### **DESPITE NO NEW DOLLARS, GROWTH CONTINUES**

In February of 2021, voters approved a three-year, \$5.1 million dollar non-recurring operational referendum. These dollars will be spent to cover the costs of operating the District, everything from lights, computers, and internet to teachers, support staff, and curriculum. This three-year referendum is critical to our district's vitality given the recent decision by the State to keep funding for Fiscal Year 2022 and Fiscal Year 2023 the same as in Fiscal Year 2021. Without an increase in state aid, the funds provided for in this referendum will be stretched a bit further than originally anticipated. That said, I have every confidence that we can continue our history of providing a high quality education, with standards-aligned curriculum, relevant courses, hands-on experiences, and highly qualified educators.

### **COVID, ESSER, and USDA**

The last 18 months have been fraught with challenges related to the coronavirus pandemic. From digital learning and virtual instruction to face coverings and quarantining, so many factors out of our control have challenged and influenced education in Shiocton and all around the state. Despite these additional challenges, Shiocton was one of just over 100 districts across the state that provided in-person instruction for all students, in all grades, every day for nearly 100% of the school calendar days during the 2020-2021 school year. To say that this is a significant achievement is an understatement, but we are pleased to be able to say it. Our learners need to be in school and thanks to our parents and other members of our school and larger community, they were.

And, they continue to be. The 2021-2022 school year is off to a strong start. While we are still experiencing challenges related to COVID-19 and its variants, we are drawing from our experience last year, as well as the developing research, to driver our efforts and mitigation strategies this year.

Too, we are analyzing the academic data from the past 18 months to guide our educational supports and supplements in a heightened effort to close achievement gaps that have occurred. The gaps are especially noticeable in our youngest learners. To that end, we will be proposing a budget for the ESSER III federal funding that includes an additional reading specialist at the elementary grades, an additional school psychologist, and increased supplemental resources to assist students who are struggling in math and reading. A public hearing regarding the ESSER III budget will be held in October.

Earlier this year, the District was able to realize over \$180,000 in ESSER II revenue. These federal funds were used to cover the costs associated with prevention and response to the coronavirus. Because of the strong commitment by our school community, our ability to remain in person for instruction 176 of 179 scheduled days has afforded us the ability to apply for additional ESSER II discretionary funds. If awarded, these funds will be used to cover the remaining expenditures related to our response to the coronavirus last year.

One final measure taken in response to the lingering effects of the pandemic was the renewal of our participation in the Seamless Summer Options (SSO). This food

program, sponsored by the USDA, made it possible for our students, including those enrolled in the Shiocton Child Care Center, to receive free meals - breakfast and lunch - each day. Our participation was based on the desire to ensure all of our students had access to nutritional meals while also helping our community members, many of whom were hard hit by business closures as a result of the pandemic. The SSO program is scheduled to last through June 30, 2022.

### **STILL GROWING PROGRAMS**

Despite the many challenges the ongoing pandemic continues to create, as well as those created by the lack of additional funding by the State, I am pleased to say that the School District of Shiocton is still growing. This past year, we grew in both student population and instructional programming. Our in-person instructional format led six students to Open Enroll into our district, bringing our total of students open enrolled in to 70. This is the first year that the difference between OE in and OE out was in the single digits. Too, the addition of the virtual instructional program afforded one senior the ability to graduate as a member of the Class of 2021 despite living three hours away. This year, we again gained several students through open enrollment and continue to offer the virtual instructional program for those students where COVID-19 remains a concern.

As the 2020-2021 school year started, so did a few new classes, including the TEALS' Computer Science I course. A partnership with Microsoft, this course provides instruction in the truest form of computer science, incorporates guest instruction and support from people directly in the field, and exposes students to the various professions in technology. We added additional instruction in Tech Ed and implemented College Prep Math (CPM) at the high school, while incorporating more social emotional learning (SEL) instruction at our elementary and middle levels. For the 2021-2022 school year, we look to continue the growth in instructional programming, adding additional FACE courses at the high school level and providing increased reading and math support at our middle and elementary levels.

