## COVID-19 Positive Cases on the Rise

Over the past two weeks, the District has seen a significant rise in the number of COVID-19 positive cases, especially among our high school students.

“The good news is that we are testing more and more students, siblings, and parents. It makes sense that increased testing would lead to increased positive numbers,” stated Mrs. Schweitzer. “The concern I have is that the symptoms are so mild, it is easy to see why parents think their child has the common cold. Same with adults in the school.”

Mrs. Schweitzer noted that the District reached a critical point on Monday, October 18, regarding ill teachers. “We were one teacher absence away from having to go virtual. Even with staff and administrators subbing in, the number of absences stretched us to capacity.” Parents and students are encouraged to remember that the Delta variant spreads more rapidly and widely than the virus from last year did, which means more people are able to be infected by just one person.

## Free COVID-19 Testing: When and Where

The District is offering free COVID-19 antigen testing Monday through Friday:

- **Who:** all students\*, siblings living in the household, parents, and caregivers; staff and family members living in the household. NOTE: A parent/guardian must be present to register the student/siblings if s/he is under the age of 18
- **When:** 8:15AM - 1:30PM
- **Where:** Senior Lounge (Entrance 3E) (park in the HS parking lot, behind the school building)
- **What:** Rapid antigen test (results in 15 minutes) OR PCR test (results in 1-2 days)

### To Register:

Before testing can begin, parents and those over age 18 will need to register at <https://register.covidconnect.wi.gov/en-US/>

- A smart device, such as a touch screen cell phone, will be needed to register; devices not provided.
- Parent or those over 18 will need a copy of the email with the QR code (either phone or paper is fine) that is sent to after registration is complete.
- Each person being tested needs to be registered

## CHIEF CHATTER

### Technical Education: Donations Today, Growth on the Horizon

“It’s not your father’s Oldsmobile”, was a phrase used by so many people to refer to so many situations. Many of which had nothing at all to do with cars but the saying fit because the change experienced was so dramatically different. Such is the case with Technical Education .

Commonly referred to as “Tech Ed”, this area of study revolved around metals, welding, and woodworking when many of us had the opportunity to take these courses in high school. Some schools were fortunate enough to have an automotive class and some had drafting. None in my day had Computer Aided Drafting (CAD), and we certainly didn’t have the opportunity to build a prototype on computer software and then have it printed in 3D filament.

The Tech Ed programs of today incorporate so many more electronic and computer-aided tools. More and more of our Tech Ed equipment is operated by increasingly sophisticated computer programs much more so than by hand. Take for instance the new CNC Plasma Cutter that will soon grace the floor of our welding classroom. The addition of this machine means both growth for the projects that our students are able to create but also growth in their knowledge of an industry-grade computerized machine and the development of skills desired by so many employers in the trade fields.

This is but one example of where we hope to grow our Technical Education program in the coming years. As we look to the horizon, we see endless possibilities for our students in the trades, and we want to be the catalyst for the growth in trade-ready professionals. To do this will take time and it will take resources. Human, physical, and financial resources. Some of these resources have already been provided through the generous donations of community members for the purchase of the plasma cutter. More of these resources will be needed in the future. All of these resources will be solid investments in our children’s education, in our community’s future.

Change is inevitable and sometimes dramatically different. Dad’s Oldsmobile isn’t in our driveway anymore. Eventually, the same will come to pass with our trades equipment. After all, “it’s not our father’s shop class” anymore.

# NEWS FROM GRADES 7-12 OFFICE

Dear Shiocton Community Members,

My name is Nick and I am the 7th-12th grade principal. I am excited to be filling you in on the great things that are happening here in the middle and high school in the School District of Shiocton. We have accomplished some great things in the first couple months of school. While we are still putting a heavy focus on student safety, we have been able to offer many other opportunities that were not available last year due to the pandemic. I am enjoying being able to re-explore those opportunities with our students.

This fall we are focusing on strengthening our RTI program through adding a math interventionist at our middle school/high school level. We hope that these supports, along with a return to group work, will be effective in helping the difficulties that COVID has put in our path. We are continuing to work on ACT preparation for our Juniors through our ACT Method Test Prep program, and all students are continuing work on Xello career planning. We are also continuing to ask our students to hold themselves to a high behavioral standard.

