic Math Contest Results

On April 5, ninety-three students (10 more students than the Fall group) in Grades 3-6 participated in the Spring Noetic Math Contest. Third and Fifth grade had two tied team winners with scores of 70%. That means they correctly answered 14 out of 20 questions. Ninety is the percentage to beat in our school, hopefully next year! The highest grade level team achievement score was Grade 3 with 370 points, with Grade 5 coming in 5 points less at 365. Noetic will be sending awards to the contest winners and students receiving honorable mention in May. Again, I am very proud of these kids for challenging themselves and for your support.

Spring Recital

You are cordially invited to attend the Spring Recital, "A Gallery of Sound", presented by Mrs. Ritchie's students.

Where: Shiocton School Cafeteria
When: Friday, May 18 at 6:30 p.m.
 Saturday, May 19 at 1:00 p.m.

In addition to our "musical paintings", students will exhibit many of their original artwork with a special exhibit of art by our piano technician, Kevin Kopp.

Piano Fundraiser

We are within reach of our goal to raise funds for the new music department piano which will be used for concerts, solo/ensemble, ceremonies, piano events, etc. To those who have already contributed to the cause, a big **THANK YOU** for your support! It's not too late to help us cross the "finish line". Would you consider:

- Sponsoring a piano key for \$50.00 and have your name placed on a plaque,
- Purchase a carwash card for \$36.00 (good for 5 carwashes at any Kwik Trip),
- Any donation is appreciated.

If you have any questions, please contact any music teacher. Thanks again for your support of music in Shiocton!

Off the Record

By: Mrs. Suda

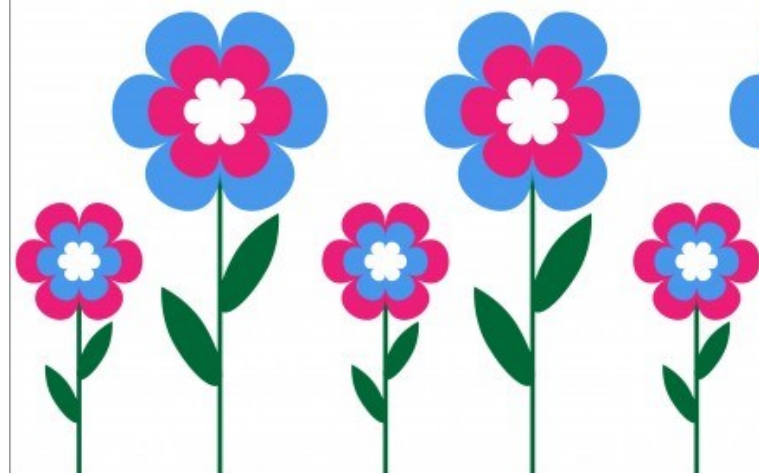

Off the Record (OTR) is a peer group for students, led by students. OTR started from the creative minds of a high school marketing class. Three students, Tyler Ace, Lakelyn Barber, and Faith Moser, came up with a great idea. Mental health is becoming a large issue in our society today especially with students. They need a place that is free, confidential, voluntary, and led by students at Shiocton High School, around their age.

The idea came from a group that was creating a public service announcement about mental health for the staff, but the conversation shifted to the students. Realizing that the marketing group could start something that would benefit the people around them, they knew this could be a big help to the school. The idea of OTR caught the attention of Mrs. Suda who brought the whole thing to life. After discussing with Mrs. Cornell, Mrs. Zeinert, and Mrs. Suda, everyone agreed that it was a great idea.

In addition to the group of students in the marketing class, additional leaders were recruited. Riley Krull, Tyler Ace, Faith Moser, Sky Green, and Lakelyn Barber went through training to make sure they would be able to lead and handle the situations that came up in the group. Each group is limited to about 10 students and each group meets Mondays every two weeks during ELT which is currently held in Mrs. Suda's classroom. There are always two leaders in charge of the group, and a teacher in the back of the room in case they're needed. Everything discussed in the room is kept confidential, guaranteed by all attendees signing a form, unless there is concern of harm to oneself or others is implied. Overall, this group is helping students open up, make new friends, and listen to others.

SPICE is Wrapping Up a Great School Year!

We are watching the school year wind down and enjoying the warmer weather. As we get ready for a fun summer, SPICE wants to thank everyone who supported our group through volunteer efforts, donations, attending meetings, planning, and enjoying all SPICE has to offer our school community. We could never do all we do without the help of our community, students, and staff.

We will be holding elections for Chairperson and Treasurer at our May meeting. We will meet at the River Rail at 6:00 p.m. on May 2. We hope you can make it!

FUNSET BOULEVARD

SPICE is holding its annual Funset Boulevard Family Night on Thursday, May 10 from 4:00 - 10:00 p.m. Wristbands are on sale at a discounted price of \$4.00 until Friday, May 4. The wristband includes unlimited access to bumper cars (must be 40" tall to ride), carousel, train, kids play area (socks required), and laser tag (must be 54" or taller). These discounted wristbands will not be available the night of the event at Funset, so buy as many as you need for your family before May 4. They must be pre-purchased through SPICE. Please email spice@shiocton.k12.wi.us with any questions or to purchase wristbands. We hope you can join us for an evening of family, friends, and fun!

Health Office News

Outside of the Health Office, there are two bulletin boards that are displayed. Several times throughout the year, Mrs. Wetzel updates them with new information. If you get a chance, come check out the talented work and helpful information.

National Honor Society

Shiocton's National Honor Society will be holding the annual induction ceremony on Wednesday, May 2 at 6:00 p.m. in the school cafeteria. This ceremony honors those outstanding students who were chosen to become members. All are welcome to attend. Cake and punch will be served after the ceremony.