### **LOOKING AHEAD**

Where there is change and challenge, there is growth and success. We have certainly grown from the changes and challenges brought about by the pandemic and related needs. We have grown and experienced successes as a result of these changes and challenges. As Joshua J. Cullins so accurately articulated, "Challenges are what make life interesting. Overcoming them is what makes life meaningful." Regardless of the challenges and changes that lie ahead, I am certain we will overcome them to again experience meaningful growth and success.

We appreciate the trust and confidence you continue to show the District both in your choice to return your child to our educational programs and in your support of our effort to educate children as reflected in this budget. We look forward to the continued opportunity to educate the youth of our community, here in our community, with the many caring and dedicated individuals that comprise our school and larger community.

As we say with great Shiocton pride: *One Town. One School. One Family.*

# NEWS FROM GRADES PK-6 OFFICE

**October Greetings!** By the time you read this article, I am hoping that the mosquitos will be long gone!

On a serious note, I would like to extend “Retirement Greetings” to the following PK-6 staff members who retired at the end of last year: Mrs. Jill Krohlow, Mrs. Laurie McNichols, Mrs. Donna Morris, and Mrs. Karen Schultz. It has been an absolute pleasure working with these staff members over the past few decades. Our school family thanks them for their dedication and years of service to the Shiocton School District and wishes them many incredible retirement adventures to come. Mr. Joel Beer and Mrs. Janelle Heise also moved on to other job opportunities. We wish them all the best as well.

With the start of the 2021-2022 school year, we welcome the following new PK-6 staff members:

- Miss Rebecca Sippel—Grade 2
- Mrs. Julia Zotter—Grade 3
- Miss Stacy Phillips—Grade 4
- Mr. Steve Parker—Grade 5 English/Language Arts
- Mr. David Fieck—Elementary Special Education
- Mrs. Kathy Schmitt—Reading Interventionist/Coach

As I write this we are still trying to fill 2 of our elementary paraprofessional positions. If you are interested or know anyone else who might be interested, please have them take a look at the position(s) on the WECAN website. Hopefully, these positions will be filled by the time you read this, but just in case they are not, please continue to help spread the word.

At the PK-6 level, we are off to a great start! The students have been working on remembering, each and every day, to... \*Be Safe, \*Be Respectful, \*Be Responsible, \*Be the Best that You Can Be! Students have also been working really hard on daily routines such as building stamina for reading independently; this requires tremendous focus. Students are also working on using and showing their best manners everyday... everywhere they go. Sixth grade students have transitioned beautifully to middle school. Fifth graders are preparing for their upcoming trip to Camp U-Nah-Li-Ya. All throughout the building, great things are happening each day.

As we move into October, watch for specific information about Parent-Teacher Conferences. Conferences are coming up on the evenings of October 20 & 21, from 4:15-8:00PM.

Thank you for remembering to notify Miss Sell in the PK-6 Office if your child will be out or needs to leave early. The number to call for these situations is 920-986-3351 ext. 721.

Wishing you a beautiful month of October!

~Kim Griesbach, PK-6 Principal

## **SEEKING FAMILIES FOR FOOD AND TOY DRIVE!**

The Student Council Food and Toy Drive will be starting in November at Shiocton Schools. If your family is experiencing a financial hardship or if you know of a school family in need, please contact of the following people so we can add your name to the confidential list and spread some joy to your family this holiday season.

- Please call: (920) 986-3351**
- Mrs. Kim Griesbach—ext. 747
  - Mr. Nick Ortlieb—ext. 751
  - Mrs. Sandee Cornell—ext. 711
  - Mrs. Dannielle Kern—ext. 711
  - Ms. Elizabeth Schneider—ext. 787

## GRADE 1 NEWS

Our 2021-2022 school year got off to a great start! We've been concentrating on establishing routines, getting to know each other, and learning classroom/school rules. We've also read many books about being back at school and had several discussions about how exciting it is being in a new grade.