We have some important upcoming dates. The end of the 1st Quarter is on November 5th, which will be an early release day. Shiocton schools is planning (at the time of writing this article) to hold our annual Veteran's Day Ceremony in our high school gym. This may be subject to change. Students have an early release day on November 24th for the Thanksgiving holiday. This will be a great time to give thanks for all that we have accomplished so far this year. If you have any questions about our initiatives or upcoming events, please contact the Middle School/High School Office at ext. 782.

Nick Ortlieb  
 7th-12th Grade Principal

## NOTICE OF SCHOOL BOARD ELECTION School District of Shiocton April 5, 2022

NOTICE IS HEREBY GIVEN that an election is to be held in the School District of Shiocton on Tuesday, April 5, 2022 and that three positions on the School Board are to be elected to succeed the present incumbents. The term office for a school board member is three (3) years. Terms of office will begin on Monday, April 25, 2022. The present incumbents are as follows:

- Jeremie Birch
- Aaron Pluger
- Brad Ritchie

NOTICE IS FURTHER GIVEN that a *Campaign Registration Statement* and a *Declaration of Candidacy* must be filed no later than 5:00 P.M. on **Tuesday, January 4, 2022** with the School District Clerk in the School District Office in Shiocton at N5650 Broad Street, Shiocton, WI 54170.

NOTICE IS FURTHER GIVEN that if a primary election is necessary, the primary election will be held on Tuesday, February 15, 2022.

Given under my hand this 1st day of November, 2021:

David Gomm, Clerk  
 Board of Education  
 School District of Shiocton

Type A Notice under s. 10.01 (2)(a) Section 120.06(6)(b)

## KINDERGARTEN NEWS

Students are learning letters and “snap” words. We have been reading and pointing crisply under each word. Many books have patterns so we read the pattern and put the last picture sound on our lips.

Kindergarten students also went on a walk to the Shiocton-Bovina Fire Station in October. Students were able to see the big fire trucks and the ambulance. They learned about the important jobs our fire and EMS personnel have and how to stay safe by not playing with fire.

Students in Mrs. Malesa’s room read a book about a tea party, so they decided to hold their own tea party at snack time. Fancy glasses, fancy cookies and pretty doilies were used to make it even more special. ALL children had a great time!

~Mrs. Malesa, Mrs. Pigsley, Mrs. Scott

## SECOND GRADE NEWS

Second grade is filled with budding authors. The students have been busy writing “small moment” stories during Writer’s Workshop each day. They have been working on generating ideas and writing stories with interesting beginnings and strong endings that do not leave their readers hanging. They have been experimenting with bringing their characters to life with action, talk, and details, as well as choosing strong and precise words to help their readers visualize. Our second graders have carried over what they learned in first grade as authors and continue to grow as second grade writers!

In math, we have been learning and practicing strategies to add numbers up to 200. Students are using vocabulary such as ‘quick tens’ and ‘quick hundreds’. We are also exploring the many methods to add two-digit numbers. Our math dry erase boards are getting a lot of use lately making proof drawings to help the students show and explain their thinking to partners.

Thank you to all parents for a great parent/teacher conference. Communication is so important for a child’s success in school. Please feel free to contact your child’s teacher anytime throughout the year when you have questions or concerns. Your second grader should be well into a nightly routine that involves reading and math homework. Homework is an important way for parents to review what is being taught and practice skills to help their child be successful.

In addition to what your child brings home, there are some great resources for fun learning on our school’s website at <https://www.shiocton.k12.wi.us>. Under the heading “Students”, select “Elementary Resources” from the dropdown menu. Enjoy the variety of educational sites and resources.

~Mrs. Otto, Ms. Sippel, Ms. Schmidt

## SHIOCTON 4TH AND 5TH GRADE FLAG FOOTBALL

4th and 5th grade are well represented in the Hortonville Flag football league! Shiocton registered 3 full teams. The students were all very excited when one of their teachers, Mr. Backman, came to a game to cheer them on!

## FOURTH GRADE NEWS

Fourth graders have been working hard the past few months on many different activities. Students have learned to add, subtract, round, and compare numbers in the hundred thousands. They have written small moment stories using details about setting and characters, along with action, dialogue, thoughts and feelings. Reading class has been filled with learning how to determine the theme of a story, summarizing, talking about character traits, and more. In social studies, students are studying about the first people to ever live in Wisconsin, and in science students are learning how to create complete circuits and studying the life cycle of mealworms. Of course, we have also made time for celebrations. Students cheered on our Shiocton Chiefs football team at the homecoming parade, played a game of “trashketball” to review math skills, shared their published writing with classmates at a publishing party, and celebrated the 4th day of 4th grade with lots of fun activities.

