

Shiocton Child Care Center

Social/Print Media Release Form

The Shiocton School District publishes and maintains multiple social media outlets including an Instagram account, (shioctonsd), a Facebook page (<https://www.facebook.com/ShioctonSD/>) and website (<http://www.shiocton.k12.wi.us/>). The District hosts a webpage for SCCC accessible from the same site. The purpose of the SCCC webpage is to provide easy access to daycare information and services. Too, SCCC news is published in print form via The Link, a monthly newsletter authored through the School District of Shiocton, as well as the Times Press, a weekly newspaper published in Seymour, WI.

I understand that a photograph of my child or artwork completed by my child may be used on the social media outlets. I also understand that the District will ensure that my child's photograph or artwork will NOT be accompanied by my child's name or with any other text that could reveal the identity of my child. Too, I understand that my child's photograph or artwork may be featured in one or both of the print-based publications, again with the expectation that my child's name or other identifying text will not be included.

With the above statements in mind, I consent to the publication of appropriate photograph or artwork of my child on the social media outlets of the Shiocton School District. I understand that I can request that pictures including my child may be removed at any time for any reason.