Our Open House was very successful. We hope you had an opportunity to come in and meet your child's teacher. A big thank you goes out to all who were able to donate an item from our classroom wish lists. We appreciate your kindness and generosity.

The first month has also been a big success when it comes to homework. It's great to see that the reading assignments and math skills practice pages are being completed

and turned in on time. Thank you, parents, for listening to your children read and encouraging them to always do their best work. Together we make a great team!

Lastly, we encourage you to sign up for **Remind** and **Google Classroom** if you haven't already. These are the 2 apps our school district will be using to communicate with parents. If you missed the information that was sent home previously regarding how to sign up for these 2 apps, please contact your child's teacher and she'll be happy to send home another copy. Our goal is to keep you informed.

Happy October everyone!

~Mrs. Streblov, Mrs. Behnke,  
Mrs. Bellin

## FAMILY MOVIE NIGHT

S.P.I.C.E. will again be offering Family Movie Night. The first movie will be **"Soul"**. Jamie Foxx leads an all-star cast in this hilarious, heart-filled adventure. Pixar's *SOUL* introduces Joe, who lands the gig of his life at the best jazz club in town. One misstep lands Joe in a fantastical place: The Great Before. There, he teams up with soul 22 (Tina Fey), and together they find the answers to some of life's biggest questions.

Come and join us for a fantastic night of fun and treats with your family and friends on Friday, October 29, at 7:30PM. Please feel free to come at 7:00PM to see short trailers to kick off the movie.

**Admission is free.** Snacks and drinks will be available to purchase. Make yourself at home, bring along anything you would like to snuggle with to watch the movie. I hope to see you there!

## LMC NEWS

### **Genres**

The middle grade fiction section of the library has been reorganized by genre and those books traded places with the nonfiction section. The new system of organization helps students find fiction books they are interested in because they can browse a section of similar books. The genres include: adventure, animals, classics, fantasy, historical fiction, humor, mystery, realistic fiction, scary, sci-fi/dystopian, sports fiction, and graphic novels. Feedback from students looking for books the first few weeks of school has been positive.

### **Makerspace Expansion**

The makerspace reopened on September 14th just in time to celebrate International Dot Day. In addition to our small room, we also expanded the Makerspace area with additional seating and storage. I'm hoping many students in all grades utilize the new area to create many great things.

### **Beanstack**

Wisconsin DPI has purchased a subscription to Beanstack for all Wisconsin public school districts to use to motivate students to read. Please watch for upcoming opportunities for your child to participate in Reading Challenges through Beanstack.

### **Keeping Kids Safe Online Month**

October is [Wisconsin DPI's Keeping Kids Safe Online Month](#). During the month we celebrate Digital Citizenship week from October 18-22 and Media Literacy Week from October 25-29. Mrs. Woodward will begin delivering Digital Citizenship lessons to all students in grades 3 through 8th during the month. The goal of these lessons is to empower students to think critically and act responsibly while they are online. Watch for communications via social media and papers coming home about how you can get involved and work as a family to keep your kids safe online.

~Mrs. Woodward, LMC Director

## BUMBLES

There is only one YOU in this great BIG world. The photo attached shows special painted rocks for our ONLY ONE YOU initiative. Students painted a bumble bee this year after listening to the book, **ONLY ONE YOU**. This book teaches them to go out and make a difference, be KIND, dream BIG, find your PASSION and make the world BEAUTIFUL! The special rocks will be added to our "Rock Garden" out front of the school. Come and enjoy!

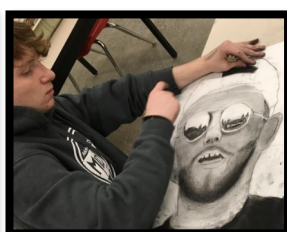

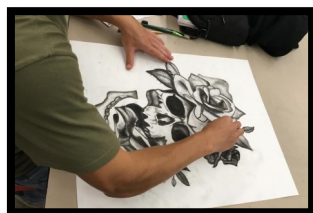

~Mrs. Beecher, Elementary Art Teacher

## LEARNING MORE AND MORE IN K4

The 4K students are off to a great start! They are becoming familiar with the school and classroom expectations. They all are adjusting well to the school routine. The children are making new friends and learning how to share and take turns. We will be introducing our math and handwriting curriculums in October. We are looking forward to seeing each child grow and flourish throughout the school year!