~Ms. Schreiter, Ms. Sauer, and Ms. Phillips

## 2021 ELEMENTARY WINTER CONCERT

**Where:** Shiocton High School Gym

**When:** Friday, December 17

**Kindergarten-2nd Grade Concert:** 12:45PM

**Shiocton 5th Grade Band:** 1:45PM

**3rd-5th Grade Concert:** 2:00PM

\*\*As of now the concert will be “in person” however there is a possibility it could become virtual\*\*

## VETERAN’S DAY PROGRAM

1st-5th grade students will be singing the song “Thank You Soldiers” at the Veteran’s Day Program on November 11.

\*\*As of now the program will be “in person” however there is a possibility it could become virtual\*\*

## S.P.I.C.E.

S.P.I.C.E. is so thankful for all of the support we receive from our students, school, and community. Without you all, we wouldn’t be able to support our Shiocton school family.

Our goal is to continue to offer that support, and to make that happen WE NEED YOU!! We are in great need of volunteers to continue the S.P.I.C.E. Parent/Teacher Organization. There are many ways you can help, but most importantly is the gift of time as one of our volunteer board members. If you’re interested or have any questions please email us at [spice@shiocton.k12.wi.us](mailto:spice@shiocton.k12.wi.us).

Please join us for our next meeting on Wednesday, November 3, 2021 at 6:00PM in the MS/HS Art Room. \*Please note location change\*

## 6TH GRADE GIRL SCOUTS DONATION

A huge THANK YOU to the generous gift by the sixth grade members of the local Girl Scout troop. Students shared their fundraising dollars with elementary classroom teachers, giving each of them \$25 to be spent on “fun stuff” for their classrooms. The girls also gifted Mr. Bill Greider with funds to be used in his art classroom where the troop held their monthly meetings for the past several years. What a wonderful way to give back. Thank you troop 2005!

## 5TH GRADE

The fifth grade students have had some memorable experiences to start the school year.

To go along with our first novel study, Hatchet, they visited the Shiocton Airport to see a plane like the one the main character flew. Students got to climb inside several planes to see how the controls worked. They also learned all about aviation—from physics of flight to map reading and navigation. They even got to see a plane take off and land. Thank you to the Shiocton Flyer’s Club for sponsoring this trip and volunteering their time!

Once again the fifth graders had a wonderful outdoor experience at Camp U-Nah-Li-Ya. Students connected with each other and with nature during our three day excursion at camp. The following classes were part of the agenda: initiatives, canoeing, outdoor living skills, alpha beta, climbing wall, and predator/prey. A few of the other preferred activities included: trying their luck crossing the rope bridge, learning camp songs, playing field hockey and ga-ga, and of course the famous skit night. Extra thanks to our chaperones and the school community for their continuous support with the fundraisers that make this memorable experience a reality for all 5th graders!

## THE CAN MAN

As part of our Interactive Read Aloud, we read the book “The Can Man”, whose theme encompasses kindness and helping others. After we read the book and discussed it, students had the opportunity to write about their reading, particularly the author’s message from the story. Students were prompted to share their stories about that message, as well as what they can learn from the story. Students shared how the message was around kindness and empathy, helping those less fortunate, and taking care of others. It is so wonderful to see how they continue to think about the this book and the other books that centered around kindness in their every day life, through their words and actions, and make connections back to it often.

~Mrs. Zotter, 3rd Grade Teacher

## NATIONAL HONOR SOCIETY

The National Honor Society (NHS) elevates a school’s commitment to the values of **scholarship, service, leadership, and character**. These four pillars have been associated with membership in the organization since its inception in 1921, a century ago. NHS chapters are found in all 50 states, US Territories, Canada, and around the world.

NHS students and their peers volunteer in their communities and make connecting with and serving within the community a priority. The average chapter contributes:

- 1,000 hours of school/community service
- \$26,000 in charitable donations
- 1,000 pounds of food to local, state, and national causes
- 100 pints of blood

Our Shiocton chapter of the National Honor Society recognizes 11 Seniors and 16 Juniors in its membership for this school year 2021-2022. These students have not only been incredibly active scholastically, but in extracurricular activities, employment, and volunteering their time to help in the NHS Concession Stand at sporting events (Ron Diemel III, Jocelyn Houterman, Ashlyn Van Camp, Abigail Daniels), the St. Denis Cabbage Chuck (Beth Casper), Adopt a Highway 54 clean-up and the Freedom K9 Fall Festival (Kiley Dorn and Sarah Gillen) helping with the distribution of food and drinks along with many other activities.

