Extension 773

April 19, 2021

Dear Parents and Family Members

Happy Monday and a big THANK YOU to each and every one of you. We are very appreciative of your understanding and of your support regarding the digital learning days last Thursday and Friday. Suffice it to say that, with the number of staff absences on those two days, DLD was a "good call". We hope that you and your child(ren) enjoyed the chance to complete the learning activities together, or maybe with a grandparent or other care giver, and maybe at a more relaxed pace. Today, we're all back in the classrooms and enjoying the return of laughter, inquiry, and learning.

Speaking of Learning ... **ACT Aspire, Digital Learning Days** - Students who are in 9th and 10th grade will take part in the ACT Aspire test on April 29. Students in Grades 11 and 12 will not report to the school building, but will take part in a Digital Learning Day.

And a reminder about registration for **Summer School 2021**: On-line registration will take place April 21 – 30. You can learn more about the various courses that will be offered by visiting <https://www.shiocton.k12.wi.us/district/current-year-ba.cfm>, click on the April 12, 2021 link and then click on the Summer School Course Guide (Letter J under New Business).

**Is your child enrolled in the Shiocton Child Care Center this summer?** If so, you can take advantage of the half-day enrollment option. Learn more at: [https://www.shiocton.k12.wi.us/cms\\_files/resources/SCCC\\_Policy\\_Handbook\\_Rev%202-16-2021\\_Final.pdf](https://www.shiocton.k12.wi.us/cms_files/resources/SCCC_Policy_Handbook_Rev%202-16-2021_Final.pdf).

On Saturday, April 24, the **Outagamie County Public Health** will co-sponsor a **Student-age Vaccination Clinic on 4/24/21** day at the Fox Cities COVID-19 Vaccination Clinic. This is an opportunity for children ages 16 and older who are interested in being vaccinated to schedule an appointment at the clinic. The Pfizer vaccine will be used at this clinic.

To register for a vaccination appointment, visit [www.foxcitiescovidvaccine.com/teens](http://www.foxcitiescovidvaccine.com/teens). NOTE: Previously, a "register" button was located in the top right corner of the screen. That feature is no longer on the page. Instead, you will need to scroll down and select an available vaccination time.

**Spring activities are here!** Our first track meet of the year is scheduled for tomorrow night, April 20, at home. Come support the middle school track and field athletes as they compete in the events beginning at 4:30PM. More events are scheduled for this week while some have been rescheduled. Be sure to visit the Upcoming Events calendar on the District's website at <https://www.shiocton.k12.wi.us/> (scroll to the bottom of the front page).

**Is there a limit to attendees? Will we have to wear masks while attending outdoor events?** The answers are: No and please consider. While we will not be limiting the number of fans that can fill our stands for the outdoor events, we highly recommend all spectators to mask and maintain social distance. Remember: It's not about us or our beliefs -- it's about the student-athletes and their continued ability to compete. We appreciate your support of the athletes through best practices: wash hands, watch your distance, and wear a mask.

Again, our sincere thanks and appreciation to everyone for supporting our efforts to help our staff as they worked through the immune response to the second dose of the vaccine last week. Just another example of how we truly are: One Town. One School. One Family.

Enjoy your week,

*Mrs. Schweitzer*