~Mrs. Romenesko and Miss Nushart

## GIFTED AND TALENTED

### **Battle of the Books**

Battle of the Books is an annual statewide reading competition where students read 20 books of various genres. Battle of the Books (BOB) is part of the Elementary, Middle and High School GT/Enrichment program. At the Elementary level, GT students from grade 3 through 5 will participate. This is a rigorous reading program that requires each student to delve deeply into their books, see connections, ask higher thinking questions and retain a wealth of information. In the contest, students answer questions pertaining to the 20 books they have read. Only four top finalists will be our team representing Shiocton Elementary School and they will have the opportunity to compete in this statewide online competition in February 2022.

The GT/Enrichment students will be given the list of books. Our library will have copies they may borrow or if needed they can request these books from the public library also. The booklist can be found on the WEMTA Battle of the Books website: [www.wemta.org](http://www.wemta.org).

### **Upcoming GT Events:**

- Noetic Learning Math Contest (grades 3-6) - November 11, 2021
- Scripps Schoolwide Spelling Bee (grades 3-8) - January 11, 2022

**Right-Now Learner Profile** (From *Inspiring Student Empowerment: Moving Beyond Engagement, Refining Differentiation* by Patti Drapeau, copyright 2020)

Something you can do to discover more about your bright child is to ask them a few questions.

1. Ask your child how they describe themselves as a learner (let them choose one or two)
  - Academic Learner: Child likes to learn and usually learns easily.
  - Perfectionist Learner: Child like to do the best work she or he can and wants it to be right.
  - Creative Learner: Child like to come up with unusual ideas and different ways of doing things.
  - Challenged Learner: Child finds it hard to learn and it takes him or her longer to learn that it takes others.
  - Hesitant Learner: Child dislikes speaking out loud in class and doesn't like being called on.
  - High-energy Learner: Child can't sit very long and likes to do active things.
2. Ask your child what their interests are.
3. Find out what they really dislike in various subject areas.
4. Have your child tell you when they are happy (sports, art, music, dance, drama, academics, building something, etc.)
5. Ask your child what work they are proud of.
6. Find out what makes she or he nervous.
7. Ask your child what they feel they are really good at.
8. What does your child sometimes need help with.

Some of your child's learning behaviors to discover include: (Note whether each behavior is **Not Really, Some of the Time, or Definitely**):

- I am a social learner
- I have a can-do attitude about schoolwork
- I like to help others
- I am excited to learn
- I wait for someone to show me what to do
- I ask for help
- I work hard
- I like to do hands-on things, and I like projects
- I like projects that make me feel that I am doing something that matters
- I'd prefer teachers just tell me what to do than have to decide for myself

This will help both you and your child understand more about themselves as a learner. Stop by, email me to request a copy of this template or if you would like a copy of the Learner Survey, another wonderful tool to find out more about your child.

**DIVERSITY AND INCLUSION**

The Diversity and Inclusion Committee planned a staff in-service experience with the Esther Project on August 25th. Approximately 90 school district employees took part in the “Walk In Our Shoes” simulation. Staff were able to experience the difficulties of language barriers and other challenges that many immigrants face in common everyday tasks such as registering for school, applying for a job, and going to the doctor. It was an eye-opening experience that led to great conversations among staff on how we can help and have compassion for those in our school and community who face these challenges daily. If you have a diversity or inclusion issue that you would like the committee’s help with, please contact Veronica Woodward at (920) 986-3351 ext 801 or any member of the committee.

**Need Help Completing The FAFSA?**  
 Current and future FVTC students can receive help completing the Free Application for Federal Student Aid (FAFSA) here on the Clintonville Campus.