## DIVERSITY AND INCLUSION

In honor of Hispanic Heritage Month in September and October and Native American Heritage Month in November, the Diversity and Inclusion Team wants to share the following information:

### National Hispanic Heritage Month: September 15-October 15

Each year, Americans observe National Hispanic Heritage Month from September 15—October 15 by celebrating the histories, cultures, and contributions of American citizens whose ancestors came from Spain, Mexico, the Caribbean, and Central and South America.

The observation started in 1968 as Hispanic Heritage Week under President Lyndon Johnson and was expanded by President Ronald Reagan in 1988 to cover a 30-day period starting on September 15 and ending on October 15. It was enacted into law on August 17, 1988, on the approval of Public Law 100-402.

The day of September 15 is significant because it is the anniversary of independence for Latin American countries Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua. In addition, Mexico and Chile celebrate their independence days on September 16 and September 18, respectfully. Also, Columbus Day or Dia de la Raza, which is October 12, falls within this 30 day period.

Source: <https://www.census.gov/newsroom/stories/hispanic-heritage-month.html>

### Native American Heritage Month: November

Native American Heritage Month has evolved from its beginnings as a week-long celebration in 1986 as “American Indian Week.” Every President since 1995 has issued annual proclamations designating the month of November as the time to celebrate the culture, accomplishments, and contributions of people who were the first inhabitants of the United States.

Through dance, family traditions, and music, these stories show the diversity and long history of Indigenous people across the United States. Celebrate the history, culture, and traditions of American Indians and Alaska Natives in a special collection of films, short stories, and resources from Public Television.

# Counselor's Corner

Sandee Cornell  
scornell@shiocton.k12.wi.us

Dannielle Kern  
dkern@shiocton.k12.wi.us

## KG-6 Students:

Kindergarten through 5th grade students continue to practice skills that make them respectful learners and friends. This month we are introducing how to be assertive, rather than passive or aggressive. Students have become very familiar with what these words mean, and do a great job being assertive in the school setting. Please recognize and praise your child when they are using this skill at home! In grade 6, we are discussing how our brains are changing at this time in their lives, and the importance of creating good habits that will stick with us!

## 7-12 Students:

**SENIORS**—Wisconsin schools have opened their college applications. Many universities have a late fall/early winter application deadline.

Seniors may request their official transcript be sent to colleges by emailing Mrs. Cornell.

FAFSA (Free Application for Federal Student Aid) opened October 1 for families to start the application process for federal college financial assistance.

Local scholarships will open on the district website this month.

**JUNIORS**—Schedule your Chief Chat now. Chief Chats are conferences with the student, counselor, and parent to discuss academic and career plans. Junior Chief Chats will run in November and December.

**SOPHOMORES**—NAMI will be here on November 10 to provide a mental health presentation.

Eighth grade students attended Northeast Wisconsin Technical College in Green Bay on October 13.

## SCHOOL STAFF WEARING JEANS?

If you visit Shiocton Schools during November, you may notice a lot of staff members wearing jeans throughout the week. These staff members are participating in a very important fundraiser for Student Council's annual Food and Toy Drive to help families in need in our community. For \$1 per day in November, staff members may wear jeans to school any day of the week, and all of that money helps this great cause. Last year we raised over \$700 from this fundraiser. Hopefully, this year will be just as successful!

## GIFTED AND TALENTED

One book I'm recommending *Facing Frederick* is from the Scripps Bookshelf. Great readers make great spellers and encountering words in stories helps you master their spellings and definitions. Oprah Winfrey, as a student, use to challenge herself daily with new vocabulary, how to spell the word, what it meant and how to use it in a sentence of her own. I remember reading that in one of her biographies.

I enjoy reading all the books our students read in Battle of the Books. Recently, I read and thoroughly enjoyed *Song for a Whale* by Lynne Kelly. It was from the perspective of a deaf girl and the creative, ingenious way she helped an isolated whale rejected by other pods in the ocean because its song was so different. When Iris' mom and dad didn't understand her passion, her Grandma, who is also deaf, came to the rescue! This book is a must for all student who have trouble advocating for themselves and their passions.

