

Dear _____,

Thank you for your interest in being a chaperone for our upcoming trip to YMCA Camp U-Nah-Li-Ya's Outdoor Environmental Education Center. Without your help, this experience would not be possible for our students.

As a chaperone, you would be assisting in the following ways:

- Accompanying students in their class groups to scheduled activities.
- Helping U-Nah-Li-Ya instructors with classes that require an extra adult for efficiency.
- Escorting students that repeatedly disrupt class sessions to either the OEE Director or the Group Coordinator.
- Escorting students who need First Aid during a class session back to the Medical Office.
- Supervising Recreation Time activities.
- Supervising students in their cabins at night.
- Helping the Group Coordinator with facilitating the experience.
- Assist in bus supervision.
- Assist in the coordination of loading and unloading buses.
- Supervise dining tables during meals.
- Participate in all songs and activities.
- Assist in helping students recycle paper, plastic, and aluminum.

Please report any disciplinary problems to the fifth grade teachers.

Your part as a positive role model enhances the children's social development. Most of all have FUN!

Driving and riding arrangements can be made prior to October 15th or that morning. A certain amount of adults will be needed on the bus.

The cost this year will be **\$40.00** per chaperone. Please make check payable to Shiocton School. There will be a meeting on Wednesday, October 15, at about 8:15 for chaperones in Mrs. McNichols' room.