**Do You Have Financial Aid Questions?**  
 Come meet with our Financial Aid Facilitator and they will help you get all the answers you need for your financial aid.  
 (Parents also welcome to stop in and ask questions)

# Counselor's Corner

Sandee Cornell  
scornell@shiocton.k12.wi.us

Dannielle Kern  
dkern@shiocton.k12.wi.us

## KG-6 Students:

In Kindergarten through Grade 3, we will be discussing our school listening rules (eyes watching, ears listening, voices quiet, body still), and how those rules help us learn while showing respect. In Grades 4 and 5, we will be discussing respect a little deeper, and learning about Empathy. Empathy is a very powerful tool that not only shows respect, but makes our school an even more AWESOME place to come everyday! In Grade 6, we are focusing on all of the new changes Middle School brings. We are also discussing how our brains are changing at this time in their lives, and the importance of creating good habits that will stick with us!

## 7-12 Students:

**START COLLEGE NOW**—Juniors and Seniors may apply for Start College Now classes for the second semester by October 1. For more information view <https://dpi.wi.gov/dual-enrollment/start-college-now>

Applications can be accessed online or picked up in Guidance. A copy will also be emailed to students. Applications must be submitted to Mrs. Cornell by October 1 for consideration.

**SENIORS**—Wisconsin schools have opened their college applications. Many schools have a late fall/early winter application deadline.

Seniors may request their official transcript be sent to colleges by emailing Mrs. Cornell.

FAFSA (Free Application for Federal Student Aid) opens October 1 for families to start the application process for federal college financial assistance.

All seniors will have their Senior Visit with Mrs. Cornell in September.

**JUNIORS**—Chief Chats will begin November 1. More information will be coming.

### October's Character Trait

#### RESPECT

Every month the counseling department will provide a positive trait to help students develop and foster positive character traits. We will list ideas for families to try at home and support what students learn in school.

#### TIPS:

- Stay calm! Do not overreact when you "think" your child is being disrespectful. Get to their level and have a conversation to better understand their perspective.
- Teach problem-solving alternatives. Help them practice what they can do next time.
- Model respect.
- Use kind and calm discipline, and follow through.
- Apologies when you make a mistake!

## THE STATE OF S.P.I.C.E.

Hello, my name is Melissa Dawes, and I am the current Chairperson for Shiocton Partners In Education (S.P.I.C.E.). As our school year has gotten underway with the staff and students all finding their groove, I find it a good time to fill you in on how your resident Parent/Teacher Organization is doing.

Last year was an unprecedented year for all of us. Many events were put aside or cancelled altogether. Though there weren't many event occurring, S.P.I.C.E. was still active in supporting the students and staff in any way we could—from mask lanyards and classroom needs, to staff appreciation. We even changed our meetings to virtual to accommodate our membership and allow for as much participation as we were able within our limits.

However, we have had a hard time finding new/additional volunteers for quite some time, and will have 3 vacant board positions at the end of this school year—Chairperson, Vice-Chairperson, and Treasurer. We have not come to a point in time, where due to lack of volunteers and interest, we are looking into the very serious and very real possibility of dissolving S.P.I.C.E. come the end of the 2021-2022 school year. We are considering what that means for our classrooms and school, and what the process may look like.

Without S.P.I.C.E., there will be no more book fairs. No more movie nights with friends, sleeping bags, and popcorn. No more Box Tops collections, recess equipment, or classroom supplies. Funds will no longer be available to provide financial assistance for field trips, busing to the Capitol, or scholarships. Financial assistance for AODA awareness, prom, and other events will be gone. Additionally, without the movie license purchased by S.P.I.C.E., the school will no longer have the resources needed to legally show videos and movies shown in classrooms. These and so many more activities and events will no longer be made possible or available if volunteers do not step forward to fill the board positions and keep S.P.I.C.E. a viable organization supporting our students and staff.

To get a better understanding of what we do, please check out our Fall Book Fair on October 14-21, and our Movie Night on October 29. More information to come soon about both of these events.