### Upcoming GT Events:

Noetic Learning Math Contest (grades 3-6) - November 11, 2021  
School Wide Spelling Bee—January 11, 2021

## MENTAL HEALTH MOTIVATIONAL PRESENTATION

Cory Greenwood, and a former American Idol contestant, Nick Townsend, will be presenting a mental health motivation presentation to Middle and High school students, as well as community members on Monday, November 8.

MS: November 8—12:15-1:15PM

HS: November 8—1:30-2:30PM

\*Open to Community members:  
November 8 at 6:00PM in the LMC

### November's Character Trait COURAGE

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

#### TIPS:

- Remind children they will not always "feel ready", and that is what bravery is.
- Encourage children to try new things and meet new friends.
- Tell them they are brave.
- Teach them positive self-talk.
- Remind them it is NEVER too late to change anything!

## NOVEMBER CALENDAR OF EVENTS

- November 1 Junior Chief Chats Begin
- November 5 Early Release 12:10PM; End of Q1
- November 10 Sophomore Mental Health Presentation
- November 24 Early Release 12:10PM
- November 25 No School—Thanksgiving Break
- November 26 No School—Thanksgiving Break

## STUDENT COUNCIL FOOD AND TOY DRIVE KICKOFF

November 8 marks the start of the annual Food and Toy Drive at Shiocton Schools. Once again, classes will compete against each other to see who can collect the most items. The winning class at each level—elementary, middle and high school—will win an ice cream sundae party provided by the Student Council.

We will be collecting products like boxed foods, canned foods/condiments, items with a long shelf-life, personal hygiene products, new/gently used toys (*please, no stuffed animals*) baby products, and paper goods. In order to attempt to collect a variety of items, we have designated weeks to focus on certain types of goods; however, any items, including monetary donations, will be accepted and greatly appreciated at any time.

- Nov. 8-15** Canned Food/Condiments
- Nov. 15-19** Boxed Food/Toys
- Nov. 22-26** Personal Hygiene Products/Toys
- Nov. 29-Dec. 23** Baby Products/Paper Goods (toilet paper, paper towels, napkins)

- Nov 29** Please submit monetary donations so that we have time to shop for items
- Dec. 6-10** Any Food or Toys
- Dec. 15-16** Delivery to families. Families will be notified of time and date.

We would like to thank everyone who contributes to this wonderful event! Each year we're able to accommodate more and more families thanks to our generous community!

If your family is experiencing a financial hardship or if you know of a school family in need, please contact one of the following people so we can add your name to the confidential list and spread some joy to your family this holiday season.

- Please call: (920) 986-3351**
- Mrs. Kim Griesbach—ext. 747
- Mr. Nick Ortlieb—ext. 751
- Mrs. Sandee Cornell—ext. 711
- Mrs. Dannielle Kern—ext. 762
- Ms. Elizabeth Schneider—ext. 787

## SCHOOLWIDE TITLE I PROGRAM

Title I is a federally funded program intended to improve instruction and provide resources to ensure all students demonstrate proficient or advanced levels of academic achievement.

If you missed our informational video at conferences or wish to learn more about the benefits of the Title I Schoolwide Program, please visit our webpage at:

<https://www.shiocton.k12.wi.us/parents/title-1>

## Early Childhood Screening Information

### By age 3, most children:

- \* are understood by family 75% of the time
- \* speak in short sentences
- \* answer simple questions
- \* understand most things said to him/her
- \* enjoy listening to storybooks
- \* begin to play with other children
- \* enjoy helping adults
- \* match primary colors
- \* dress self with help
- \* walk up and down stairs; one foot per step
- \* pedal a tricycle
- \* snip with a small scissors
- \* draw lines with a crayon

### By age 4, most children:

- \* speak clearly; are understood most of the time
- \* use language to express emotion
- \* frequently ask questions and demand a response
- \* participate in rhyming games
- \* talk about pictures in a book
- \* enjoy pretend play with children
- \* can point to at least four colors
- \* catch a large ball tossed to them
- \* know full name, age and gender
- \* cut paper with a scissors
- \* jump forward or over an object
- \* draw a circle
- \* rote count to 10 and count 1,2, or 3 objects

## Early Childhood Development Days

\* Free Developmental Screening for children 3 to 4 years old and not currently attending 4K during the 2021-2022 school year for Shiocton School District Residents.

\* Areas assessed include Communication, Personal-Social, Motor, and Academic Readiness.

\* Contact Rose Stingle, Special Education Secretary to set-up an appointment:  
**920-986-3351**; ext. 764

**Friday, October 1**