If you have ever had any interest or thought of volunteering at an event or as a S.P.I.C.E. board member, now is the time to act! Let us know you're interested and any questions you may have by emailing your contact information and questions to [spice@shiocton.k12.wi.us](mailto:spice@shiocton.k12.wi.us).

Join us for our next S.P.I.C.E. meeting on  
Wednesday, October 6, 2021 at 6:00pm in the LMC

October 1	FAFSA open for federal financial aid
October 4	NO SCHOOL—Professional Development
October 13	8th Grade trip to NWTC
October 14	10th Grade FOCUS program at the Appleton PAC
October 20	P/T Conferences 4:15-8:00pm
October 21	P/T Conferences 4:15-8pm
October 22	NO SCHOOL—Professional Development
October 25-29	Red Ribbon Week

### **RICHARD GILDER HISTORY PRIZE**

The Social Studies department was asked by the Gilder Lehrman Institute of American Society to nominate a “promising and passionate history student” for the Richard Gilder History Prize, and we were pleased to present this award to Matthew Klitzke. Matthew loves to ask the “what if” questions and explore his history from various perspectives, regularly seeking information from various sources and sharing his findings with others. He’s articulate, curious, and engaged, all traits that will serve him well in his future career as a social studies teacher. Congratulations Matthew!

### **ELEMENTARY/MIDDLE SCHOOL YEARBOOKS— WE HAVE EXTRA!**

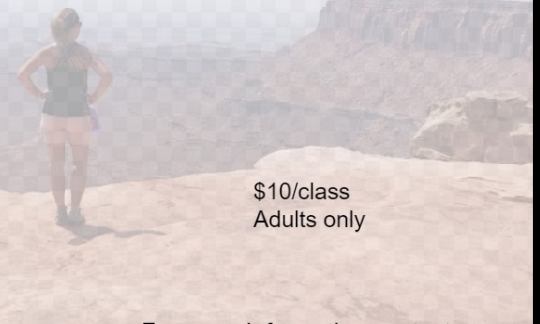

If you didn’t order a yearbook for your elementary or middle school student last year and would like one, we have extras available for purchase. Yearbooks are \$18 each and will be sold by first come first served. Please contact Johanna Funk at (920) 986-3351 ext 726 or [jfunk@shiocton.k12.wi.us](mailto:jfunk@shiocton.k12.wi.us).

### **Strength Training Classes with Sarah**

Tues. and Thurs. from 6:00-7:00pm  
Beginning Sept. 21st, 2021

Whether you are beginning your fitness journey, or have experience, these classes are modified to fit your needs.

\$10/class  
Adults only

SHIOCTON SCHOOLS  
Fitness Center  
N5650 Broad Street

### **SHIOCTON GIRLS WRESTLING TEAM**

The Shiocton Wrestling Club is proud to announce the creation of the first ever Shiocton Girls Wrestling Team! This team was formed to create opportunities for girls in grades K5 through 8th grade to practice and compete against other girls. The practices will be once a week beginning in January and will consist of only girls! This team will also be competing in all girl wrestling tournaments and the team will be run by High School Head Wrestling Coach Dominic Gunderson. Girls who participate on this team will also have the opportunity to attend Shiocton Wrestling Club youth events or Shiocton Middle School events if they are looking for more opportunities to improve themselves! If this is something you are interested in or have any questions about the Shiocton Girls Wrestling Team, please contact Dominic Gunderson at [dgunderson@shiocton.k12.wi.us](mailto:dgunderson@shiocton.k12.wi.us). Go Chiefs!

### **Shiocton Wrestling Club 2022 Youth Wrestling Registration**

4K-5th grade Youth wrestling fee is \$50 per child (family maximum of \$100) which includes coached practices (1-2 nights/week) Jan-March, t-shirt, free fun night, youth night at home wrestling meet and December parent meeting.

Sign up in person October 20-21 at parent-teacher conferences or through youth director until December 1st.

Parent supervision for 4K students is required & parent assist on the mats is always appreciated. Please see Shiocton Wrestling Club Facebook page or contact Kathryn Leeman at 920-986-4038 for info. We look forward to a fun wrestling season!
